A WORD FROM THE PREZ

Spring Time in District 14

Spring is in the air! March is coming to an end and with it hopefully the snow. Days are getting longer and the powers-that-be had us adjust our clocks forward. Mornings are not so cold and afternoons are feeling pretty nice.

Our social media pages are flowing with questions about what's open and where they can go ride.

We have a lot of our riders that never stop for winter, either racing the Ice season, studding their tires and running on the Michigan Trail system (which is open all year long, we ask that you don't ride on groomed snowmobile trails and know what's legal and what's not) and the truly lucky ones head south for warmer climates to ride.

All of us, no matter what you ride or what Division you call home, are ready to get this season started.

Off Road Banquet

The Off Road Divisions held their Banquet at the end of March this year. Celebrating the accomplishments of our riders and the 2020 Covid 19 Season.

Due to the continued pandemic, state rules and restrictions, the Banquet held at the Soaring Eagle Casino and Resort in Mt. Pleasant, Michigan, the group had to split the presentation up in 2 groups like the Motocross Division did.

All and all it was a wonderful event and our riders were awarded for their hard work and dedication.

▲ 2020 Beta 250RR

Thanks go out to the Divisional leaders, the Casino and our members for coming together to get rid of 2020.

I was not allowed to lobby as a MTAC member.

Legislative

We continue to watch and follow all legislation that affects our membership.

As the restrictions and governmental orders continue to change daily we will try to keep everyone abreast of how we will continue to put on events.

I hope that I have served you all well and presented the District in the most positive light and will continue to stay active in the legislative process to ensure our members and the public's rights are kept in the forefront of the legislatures mind.

2020 Beta 250 RR

On a good note, Vice President Steve Beane has an amazing company Plus-One Performance and AfterHoursCycle.com in Milford Michigan.

Last October I rode his demo bike at Trailfest and it scared the S%^T out of me, so this winter I bought it and will be riding Team Beta for the foreseeable future. Since purchase I have not had time to ride it, but boy is it pretty!

I plan on playing in the Enduro Series, the Hare Scrambles Series and hopefully will get my first taste of the Michigan Sprint Enduro Series.

Let the 2021 Season Begin!

See ya at the Races,

Thomas Dunn

State Representative Johnson has introduced a bill to allow your ORV stickers to be installed on your forks and is in the Natural Resource committee right now. I have spoken with the Representative and offered our support and possible testimony at the hearing.

Boards and Committees

I have been governor appointed to served on state boards and or committees since 2002 and was appointed to the Michigan Trails Advisory Council in 2010, the new governor did not reappoint me for another term. I am still the Chairman of the ORV Advisory Work Group until told otherwise although my term expires in March of this year.

Although disappointed, this frees me up to put the District above everything else as a council member my lobbying was

Advertising & Editorial: Due APRIL 20

SPACE

Space is reserved in every issue for every division in the District. Please, promote your sport by contributing stories and photos about your events, past and/or upcoming. This is **FREE** advertising for your division. Take advantage of it!

When submitting a story or photo please ensure to include event dates and locations, and photos MUST include captions. Event results are always nice to include as well.

For detailed information on submission policies for editorial content and advertising, please go to www.D14News.net.

DELIVERY

The delivery goal of District 14 News is normally around the middle of the month. However, due to varying factors of submissions, printing, and mailing, there is no guarantee the newspaper will reach readers by a specific date in the month. It is recommended and good practice to think at least 1 or 2 months ahead when promoting special events or other time sensitive dates. For example, if your special event is in August, you should consider promoting that event no later than the July edition.

Starting Lines

a few words from the editor

Well, by the time you get this April edition, the dirt will be flying and everyone will be getting back in the groove of riding!

A VERY BIG THANK YOU to this month's contributors. Thank you Molly Kidner for putting the word out that, once again, we need some content to fill the pages!! Hopefully now that we have some racing coming up, and the powers-that-be seem to be loosening their stranglehold on us so we can go out and play, we will have lots of stories in the pits to be writing about!!

Right now is a PERFECT time to make sure your memberships are up-to-date. There's a **NEW FORM BELOW** if you're not tech savvy or still prefer mailing it in. **STILL** only \$15!! You can also purchase online at AMA-D14.org or at the races.

'Til next time ... take care and be cool. And as always, enjoy the ride... it all goes by in a blink.

BLAINE ALLSOP

About me:

I started riding a pw 50 that my daddy bought me for my 2nd birthday. He passed away shortly after he bought me that bike but I found his passion in racing at 4 years old. I am now 11 years old in 6th grade. In 2021 I will race the 85 Jr and 85 (9-13). I have done some training at MotoX Compound and train full-time in Michigan. In my free time I like to hang out with friends and family. I enjoy skiing, swimming, biking, and do anything outdoors.

Accomplishments

3rd- 85 JR Michigan State
4th- 85 (9-13) Michigan State
4th- 85 JR District 14 AMA
8th- 85 (9-13) District 14 AMA

Goals

In 2021 I will be focusing on training and competing at a national level and hope to qualify for the AMA Amateur National held at Loretta Lynn's Ranch. I am determined to place in the top 5 at the national events.

BLAINE ALLSOP

11 Years Old
85 Jr & 85 Open

Been traveling from Florida for Mini O's, to Texas for Spring Nationals at Freestone, and to Spring A Ding Ding... he has been working hard on and off the track, part time training at MotoX Compound but fully training at home in Michigan. His goals are to head to Loretta's this year.

ENDURO / FES NEWS

Story by **MIKE MAURER**
Photos courtesy Stacey Hengy

The off road community - enduro and hare scrambles - were able to meet on March 20th for the 2020 year end banquet. We had to split into two groups due to COVID restrictions. The D14 enduro and family enduro series were in the late morning session and hare scrambles with the sprint enduros had the evening session.

We were in a new facility - Soaring Eagle Casino - due to the hotels not being able to have large crowds in their banquet room. The convention and service staff of the casino did a great job of setting up the room and serving the food. We anticipate that we will be back to the casino for our next banquet.

It was great to see everyone again as we celebrated the 2020 racing season and started to make plans for 2021. There were many smiling faces from the family enduro series after the banquet. Tyler Vore was the D14 enduro champion for the sixth time. Congratulations Tyler!

Thank you to Stacey Hengy for taking pictures at the banquet. I have asked her to take some pictures at our events in 2021 and we hope to publish in the paper and social media.

See you at the races!

CHANGES TO DISTRICT 14 MEMBERSHIP FOR 2021

Submitted by Molly Kidner, Membership Administrator

Beginning Jan. 1, 2021 District 14 is SIMPLIFYING our membership process. There will no longer be different types of membership - all participants will need simply a "District 14 Membership". This applies to ALL individuals, including Canadian members and minors.

Why the change? Well, the discounted "D14 family membership" created a lot of confusion and ultimately frustrated more people than it should have. We want to improve our customer experience by eliminating that.

The D14 website and Membership Application forms will be updated to reflect the changes.

District 14 is happy to announce there will again be no increase in membership fees! They will remain a bargain price of \$15 annually.

Each year I submit a report to the District 14 officers, Clubs and Promoters on where District 14 membership stand. We continue to grow as the AMA's premier amateur racing district! At our peak of the 2020 season, we boasted nearly 4000 members! And just in the last 90 days, over 250 new members!

If you've ever wondered about the popularity of the different series that D14 has to offer, see the chart below. I have been amazed at how many riders participated in multiple series – you people are bad-a\$\$!

As always, a few reminders: present current AMA and D14 memberships at every event (I do audit on occasion!) PLEASE write legibly if completing your renewal on paper. Lose your card? You can log in to the website on your phone to produce proof of membership until your new card arrives.

KATHARYN LONGANECKER

Story and photos by Mechelle Longanecker

Katharyn Longanecker or as her moto friends call her “Tater 539” has only been racing for a year and is from Plymouth, Indiana. She is 10 years old and started riding at Red Bud in September of 2019. Her first race was that October for the Grass Race in the trailblazer class. Since then she has been consistently in the top five in the trailblazer class before switching to riding a KX 65 in October this year. She raced both the trailblazer and 65 beginner class at Log Road finishing 3rd in trail and 4th in the 65 beginner class. She finished 1st in the 65 class on Sunday to finish out the weekend. To end her race season for 2020 she raced at Dutch MX on October 10th. She transitioned to the big track that weekend for the Muskrat Run and placed 10th out of 20 in the 65 Junior class. 5 REASONS YOU SHOULD USE A PLANT-BASED CLEANER

1. Safety:

Have you read the label on the back of a commercial cleaner? Warning! Flammable! Do not ingest! Keep out of reach of children! Many chemicals used in household cleaners have not been tested for safety. Household cleaning supplies are one of the top five substance classes accounting for calls to the National Poison Control Center. Many commercial cleaners contain ingredients that are endocrine disrupting chemicals, carcinogens, or neurotoxins. Kids, babies, and pets are even more vulnerable to chemical exposure because they are smaller and cannot get rid of toxins as easily as adults. It is definitely

worth ditching harsh chemicals for a cleaner with plant- and mineral-based ingredients.

2. Air Quality:

Did you know that indoor air is 5–7 times more polluted than outdoor air? Most cleaning products contain Volatile Organic Compounds (VOCs), which have been associated with many health problems, including damage to the liver, kidneys, and the central nervous system. They have also been shown to harm our lungs and cause throat irritations and headaches. VOCs are released when products are used and can linger in the air long after we clean. When we

breathe, we inhale the air—as well as whatever is in the air.

3. Environmental Impact:

Harsh chemicals found in cleaners are not only harmful to our bodies, but they also have a major impact on the environment and are huge contributors to environmental pollution. Some conventional cleaning products contain ingredients that are toxic, non-biodegradable, and from non-renewable resources like petroleum, so they harm the Earth's ecosystems. Harsh chemicals may contaminate the water through rivers, streams, and lakes, which affects wildlife, plants, trees,

and us! Plus, there are thousands of chemicals that are in cleaning products that have never been tested for safety.

4. Convenience:

It's much easier to clean with a few products that take care of all your cleaning needs, rather than having a whole arsenal of toxic products under your sink and in your bathrooms. With Thieves® Household Cleaner, you can tackle multiple cleaning jobs in your home without switching products as you clean! It cleans countertops, windows, mirrors, floors, toilets, showers, and pretty much everything else. Plus, you don't have to worry about getting bleach stains on your clothes or accidentally mixing dangerous chemicals together. It's worth a try for the convenience alone.

5. Cost:

The cost of buying cleaners is expensive, especially if you have to buy multiple different cleaners. Thieves Household Cleaner is very cost effective, and it comes in a concentrated form. There are approximately 60 capfuls of the cleaner in a 14.4-ounce bottle. Using the medium degreasing ratio, you can get about 29 16-ounce cleaners. That's less than \$1 a bottle!

Why worry about all the what if's? Be empowered and take charge of your chores by using a cleaner with plant-based ingredients.

These are only five of the many reasons to use a plant-based product.

RYAN OLDT

Ryan Oldt age 16, started out riding an electric razor bike in his grandpa back yard. He was a natural from an early age when he kicked the training wheels of his pedal bike. He is currently riding a 2019 Honda 250F.

We have been trail riding all over MI and he bugged me last year to try a race after coming across information from your FB pages but I work midnight and weekends so it makes in very difficult to do anything. This year I finally signed him up and his first race is Whiskey Creek. Last fall we actually rode out bikes across the Mackinaw Bridge for a event called Trac the Mac. Friends and family said he is a natural watching him ride. He prefers trail riding. Never really been on a track so he is really nervous but not as nervous as his mom.

If you run the article cool. If not no big deal. Let me know if I can give you any more info.

On August 1st 2020 during the practice session before the races at Morelands Motocross a jump most riders refer to as the "Double of Death" claimed more victims. On the last lap of practice I over shot the double by approximately 20 feet and flat landed which resulted in shattering the talus bone in both of my ankles. My brother-in-law who was following right behind me came up short and broke his tibia in his right leg. Luckily for us we had plenty of family at the track that day. We were driven to the Sheridan emergency room for x-rays and released within a couple of hours. Unfortunately the hospital did not have any wheel chairs they could provide me with to take home, but luckily Fritz Ball was able to bring one to the track for me to use. We returned to Morelands for the remainder of the night to watch my son race.

HUNTER ANDERSON

Log Rd. MX, Coldwater Mi. 4/10/21*

Very proud of our son #18 on the Green. Hunter Anderson. Went out for our first ever race at Log Rd MX. Track. After a severe accident last year during an open practice it put Hunter on the sidelines without the opportunity to compete. He stayed with his compassion to be back in the saddle getting over his fear as many riders do when they take a fall. Hard work and dedication to restore the confidence he once had. Looking forward in putting many more races in the books. Hunter like many other riders look forward to the opportunity to get to the Ranch to compete. Just want you to know Hunter Anderson that we are very proud of you. not only do we Love you but we believe in you too.
