"We are being given the opportunity to
stitch a new garment, one that fits all
of humanity and nature."

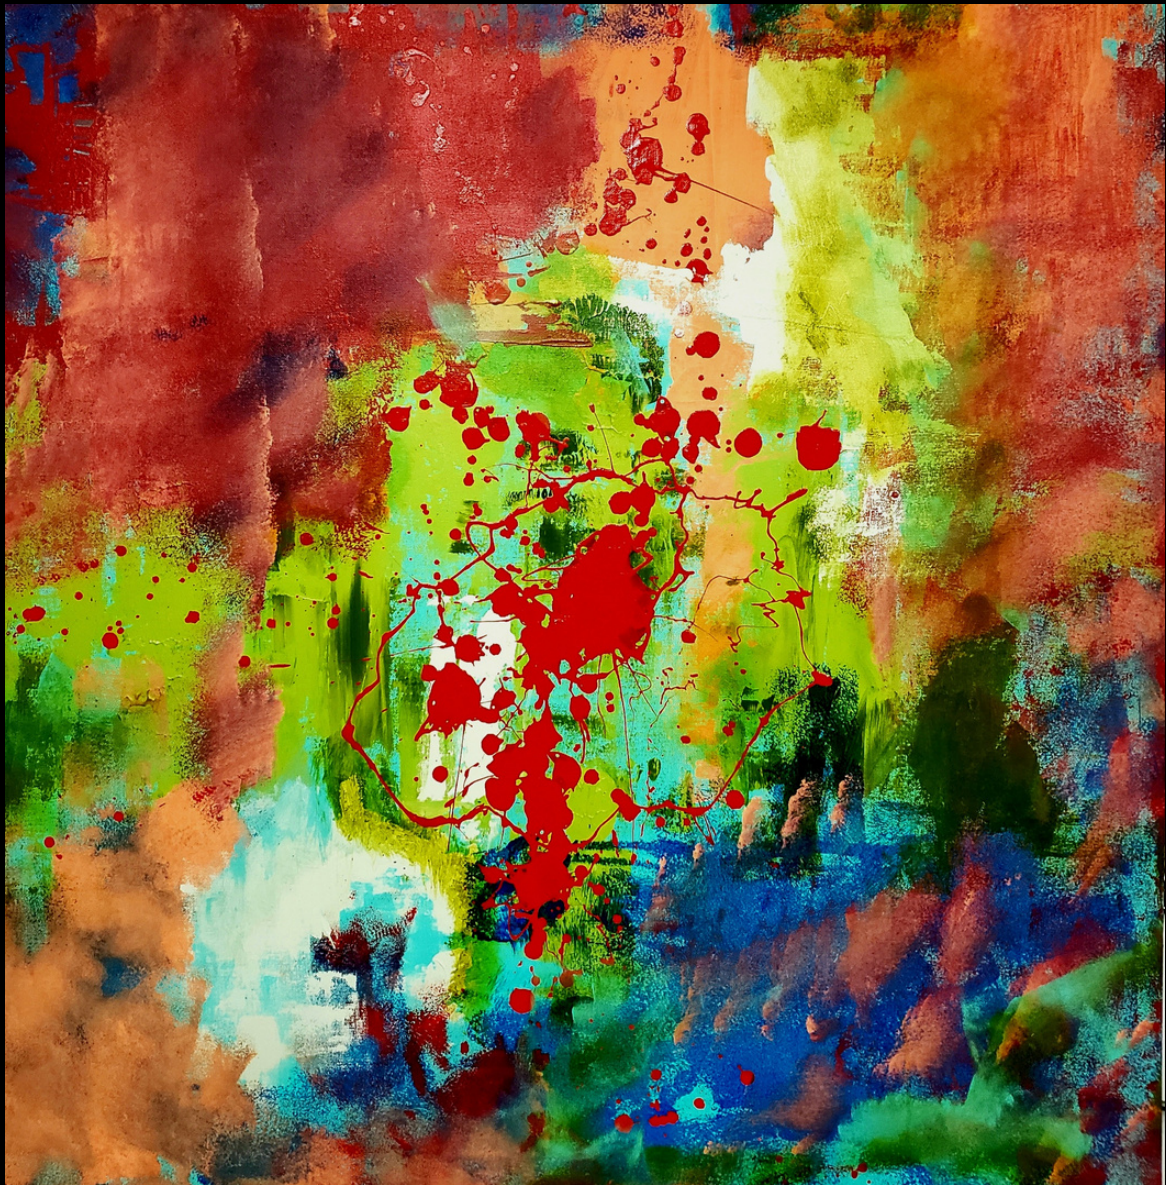

-Sonya Renee Taylor

ALMA ROBERTS

Urban Rain | Ten years ago, I began an unimaginable journey to becoming a visual artist and this little painting was the start. A decade has passed and I'm just now able to accept the label of artist without taking a really big gulp. When I think of all I have learned along the way, I am pleased and proud. I hope my Poppa is too.

" Thank you to all who have supported me on this journey. It is my intent to stay unapologetically woke and present through my art. I owe that to my Father, for the gift he passed on to me and for the sacrifices he made to give it."
