# OUR PROCESS

Consider it Done

## STEP 1

### IN-HOME DESIGN CONSULTATION

Yep, that's right we will bring the showroom to your doorstep! We will first look over the space to how to organize it and then talk about what your expectations are, lifestyle requirements, and finally, the best part, your design style.

## STEP 2

### CUSTOM CRAFTED

At Tru Closet Pros we produce your system from scratch in our Florida factory. Using the latest in computer assisted manufacturing technology, each system is precisely cut and finished by our engineering department.

## STEP 3

### INSTALLATION

Now for the day you've been waiting for. Our installer will arrive promptly on the scheduled installation date.

## STEP 4

### FOLLOW-UP

LOVE YOUR CLOSET

We follow up with all our customers to make sure they are completely satisfied with their purchase. Love it, review us and share it with your network!

# MORE THAN JUST CLOSETS

TCP is closets and cabinets. Our Systems are designed to create highly organized and aesthetically pleasing storage for every room of your home and your office.

**Home Office:** From home offices for working from home occasionally, to a home office for two full-timers, our designers can create the ultimate in productivity, comfort and style.

**Pantry:** Turn your kitchen into a highly functional work area with loads of easy-to access storage. When you choose one of our custom pantry system, you'll work one on-one with a designer to design a pantry that is tailored to fit the way you live.

**Laundry Room:** Laundry can seem like a never-ending, enduring task but you can make the space you sort, fold, and clean more enjoyable with TCP home organization. Our storage organizers are all custom designed and installed to accommodate any space, any size washer and dryer, and any size family.

**Mudroom:** Installing a tailored solution for the garage or front door entryway, transforms chaotic storage into a personalization solution. Small Spaces: Whether you have a craft room or a vacant space, like a blank wall or a nook under the stairs, creates a well-designed organization where none existed before

**Murphy Beds:** Whether is your favorite uncle or your buddy from college crashing at your place. You don't have to offer them those impossible to inflate air mattresses anymore.

A TCP Custom Murphy Bed can transform your study, home office, game room or just about any space into an inviting sleeping area for guests.

**Wine Cellars:** Whether you just enjoy a Chardonnay or Malbec out of your wine club subscription or you are a connoisseur that like to enchants your guest about your Châteauneuf-du-Pape or Screaming Eagle collection, we manufacture custom. Wine racks and cellars to fit your available space, no matter what is inside your pantry or exclusive room or closet, we make your dreams come true.

**Media Walls:** Entertain from the comfort of your own living or rec room with a built-in entertainment center. Customized precisely to your specifications, your TV entertainment center will let you bring home all the excitement of your favorite movies, shows, or sports events without even having to get up from your couch.

**Garage:** Eliminate clutter once and for all. Whether something breaks at the house and you try to find your toolbox buried by boxes of boxes of “stuff” OR you want to work on your garage like the guys from the TV Show you watch every weekend.

No more clutter and no more parking your car in the driveway!

**Outdoor Kitchens and Cabinets:** Everyone Grills... but very few do it in style. Our expertly crafted Outdoor Kitchens are built to make a stunning statement in your backyard. We use high quality materials to make our outdoor kitchens.

**Commercial Spaces:** Beyond home organization, we also provided design options for commercial spaces to help your business function at its optimal efficiency.
