**product** Coney

**standout** The powder-coated slats of this mono-material steel barstool by the Mandelli/Pagliarulo designers run in different directions on the backrest and seat, mimicking the boardwalk plank patterns of its New York namesake. [pedrali.com](http://pedrali.com)

**product** Oru

**standout** The *Interior Design* Hall of Fame member expands her existing chair design into a two-seat sofa model with solid-ash frame, padded with plush recycled-foam cushions, that's reminiscent of oars and rudders. [andreuworld.com](http://andreuworld.com)

**product** Galapagos 501 TX-2

**standout** This swivel-base armchair is fully upholstered in quilted leather, its sinuous arms and generous seat recalling a tortoise shell—a nod to wildlife in the designer's native South America. [adrianahoyos.com](http://adrianahoyos.com)

**product** Archibald Delicate Balance Limited Edition

**standout** The American street artist's Mother Earth-inspired graphics, digitally printed on Pelle Frau Color-Sphere Impact Less leather, bring a fresh twist to Jean-Marie Massaud's 2009 frame. [poltronafrau.com](http://poltronafrau.com)
