

POST GENERAL ASSEMBLY NOTICE 2021

FROM THE DESK OF THE CHIEF OVERSEER

Again I say unto you, that if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven. Matthew 18:19 For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether *they be* thrones, or dominions, or principalities, or powers: all things were created by him, and for him. Colossians 1:16

To the Saints of the Most-High God, Thank you! The 2021 General Assembly was Rewarding, Exciting, and a Spiritual Success! I do honor our Lord and Savior Jesus Christ, All Chief Helpers, Bishops, Elders from the least to the greatest, All Ministers, Deacons, Members, Young Adults and Youth. God is love; and he that dwelleth in love dwelleth in God, and God in him. What is impossible with men is possible with God.

As we reflect, we remember the 5th Administrator, the late Chief Overseer, Bishop Dr. Rebecca W. Fletcher and the previous administrations of our great church. Without their sacrifices of love, our great church would not be where it is today. During the 2021 General Assembly, we did our best to embody the theme: "Honoring the Past, Embracing the Future."

I am grateful to God that after almost two years, the doors of our church are open! May God ever bless you for your prayers, sacrifices, love, patience and kindness shown during this trying time in our Church's history. I truly appreciate your steadfastness. God protected our church through dangers seen and unseen and the Saints of our church were diligent, prayerful and faithful during the COVID-19 pandemic. Our hearts are heavy with much sadness as we continue to comfort the families of those who lost loved ones. I encourage us to do two things as we press forward **1.** let us unite in love wholeheartedly so that the church will be blessed through our prayers and **2.** let us work together evangelizing and filling God's house so that we will be found working and ready when Jesus returns.

Please continue to pray for your Chief Overseer, family and staff as we continue to build on the foundation that was laid by the Founder, Mother Mary L. Tate. Let us pray for the sick to recover and for the name of Jesus (along with His church) to be established throughout the world.

In Service for the Master,

Bishop Clary K. Butler, Sr.
Chief Overseer

HEALTH AND SAFETY PROTOCOL

(July 2021)

If you gather with anyone in a congregational setting, you are encouraged to follow the guidelines distributed by the headquarters staff, which follows the guidelines of the Centers for Disease Control (CDC). Because the risk of being exposed to COVID-19 remains high every time a person is in a gathering or close contact with other people, everyone is encouraged to become fully vaccinated (please consult your physician for more information). If you are not fully vaccinated, you should get tested after each risk of exposure. If you are certain of an exposure to COVID-19, it is necessary for you to contact your physician and quarantine for the recommended period (according to our church and CDC guidelines).

Out of an abundance of caution, the following protocol and recommendations have been prayed about, carefully considered, researched and approved by our Supreme Executive Council:

1. Each Diocese Bishop (or Presiding Prelate) must decide if his or her Sunday Bible School (SBS) Convention and/or State Assembly will be held:
 - a. Virtually
 - b. In accordance with the 2021 Church Reopening Health and Safety Protocol (see below for details)
 - c. In accordance with the 2021 General Assembly Health and Safety Protocol (see below for details) or
 - d. Postponed
2. Until further notice, because **House of God Church SBS Conventions** are primarily for our youth (and guests) and because the United States federal government has yet to approve COVID-19 vaccines for children under the age of twelve (12); a maximum of two (2) days are permitted per Sunday Bible School Convention for in-person gatherings. A SBS Convention may convene for the traditional 3 days if 1, 2 or all 3 days are virtual.
3. Until further notice, because **House of God Church State Assemblies** are traditionally gatherings where guests (with unknown health statuses) from local communities may attend and because the United States federal government has yet to approve COVID-19 vaccines for children under the age of twelve (12); a maximum of two (2) days (per week) are permitted for a State Assembly if unvaccinated people are invited. Officials planning State Assemblies are encouraged to follow the 2021 General Assembly Health and Safety Protocol below (and only invite fully vaccinated people to attend).

4. A State Assembly may convene for more than 2 days in a week if only 2 days are indoor (in-person) services and the remaining days are virtual.
5. If a Sunday Bible School Convention and/or State Assembly is held virtually, assessments and reports are still to be submitted. Unless otherwise notified by Headquarters or the Branch Office, the Bishop and Diocese Officials shall decide how to best carryout the spiritual and logistical responsibilities of each gathering.
6. If a virtual Sunday Bible School Convention or State Assembly is held, utilize every appropriate and reasonable measure to ensure the Gospel of Jesus Christ is shared with the general public in a spirit of excellence. Excellence honors God and inspires people. If you have any questions regarding the steps to effectively conduct a virtual assembly, please contact the Branch Office at your earliest convenience.
7. Once a decision is made regarding the status of your convention or state assembly, please notify the Branch Office or Headquarters by email so that national calendars can be updated, and the Chief Overseer can be notified.
8. If a Bishop or Presiding Prelate (along with diocese officials) decide to reschedule a convention or assembly, please notify the Branch Office by email prior to promotion. All diocese assembly and convention dates should be coordinated with the Branch Office prior to promotion.
9. The Supreme Executive Council has approved an increase for regular weekly in-person gatherings from 2 ½ hours to 3 ½ hours. Additionally, this service time allowance/limitation applies to all gatherings where unvaccinated people are in attendance.
10. There should be no indoor dining/feeding at House of God facilities due to safety concerns related to COVID-19 unless all people in the facility are fully vaccinated and are following the 2021 General Assembly Health and Safety Protocol. If everyone is not fully vaccinated and following the 2021 General Assembly Health and Safety Protocol, food should be distributed outdoors in to-go containers whenever feeding is necessary.

2021 CHURCH REOPENING HEALTH AND SAFETY PROTOCOL

In collaboration and guidance with Federal, State and Local Government Officials:

1. Masks shall be mandatory while on the church premises, to be worn by everyone in or outside the building, except when using a microphone
2. Face masks shall be provided (if necessary) to anyone that attends
3. Fellowship and/or gatherings beyond the standard worship service shall not be permitted
4. Microphones must be sanitized between users
5. Buildings must be sanitized before the reopening and between every service
6. Temperature checks must be performed on everyone entering the facility
7. Attendees must submit daily contact tracing forms
8. Indoor attendance shall be limited to 50% of the building capacity. Outdoor attendance is unrestricted
9. Indoor and outdoor gatherings limited to 3 ½ hours total per week*
10. Attendees should wash their hands, practice 3-6 feet of social distancing*
11. Hand sanitization spaces must be provided throughout the facility
12. Indoor dining or food distribution at HOGC facilities is prohibited*

*Updated

RECOMMENDATIONS:

In addition to the protocol above, it is strongly encouraged that everyone (after consulting your physician) get vaccinated, minimize travel, work from home (whenever possible), get a COVID-19 test and take every necessary precaution to ensure the health and safety of everyone. COVID tests and vaccinations are offered (for free) in your state by contacting your doctor or local health official. Additional safety measures may be necessary depending on location.

2021 VIRTUAL ASSEMBLY/CONVENTION HEALTH AND SAFETY PROTOCOL

In collaboration and guidance with Federal, State and Local Government Officials:

1. Masks shall be mandatory while on the church premises, to be worn by everyone in or outside the building, except when using a microphone
2. Face masks shall be provided (if necessary) to anyone that attends
3. Only 15 people (including program participants, musicians and technical staff) permitted in the sanctuary at a time
4. Microphones must be sanitized between users
5. Buildings must be sanitized before the gathering
6. Temperature checks must be performed on everyone entering the facility
7. Attendees must submit daily contact tracing forms
8. Outdoor virtual attendance is unrestricted*
9. Indoor and outdoor gatherings limited to 3 ½ hours total per week*
10. Attendees should wash their hands, practice 3-6 feet of social distancing*
11. Hand sanitization spaces must be provided throughout the facility
12. Indoor dining or food distribution at HOGC facilities is prohibited*

*Updated

RECOMMENDATIONS:

In addition to the protocol above, it is strongly encouraged that everyone (after consulting your physician) get vaccinated, minimize travel, work from home (whenever possible), get a COVID-19 test and take every necessary precaution to ensure the health and safety of everyone. COVID tests and vaccinations are offered (for free) in your state by contacting your doctor or local health official. Additional safety measures may be necessary depending on location.

2021 GENERAL ASSEMBLY HEALTH AND SAFETY PROTOCOL

In collaboration and guidance with Federal, State and Local Government Officials:

1. Pre-Registration of all attendees is required
2. All attendees must be fully vaccinated
3. Face masks shall be provided and recommended to anyone that attends
4. Microphones must be sanitized between users
5. Buildings must be sanitized before the reopening and between every service
6. Temperature checks must be performed on everyone entering the facility
7. Attendees must submit daily contact tracing forms
8. Attendees should wash their hands, practice approximately 3 feet of social distancing
9. Hand sanitization spaces must be provided throughout the facility

RECOMMENDATIONS:

In addition to the protocol above, it is strongly encouraged that everyone (after consulting your physician) get a COVID-19 test and take every necessary precaution to ensure the health and safety of everyone. COVID tests are offered (for free) in your state by contacting your doctor or local health official.
