FREEDOM FROM GLASSES:

Modern eye care solution for every age

This season Agrawal Eye Hospital, Malad—trusted for over 44 years—sheds light on LASIK, one of the safest and most effective vision correction procedures.

Led by the expert duo **Dr. Shyam Agrawal** and **Dr. Aarti Agrawal Bahuva,** the hospital has over 20 years of experience in LASIK and thousands of satisfied patients. Using advanced technology like the **Schwind Amaris 750S** and **FS 200 Femtosecond** Laser, they ensure precision and safety in every procedure.

Key FAQs About LASIK:

Is LASIK safe?

Yes! It's a quick, painless procedure (3 mins per eye) with a 30+ year safety record and minimal downtime.

What are the different types of Laser Vision Correction?

Contoura Femtosecond LASIK: This bladeless procedure reshapes the cornea using precise, personalized topographic maps unique to each eye. It offers sharper vision with faster healing.

TransPRK / No-Touch LASIK: It is a flapless procedure, ideal for active individuals or thin corneas.

SMILE/ SILK: This complete flapless procedure has minimal invasion and is great for maintaining corneal strength.

Which procedure offers the best results?

All work by reshaping the cornea. The best option depends on your indiviual eye structure, determined through a corneal scan.

What if I'm not eligible?

Phakic ICLs are a strong alternative, correcting powers up to -30D. Here a customized lens is implanted inside the eye above the natural lens.

What if I have reading number too?

Advance lenses like Trifocal, Multifocal and Edof lenses are made to give you spectacle independence for far and near both at any age through a laser eye surgery.

Every policy, process and decision is executed with transparency, accountability and the best interests of our members at the forefront.

In an effort to strengthen governance and encourage greater participation, we have initiated the diversification of signing authorities across various departments, entrusting our Joint Secretaries with more active involvement in everyday club matters. This step aims to enhance collaborative leadership within the system. I express utmost gratitude to all the Joint Secretaries & the Joint Treasurer for their major support and guidance.

Our vision is not only to promote participation but also to nurture excellence — striving to develop more international-level players across various sports from the very home grounds of GSC.

I work closely with each member of the Governing Council to ensure that the vision set forth by our President is translated into meaningful, tangible action on the ground. Whether it is administrative efficiency, member grievance resolution or institutional governance — I am committed to maintaining the highest standards at every step.

MESSAGE FROM CHAIRMAN

A Strong Foundation Builds a Stronger Club.

Dear Members,

As a Founder Member and Chairman of Bye Laws Amendments, Disciplinary & Grievance Redressal and Legal Statutory Liasoning & Compliances, it is with deep sense of responsibility and devotion that I continue to serve this institution that I have watched grow from its very roots.

Having been part of GSC's journey from the beginning, I can say with great conviction that the true strength of any organisation lies not just in its facilities or programmes but in the integrity of its governance, the fairness of its processes and the trust its members place in its leadership.

Our team works silently but sincerely ensuring that the Bye Laws remain relevant and robust, that grievances are heard and addressed with impartiality and that GSC remains fully compliant with all legal and statutory obligations. The Bye Laws are now available to members via the GSC Website and GSC App. Members can also suggest the changes they desire for our Club more open to Members. We are also working hard on making the Rules & Regulations accessible to Members. We currently under the process of its compilation from different departments, including forms to be filled on the website as early as practical.

To our members, I assure you — your voices are heard, your rights are protected and your club is in safe hands.

MESSAGE FROM CHAIRMAN

Play Hard. Play Fair. Play Together.

Dear Members,

As Chairman Sports (Outdoor), Marathon, HRD & Security, it is an absolute honour to spearhead the Department that sits at the very heart of what GSC stands for — the unbridled love of sport, the thrill of competition and the irreplaceable joy of coming together as one community.

This year, we brought the Nation's Cricketing Fervour right to our doorstep by hosting the electrifying screening of the T20 Finals at GSC Main Ground — an evening that united members in the shared joy of sport, bonding and unforgettable moments under the open sky with an overwhelming participation of more than 2000 members.

We were equally thrilled to conduct the highly anticipated GSC 45+ Cricket League, a celebration of enduring passion for the game that proved age is truly no barrier when it comes to sport.

Another feather in the cap! Our dynamic GSC Cricket Team won the Prestigious MCCC 40+ tournament and were Runners-up in the Chembur Premier League, competing with Mumbai's top Clubs.

The Staff Cricket Tournament for both Gents and Ladies staff was another heartwarming initiative that fostered team spirit, inclusivity and a wonderful sense of belonging across our entire GSC family.

We remain steadfast in our commitment to elevating Outdoor Sports, nurturing talent at every level, and creating experiences that bring the GSC community together in the purest sense.

MESSAGE FROM CHAIRMAN

Champions Are Built on Court.

Dear Members,

As Chairman of Squash, stepping into this role has been nothing short of exhilarating — a chance to champion a sport, I am deeply passionate about and to build a vibrant community of players who share that same fire within the walls of our beloved GSC.

The 23rd Summer Coaching Camp brought with it an overwhelming wave of enthusiasm, with participation in Squash reaching truly encouraging numbers. Watching our young members take to the court with such energy and determination has been one of the most rewarding highlights of this term.

Further strengthening our efforts to promote the sport, we hosted the Squash Marathon — an exciting and inclusive event open to all age groups. With participation from around 70 players, the courts were alive with competitive spirit, camaraderie, and high energy throughout. We are proud to share that Team Dhurandhar Daredevils emerged as the winners of this thrilling marathon.

In a gesture to encourage and appreciate participation, every player received goody bags, generously sponsored by myself, Kaushik Mehta, Chairman — Squash. Such initiatives not only elevate the sporting experience but also foster a deeper sense of community within GSC.

We remain committed to promoting Squash at every level from grassroots to competitive and to making it one of GSC's most engaging and beloved sporting pursuits.

The Spirit of Sport: A Century and Beyond

Dear Members,

It is both an honour and a privilege to serve as Chairperson of Carrom, Chess, Table Tennis, and Gymnastics disciplines that seamlessly blend mental sharpness with strength, balance and agility.

EVERY LAP COUNTS.

Dear Members,

Serving as Chairman of the Swimming Pool this term has been a deeply fulfilling and passionate journey. It is an honour to oversee one of the most expansive and dynamic facilities that Goregaon Sports Club proudly houses.

What truly sets our Swimming Pool apart is not just its size, but the energy, vibrancy, and sense of purpose it brings to GSC every single day. With my long-standing association with the Management Committee, I remain closely involved in monitoring daily operations alongside our dedicated team, ensuring that every member experiences the highest standards of facility, safety, and service.

We are especially proud to share that swimming activity has witnessed its highest-ever participation at the 23rd Summer Coaching Camp — a remarkable milestone. The Swimming Pool Activity continues to grow in scale and success, offering diverse training programmes and professional coaching across all age groups. This term, with record-breaking attendance, it remains one of the club's highest revenue-generating initiatives, reflecting the trust our members and guests place in us.

A cornerstone of this success is our exceptional team of professional coaches, affiliated with GMAAA in both Swimming and Diving. Their expertise, dedication, and passion ensure that every participant — from toddlers taking their first splash to competitive swimmers refining their technique — receives world-class guidance.

Adding to the vibrancy of our facility, Aqua Yoga sessions are conducted every weekend for all members, free of charge. It is truly heartening to witness the enthusiasm and joy with which our members, especially seniors, participate in these sessions.

We are also delighted to share that a major renovation of the Swimming Pool is currently underway. Once completed, it will offer a premium, five-star experience — another proud milestone and a feather in the cap of GSC.

My sincere gratitude to our coaches, our dedicated pool team — an integral part of the GSC family — and our enthusiastic members, whose energy keeps this facility thriving every day.

MESSAGE FROM CHAIRMAN

Every Celebration is a Memory

Dear Members,

As Chairman - Cultural, it is an absolute privilege and delight to lead a team that fills the calendar of our beloved GSC with colour, music, laughter and moments that bring us closer together.

This year, we outdid ourselves with the spectacular GSC Ranga Rang Holi 2026 — an extravaganza that had all of Mumbai talking! The phenomenal Meet Bros and the sensational Juggy Sandhu set the stage on fire with performances that had every member on their feet. Add to that a tempting spread of food from every corner of the country, a thoughtfully arranged Senior Citizen Lounge for our respected elders, exhilarating rain showers to beat the heat and the purity of organic colours — it was nothing short of a festival within a festival. An evening etched in the hearts of all who attended.

We also had the honour of celebrating Rajasthan Divas in its fullest glory — with traditional Rajasthani delicacies that had everyone going back for more and enchanting folk music that stirred the soul and painted the evening with the vivid hues of Rajasthan's rich heritage.

In a moment of spiritual unity and peace, we organised the sacred Maha Navkar Jaap on April 9, 2026, under my leadership — bringing members together in devotion, reflection and collective positivity. It was a serene and soulful gathering that added a deeper dimension to our cultural journey.

Every event we curate is our belief that culture unites, celebrations heal and togetherness is the greatest gift a community can offer itself.

My heartfelt gratitude goes to the tireless cultural team, the ever-supportive Governing Council 2026-29 and our spirited members whose presence transforms every gathering into something truly extraordinary.

MESSAGE FROM CHAIRMAN

Your Health. Our Priority. Always.

Dear Members,

As Chairman of the Medical Cell, it is with profound gratitude and a deep sense of purpose that I assume this responsibility as part of the Governing Council 2026-29. The trust and confidence that our members have placed in me is something I do not take lightly — it is a commitment I intend to honour through meaningful, impactful, and accessible healthcare initiatives for every member of our GSC family.

I am delighted to share that the Medical Cell has forged several successful and promising tie-ups with some of the most respected names in healthcare. Our associations with Nanavati Max Hospital, CritiCare Asia Group, Oorja, and Ambucare are a significant step towards ensuring that GSC members have access to quality medical care, specialist consultations, and healthcare services at preferential terms. These partnerships reflect our unwavering commitment to placing the health and well-being of our members at the very centre of everything we do.

One of the most fulfilling initiatives of this term has been our Mammography and Pap Smear screening programme conducted in association with ICTC — exclusively for GSC women members at deeply discounted rates. We are immensely proud to share that over 100 women members availed of this facility. We also had the privilege of conducting a Blood Donation Camp in association with the distinguished Sir JJ Mahanagar Raktakendra — an initiative that embodies the spirit of giving and compassion that defines the GSC community.

Keeping pace with the evolving healthcare landscape, we are also taking a proactive step in preventive care by introducing the HPV Vaccine for our members.I am also thrilled to announce that a dedicated Physiotherapy Centre at GSC is on the horizon — coming very soon.

It is also our constant endeavour to ensure that every medical event and initiative we conduct is supported through sponsorships — so that the benefits reach our members at minimal or no cost. Our vision for the Medical Cell is to transform GSC into a community where health is not an afterthought but a way of life.

MESSAGE FROM **CHAIRPERSON**

She Leads. She Inspires. She Achieves.

Dear Members,

Serving as Chairperson of the Ladies Wing, Ladies Box Cricket & Throwball has been an incredibly rewarding journey for years. It has given me the privilege to harness the remarkable talent, energy and spirit of GSC's women members into initiatives that inspire connection, confidence, and growth consistently.

This year, we proudly marked a historic milestone with the successful organisation of the Ladies Summit exclusively for GSC Women Members. Curated across three meaningful segments — GSC GNI, GSC Sports, and GSC Culture — the summit fostered participation, collaboration, and empowerment, bringing women together through a shared vision and purpose.

We also hosted our first-ever Ladies Wing event, "GNI + passion with Purpose," which saw enthusiastic participation from women entrepreneurs, professionals and business leaders within GSC. It was truly inspiring to witness women come together with a spirit of support, collaboration and mutual encouragement.

Through Ladies Box Cricket and Throwball, our vision is to cultivate not only sporting excellence, but also resilience, discipline, teamwork and leadership among women.

At GSC, every woman deserves to be seen, celebrated and unstoppable.

MESSAGE FROM **CHAIRPERSON**

Young Hearts. Bold Dreams. Boundless Energy.

Dear Members,

Words fall short in expressing the gratitude and humility I feel upon receiving the highest number of votes in the GSC Elections 2026-29. This overwhelming mandate is not just an honour — it is a responsibility I carry with utmost sincerity and dedication. It belongs to every member who believed, supported and chose to place their trust in me. Stepping into my second consecutive term, I am filled with both gratitude for what we have achieved and excitement for what lies ahead.

At the heart of my vision lies the Youth Wing a space not just for engagement, but for empowerment. With a strong focus on entrepreneurship, startups, and new opportunities, we aim to inspire young minds to think boldly and act confidently. By blending sports, fitness, culture and entertainment, we are creating meaningful platforms where individuals can connect, grow and express themselves freely.

One of the initiatives closest to my heart — Mindful Weekends has touched the lives of so many members through the power of Yoga, mindfulness, and inner well-being. The response has been deeply encouraging, and I am thrilled to announce that Mindful Weekends will continue to be a cornerstone of our calendar, nurturing peace, balance and wellness within GSC.

On the performing arts front, the enthusiasm and talent on display at the 23rd Summer Coaching Camp is nothing short of breathtaking. Watching our young members express themselves through dance, music, and theatre with such confidence and creativity is a moment of pure joy - a reminder of why this work matters so deeply.

Our vision for this term is to create a GSC where every young member finds their passion, every child discovers their talent, and every soul finds a moment of stillness amidst the beautiful chaos of life. Through Youth Wing activities, Yoga, Performing Arts, and Kids Engagement programmes, we are building an ecosystem where every young member finds purpose, every child discovers confidence, and every individual feels inspired.

This isn't just an initiative — it's a new wave of energy for all of us.

Dear Members,

CERVICAL CANCER VACCINATION

A Powerful Step Towards Preventing Cervical Cancer

Cervical cancer is one of the most common cancers affecting women in India. Despite being largely preventable, it continues to cause significant illness and death, especially among women who have not undergone regular screening or vaccination.

According to the **World Health Organization (WHO),** India accounts for a substantial proportion of the global burden of cervical cancer, with approximately **1.2 to 1.3 lakh (120,000–130,000)** new cases diagnosed every year and around **75,000 deaths annually.**

The good news is that cervical cancer is one of the few cancers that can be prevented through **vaccination and regular screening.**

More than **95% of cervical cancer cases are caused by persistent infection with the Human Papillomavirus (HPV),** a very common virus transmitted through skin-to-skin sexual contact.

Many people may get infected at some point in their lives without even knowing it. Most HPV infections clear naturally, but persistent infection with high-risk HPV types can cause abnormal changes in cervical cells, which may eventually progress to cancer if left untreated.

WHO Recommendations for Cervical Cancer Screening
Vaccination does not eliminate the need for screening.
Women should be screened for cervical cancer every 5 years from 25-65 years.Screening methods include:

- **Pap smear can detect abnormal cervical cells before they become cancerous, allowing timely treatment.**
- **HPV DNA testing can detect presence of human papilloma virus**

HPV Vaccines
Quadrivalent Vaccine
Protects against: HPV 6,11,16,18
Nonavalent (9-valent) Vaccine
Protects against: HPV 6,11,16,18,31,33,45,52,58
Quadrivalent Vaccine gives 83% protection against HPV infections & **Nonvalent Vaccine** gives 98% Protection when administered before exposure to the virus.

WHO recommends routine vaccination for: Girls & Boys aged ideally between 9–14 years
Quadrivalent Vaccine can be given to women upto 45 years of age.

VACCINATION SCHEDULE

Age 9–14 Years	Age 15 Years and Above
First dose: Day 0	First dose: Day 0
Second dose: 6–12 months later	Second dose: 1–2 months later
	Third does: 6 month after the first does
