

Business Connect

Member Benefit Guide

Your business needs skilled employees.
UACCB students are ready to start their careers.

Welcome

Welcome to UACCB Business Connect! We're excited to have you as part of this growing network of local employers working together to strengthen our regional workforce.

As a member, you now have access to valuable benefits designed to support your business and your employees:

- **Save on Tuition** – Your employees receive a 10% discount on UACCB degree-program tuition, making higher education even more affordable.
- **Leverage Grant Funding** – Arkansas provides funding that can pay for up to 100% of workforce development training provided to your employees by UACCB.
- **Hire Emerging Talent** – Post your job openings on UACCB's Career Coach Job Board and connect directly with our work-ready students.
- **Connect & Share** – You'll be invited to our quarterly Business Connect Luncheons, where members meet, network, and discuss workforce needs.
- **Shape Workforce Training** – Have a voice in how UACCB prepares students by sharing your input on training programs and industry needs through our industry-specific advisory boards.

Tuition Savings

Access the Discount

When your employees enroll in degree programs at UACCB, remind them to tell their College Navigator that your business is a member of UACCB Business Connect.

Please print the flyer on the next page and post it where your employees will see it.

As a UACCB Business Connect member, your employees gain access to a 10% discount on degree-program tuition at UACCB.

This benefit makes college more affordable and attainable, helping your team grow their skills while continuing to contribute to your business. Whether it's completing a degree, pursuing a new career path, or strengthening technical knowledge, the tuition discount ensures professional development comes at a lower cost.

Investing in education not only supports your employees' future—it strengthens your workforce and keeps talent in our region.

Employees:

Save 10% on Your UACCB Degree

Because your employer is a member of UACCB Business Connect, **you qualify for a 10% tuition discount** on degree programs at the University of Arkansas Community College at Batesville! This is an exclusive benefit your employer provides to support your education and career growth.

With online and night classes available, earning your degree has never been easier or more affordable.

Explore Degree Programs

Browse UACCB's programs online at www.uaccb.edu or call 870-612-2000 to speak with a College Navigator.

Access Your Discount

When registering, simply tell your College Navigator that your employer is a UACCB Business Connect member to receive your discount.

Custom Training Made Affordable

Training Designed to Meet Your Business Needs

Contact us to discuss your training needs and to learn how we can help you leverage state workforce development funding to help pay for it.

Every business has unique training needs. Through UACCB Business Connect, we'll work with you to design custom training that gives your team with the skills that matter most to your operation.

Whether you need OSHA 10-hour or 30-hour safety training, Excel and Microsoft Office workshops, or other specialized classes, we'll arrange for a qualified instructor to deliver training at your location or on our campus.

Best of all, the cost of many of training may be covered by state workforce programs:

- **Arkansas Workforce Challenge** – Can cover up to 100% of training costs
- **Arkansas Workforce Development Grants** – Can cover up to 75% of training costs

Our team will guide you through the process so you can maximize these funding opportunities and minimize your out-of-pocket investment.

Hire Emerging Talent

Post Jobs to Career Coach

After creating an employer account in our Career Coach portal, log in to your account, add your open position, and students exploring career options will see it.

Access the Career Coach portal by visiting <https://employers.lightcastcc.com/uaccb/login>.

Get Student Referrals

Once your job is posted, contact us and we can refer career-seeking students for the position you need to fill. Our faculty vets referrals to make sure each student is prepared and ready to work.

As a UACCB Business Connect member, your business has direct access to our online Career Coach Job Board, where you can post open positions and connect with students eager to begin their careers.

Upon request, our faculty can assist by referring work-ready students who are a strong match for the role. Each referral is vetted to ensure the student has the preparation and skills to make a successful transition into the workplace.

Networking Luncheons

Network & Connect with Emerging Talent

Watch your email for invitations to UACCB Business Connect Quarterly Luncheons. The luncheons are held on campus and free for members.

As a UACCB Business Connect member, you'll be invited to quarterly luncheons that bring employers, faculty, and students together.

These events give you the chance to network with other business leaders, share insights on workforce needs, and build connections that strengthen our local economy.

You'll also meet UACCB faculty and forge relationships with work-ready students who are preparing to launch their careers.

It's more than a lunch—it's an opportunity to grow your professional network and engage directly with the next generation of talent.

Advisory Boards

Help Guide Our Programs

Participation in Advisory Boards is a valuable way to share your industry expertise, influence UACCB's training programs, and ensure students graduate with the skills local employers need.

Let us know if you are interested in serving on one of our Advisory Boards.

Your expertise helps shape the future. As a UACCB Business Connect member, you'll have opportunities to serve on industry-specific advisory boards and share insight into the skills and training your industry needs most.

Advisory boards connect employers with faculty, ensuring UACCB programs stay aligned with real-world workforce demands. By lending your perspective, you play a direct role in preparing students to succeed in your field.

Boards typically meet twice a year, making it a simple but impactful way to strengthen ties between your business, the college, and tomorrow's workforce—benefiting both your industry and our community.
