

# "Hands Off Me Gold" Math File Folder Game

This is a Preview of "Hands Off Me Gold" Math File Folder Game

Your student will LOVE this St. Patrick's Day themed math center with leprechauns, pots and gold coins!

Included: Gold coins with over **720 addition and subtraction problems** (numbers used are from 0 - 30) Also included are blank gold coins and pots so that you can design the game even further. Can be used with PreK to 2nd grade because you choose the difficulty level.

### Instructions:

Laminate and cut out the gold and the pots. Attach the pots to file folder(s). Attach title to the front of the folder. On the back, attach an envelope or Ziploc bag to hold the gold. Students are to match the gold to the correct pot.

(Optional: You can mark the back of the pots and gold with colors to make this a self checking activity.)
