

Zanato
RELIGIOUS ARTICLES

*Religious Articles
Inspired by Faith.*

Our Story

For over twenty years, Zanato Religious Articles has been a faithful partner to our dear clients and Catholic friends.

With great gratitude, we are delighted to announce the launch of our new catalog, a true celebration of the faith that unites and inspires us.

With deep respect and admiration, we thank each and every one of you who have walked with us on this journey for so many years. It is your faith and devotion that drive us to create and continually improve our articles, so that each piece may be a sacred symbol capable of touching hearts.

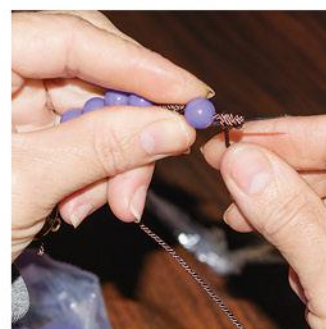

We have invested in modern machinery for the production of our religious articles, without ever forgetting the importance of each skilled hand and every collaborator. Each piece is carefully crafted with love and dedication, in order to convey the profound meaning it carries. After all, we know that a religious article is much more than an object — it is a tangible manifestation of our faith.

Our dedication goes beyond manufacturing. We are Catholics, and we understand the importance these articles have in your life. They are sources of inspiration, comfort, and hope. We know that when you hold a rosary in your hands, you find a refuge of peace and a deep connection with your faith. This is the flame that unites and guides us. Together, we will continue to spread the light of divine love, inspiring everyone through the beauty of our devotion.

We thank you for your trust and for allowing us to be part of your story.

May God bless us all!

Zanato Religious Articles Team

"United with Saint Joseph, we are
workers of Christ, striving for
justice and righteousness.
May our lives, given to work, carry
the fragrance of holiness,
faith, and love."

Saint Joseph

May your example of humility and hard
work inspire us to build a full and
virtuous life."

SIZE GUIDE | BRACELETS

Choose your bracelet size based on the circumference of your wrist.
Remember to consider whether you prefer a snug or a loose fit.

HOW TO MEASURE YOUR WRIST

1. Wrap a string around your wrist at the spot where you usually wear your bracelet.

2. Cut the string where the two ends meet.

3. Measure the string to find your wrist size.

4. Done! Now just choose the appropriate size and make your purchase!

AVAILABLE SIZES:

M

Wrists up to 19 cm

G

IMPORTANT

Sales exclusively to retailers and distributors.

Average production time for orders: 5 to 10 business days.

Minimum invoice amount: R\$ 300.00.

First purchases require 50% of the total order value in advance (bank deposit).

Payment terms via bank slip (boleto) are subject to prior analysis and approval by the company's financial department.

Due dates for bank slips are calculated from the invoice issue date.

Exchanges: accepted only in cases of manufacturing defects and must be requested within 90 days after shipment.

Complaints regarding orders will only be accepted within 72 hours after receipt.

The type of transportation will be indicated and paid by the customer (FOB).

Care Instructions for Greater Durability

- Store in a dry place.
- Do not expose to direct light or high temperatures for long periods.
- Avoid contact with moisture, alcohol, and cleaning products, as the item may be damaged.
- Items are not resistant to falls.

Notes

- Metal pieces are not precious metals or plated items. They feature a surface coating in gold, silver, antique gold, antique silver, nickel, or onyx colors.
- Items described as pearl or crystal are imitation materials.
- The wood used in the products is certified in accordance with current legislation.
- Photographs in this catalog are for illustrative purposes only; actual products may vary in color, shape, and tone.
- Minor changes to products may be made without prior notice.
- Products have a minimum order quantity, as indicated in the catalog. This quantity corresponds to the amount contained in a sealed package. Therefore, orders must be placed in multiples of the minimum quantity.

Example: If the minimum is 3 units, quantities must be 3, 6, 9, 12, 15, and so on.

Customer Service

Business hours: Monday to Friday, from 7:30 a.m. to 6:00 p.m.

We do not operate on Saturdays.
