THE CAT TABBY IS WAITING FOR THE REFEREE LION LEONIDAS, WHO WILL COME FROM THE UNDERGROUND CITY. RABBIT PONÇIK IS PREPARING THE TRACK. AT THAT MOMENT, A VOICE COMES FROM THE SKY.

SUDDENLY, THEY SEE THAT THE FLYING SHIP OF THE BAOBAB CLOUD CITY, THE APPA, LANDS IN THE FOREST. ALL THE FOREST PUBLIC GATHER AT THE PLACE WHERE THE SHIP LANDED.

**THEN THE SHIP'S DOOR OPENS. THE

THEN THEY GATHER ON THE TRACK. THE PLAYERS START TO MEET.

THEY LOOK SURPRISINGLY SIMILAR TO EACH OTHER. AFTER MEETING, THEY SIT AT THE DINNER TABLE. THE DOG CINNAMON AND THE PIG PUMBA ARE SERVING THE MEALS FOR THE GUESTS.

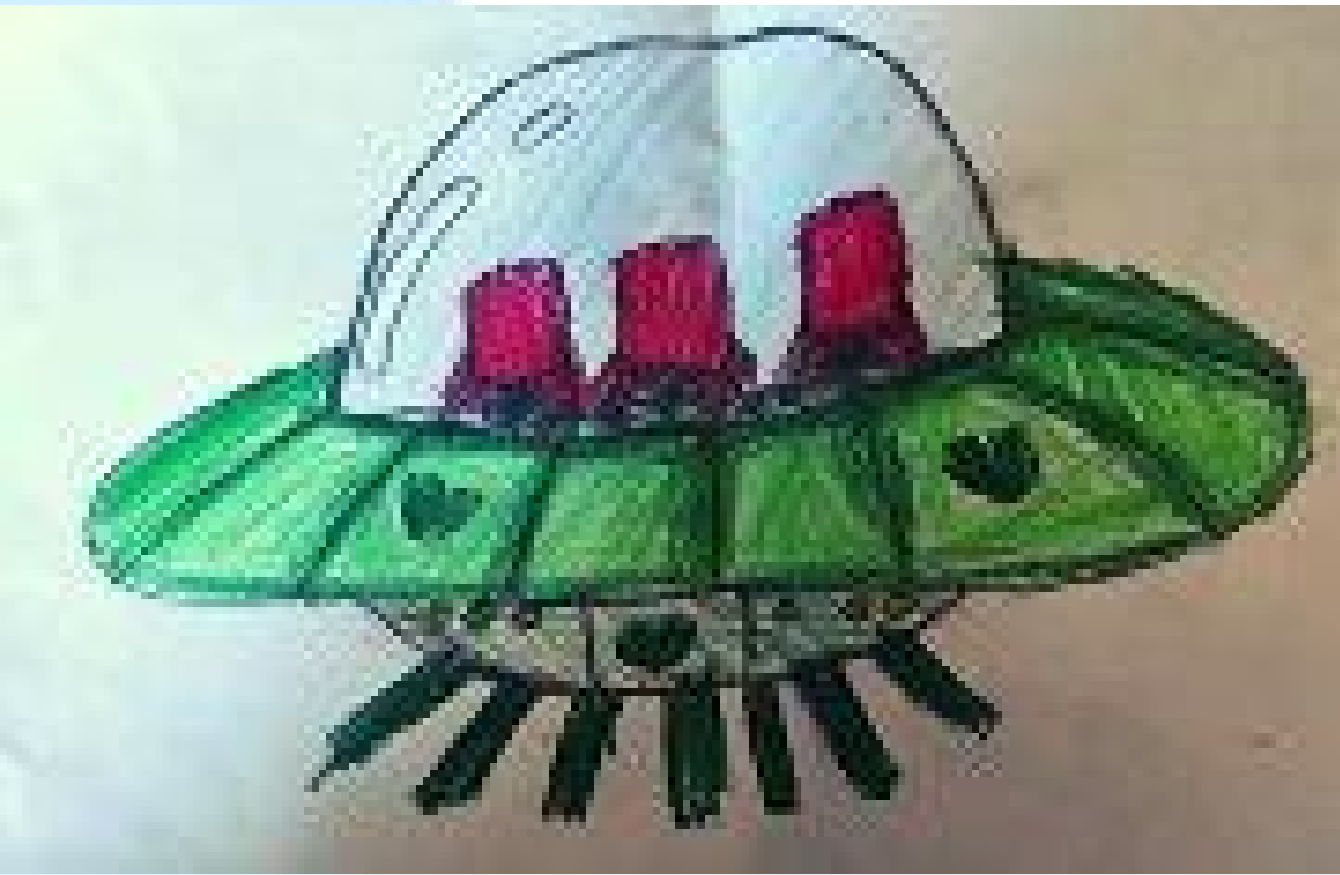

THE HORSE PEARL IS PLAYING THE GUITAR AND THE CAT TABBY IS PLAYING THE PIAONA FOR THEM NEAR THE DINNER TABLE.

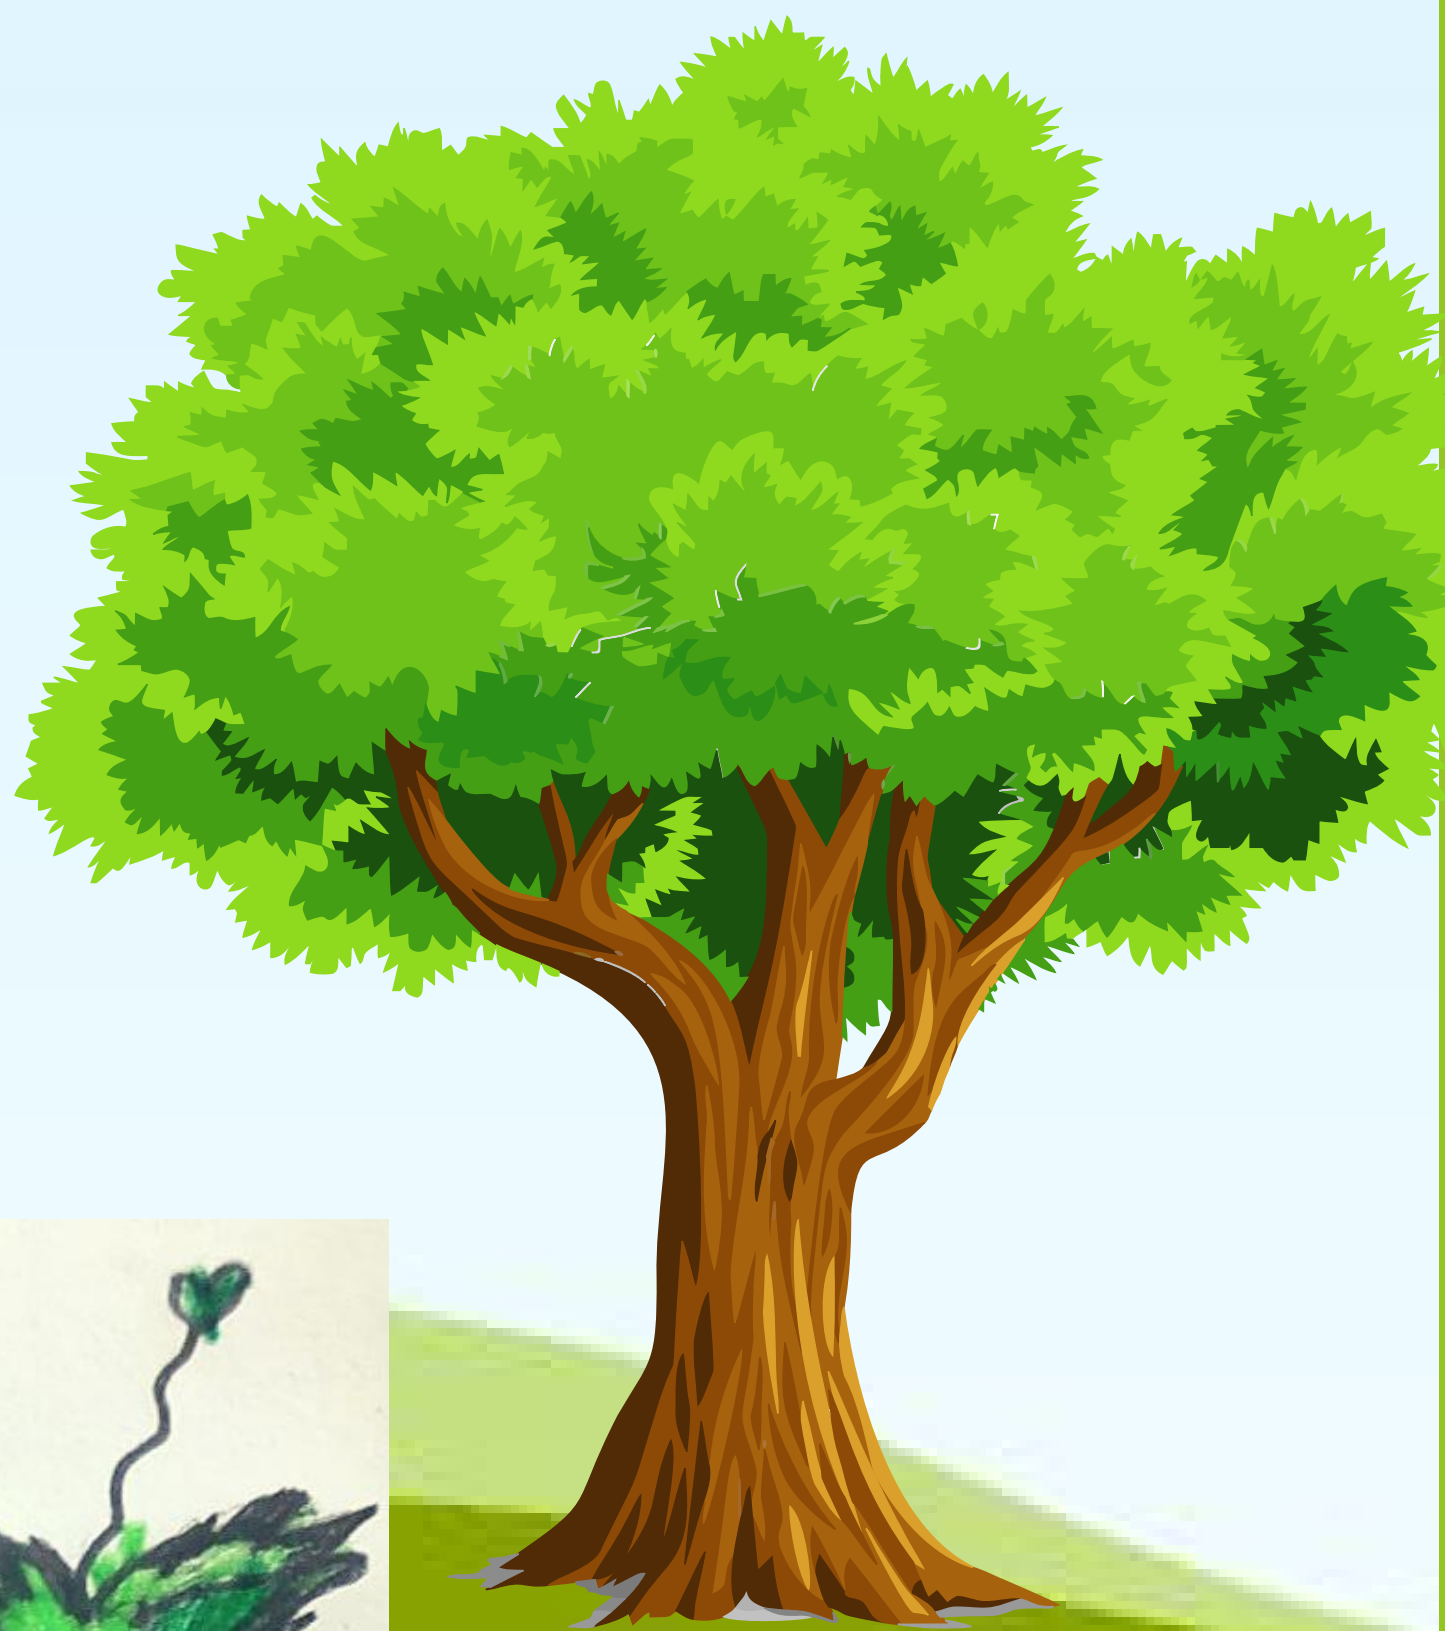

THE PUBLIC OF THE CITY OF BAOBOB AND CLOUD ARE DANCING WITH THE RHYTHM OF THE MUSIC AND SINGING THE SONG.

Suddenly , the sky shines and a shiny space ship is seen on the sky. This shiny space ship lands on the forest near their dinner table.Oh my god ! The shiny space ship's door open and two alien cats and one alien dog get off the space ship.The alien cats and the dog looked completely different! The music stopped and the people looked scared.

They were light green and each one had three bright red eyes !.The aliens triend to communicate though long wavy antennae .They said somethink like: " zppphhrrrsszz"

What does it mean?" everybody asked.
Cinnamon dog barked I can understand! They
are saying "don't be afraid!" we can be good
friends.

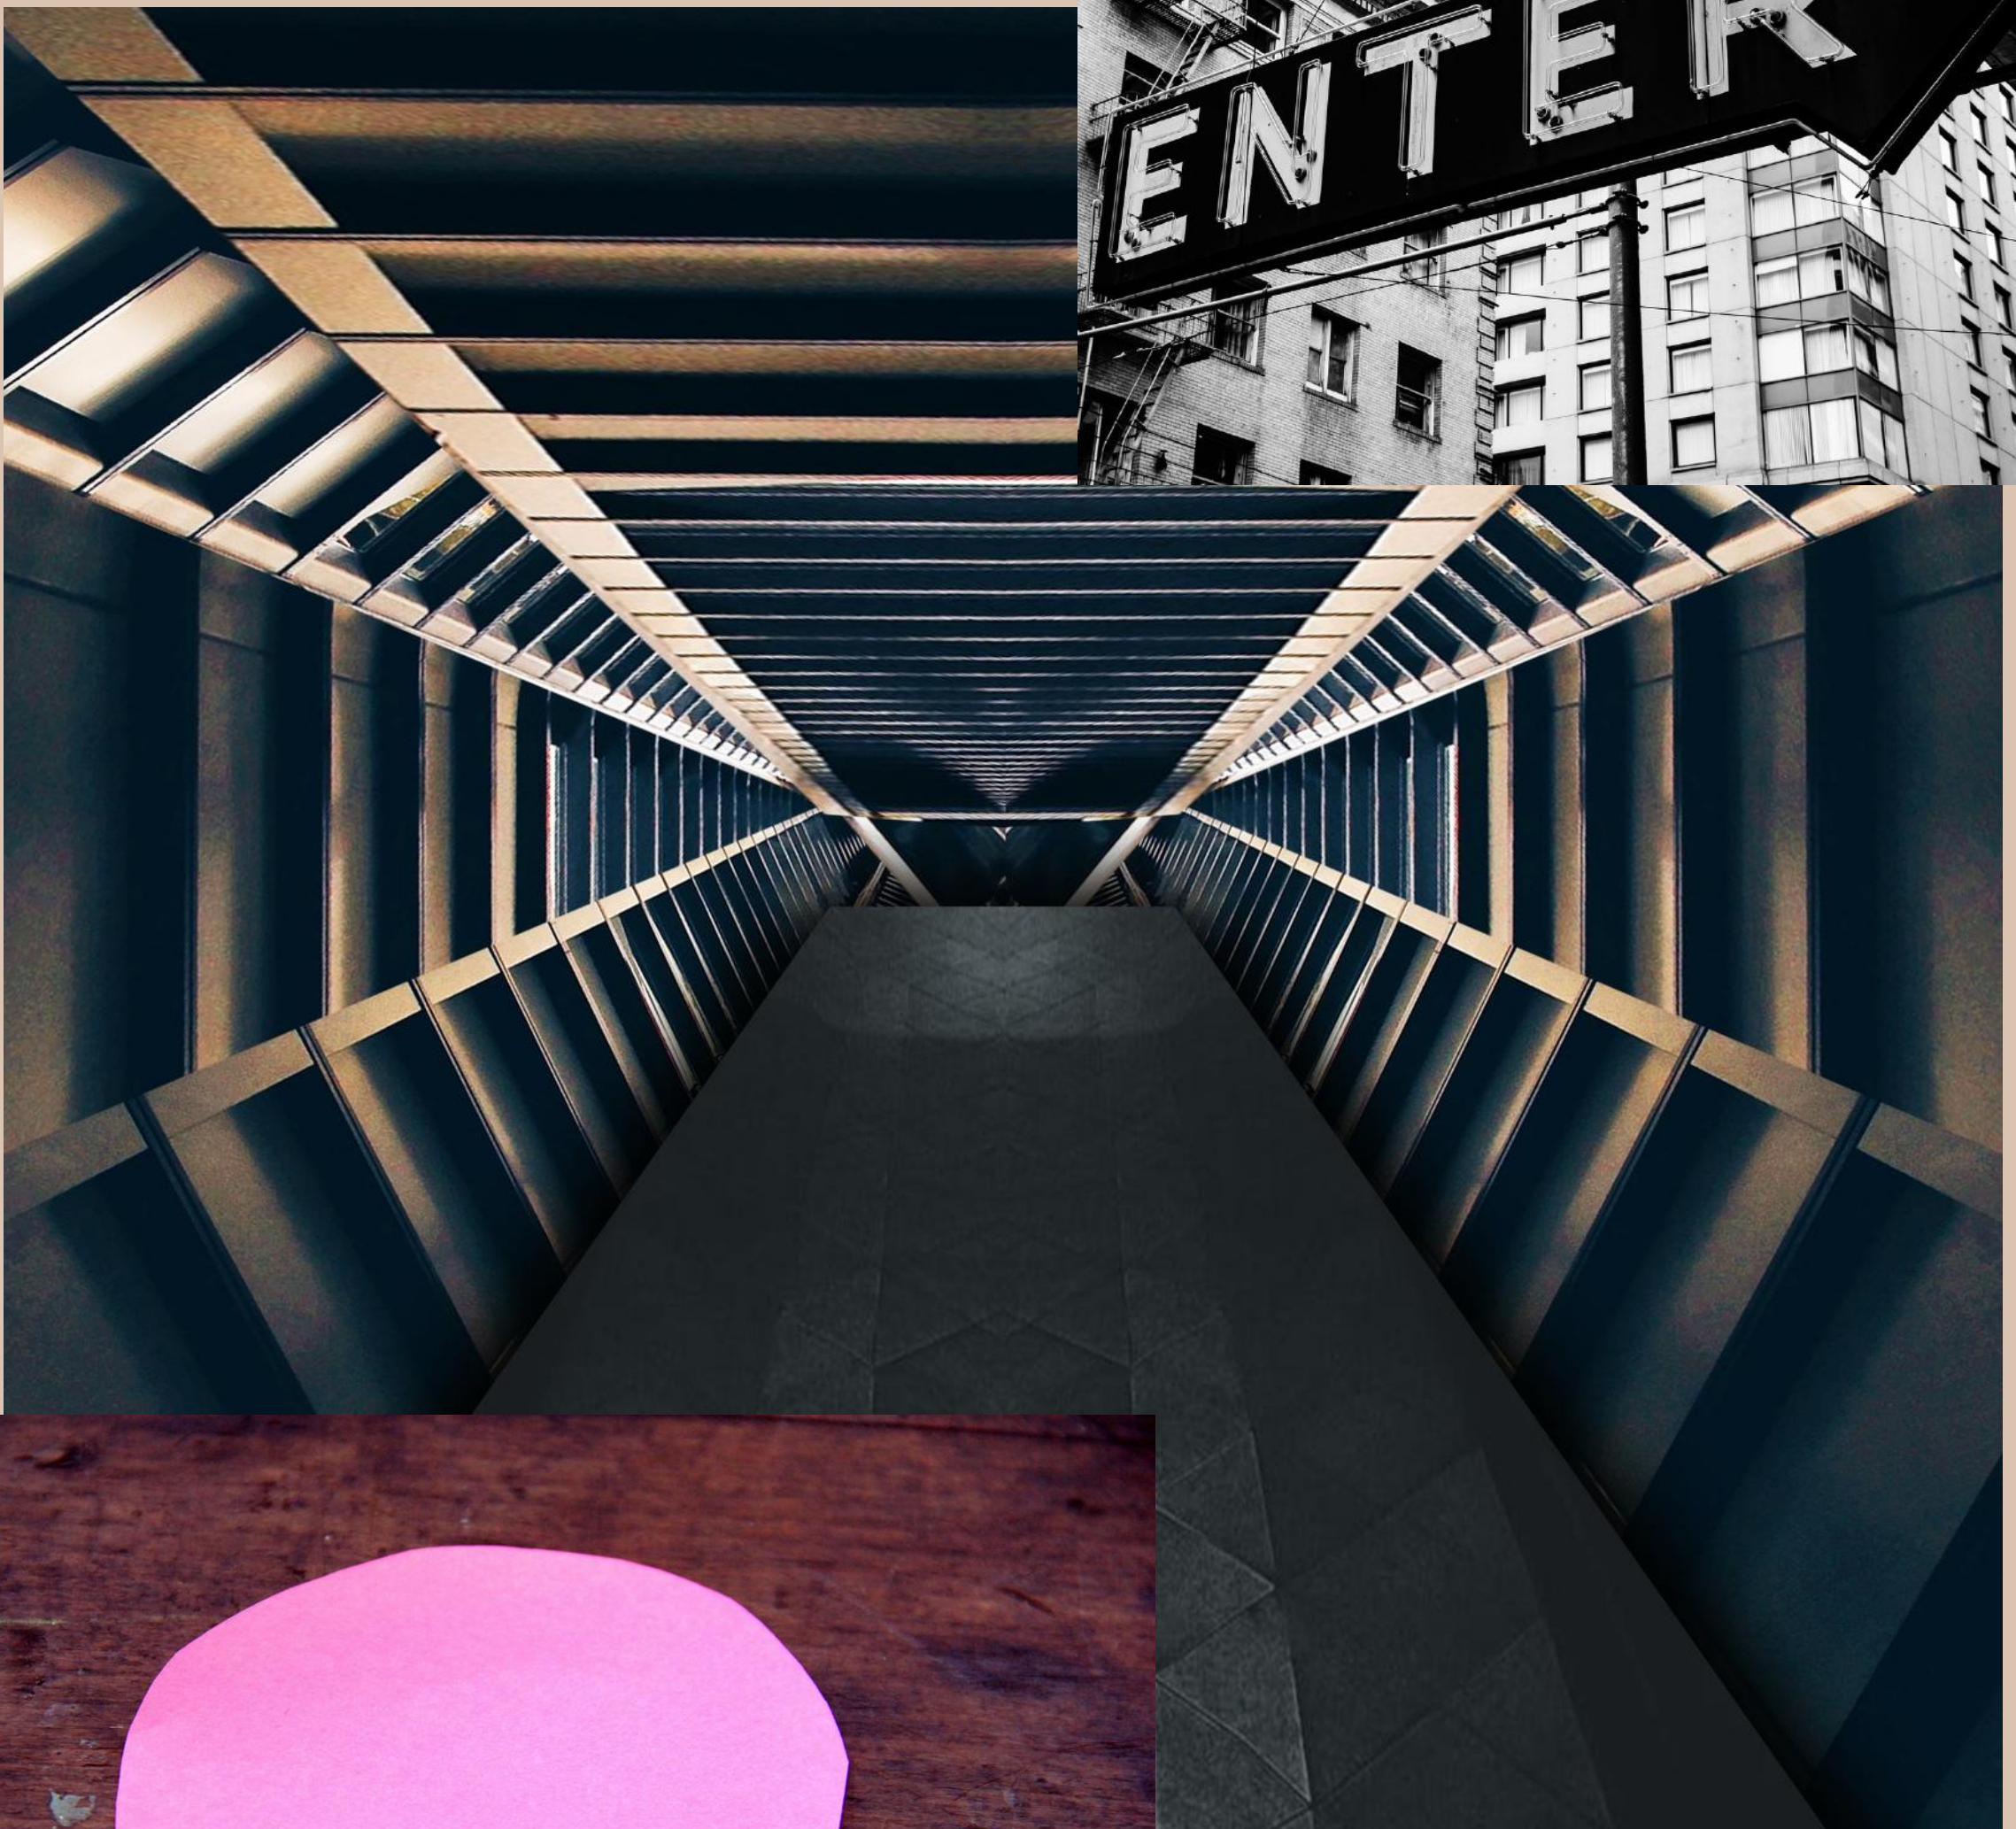

**Cinamon is the first that moves
towards the aliens and the rest
follows him**

THEN, THE ALIEN CAT SAID "ZHZZJAATTJ" AND MADE A SIGN INVITING THE OTHERS TO FOLLOW HIM INTO THE SPACESHIP

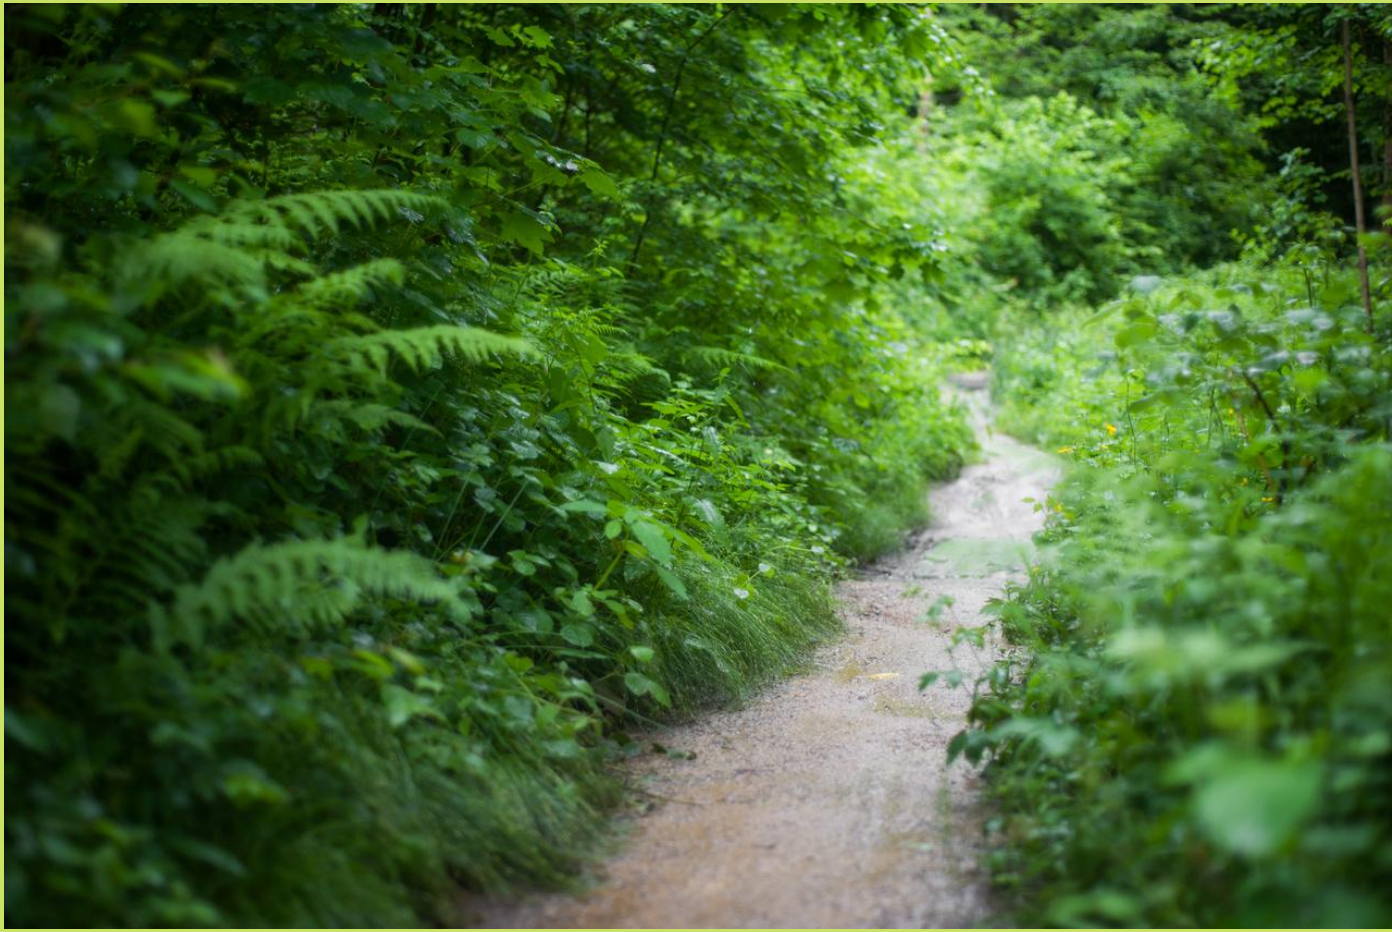

When they entered the spaceship, they were scared because they didn't know what could happen. After a long trip, they landed on a new planet. It was the planet of the alien cat and the alien dogs!

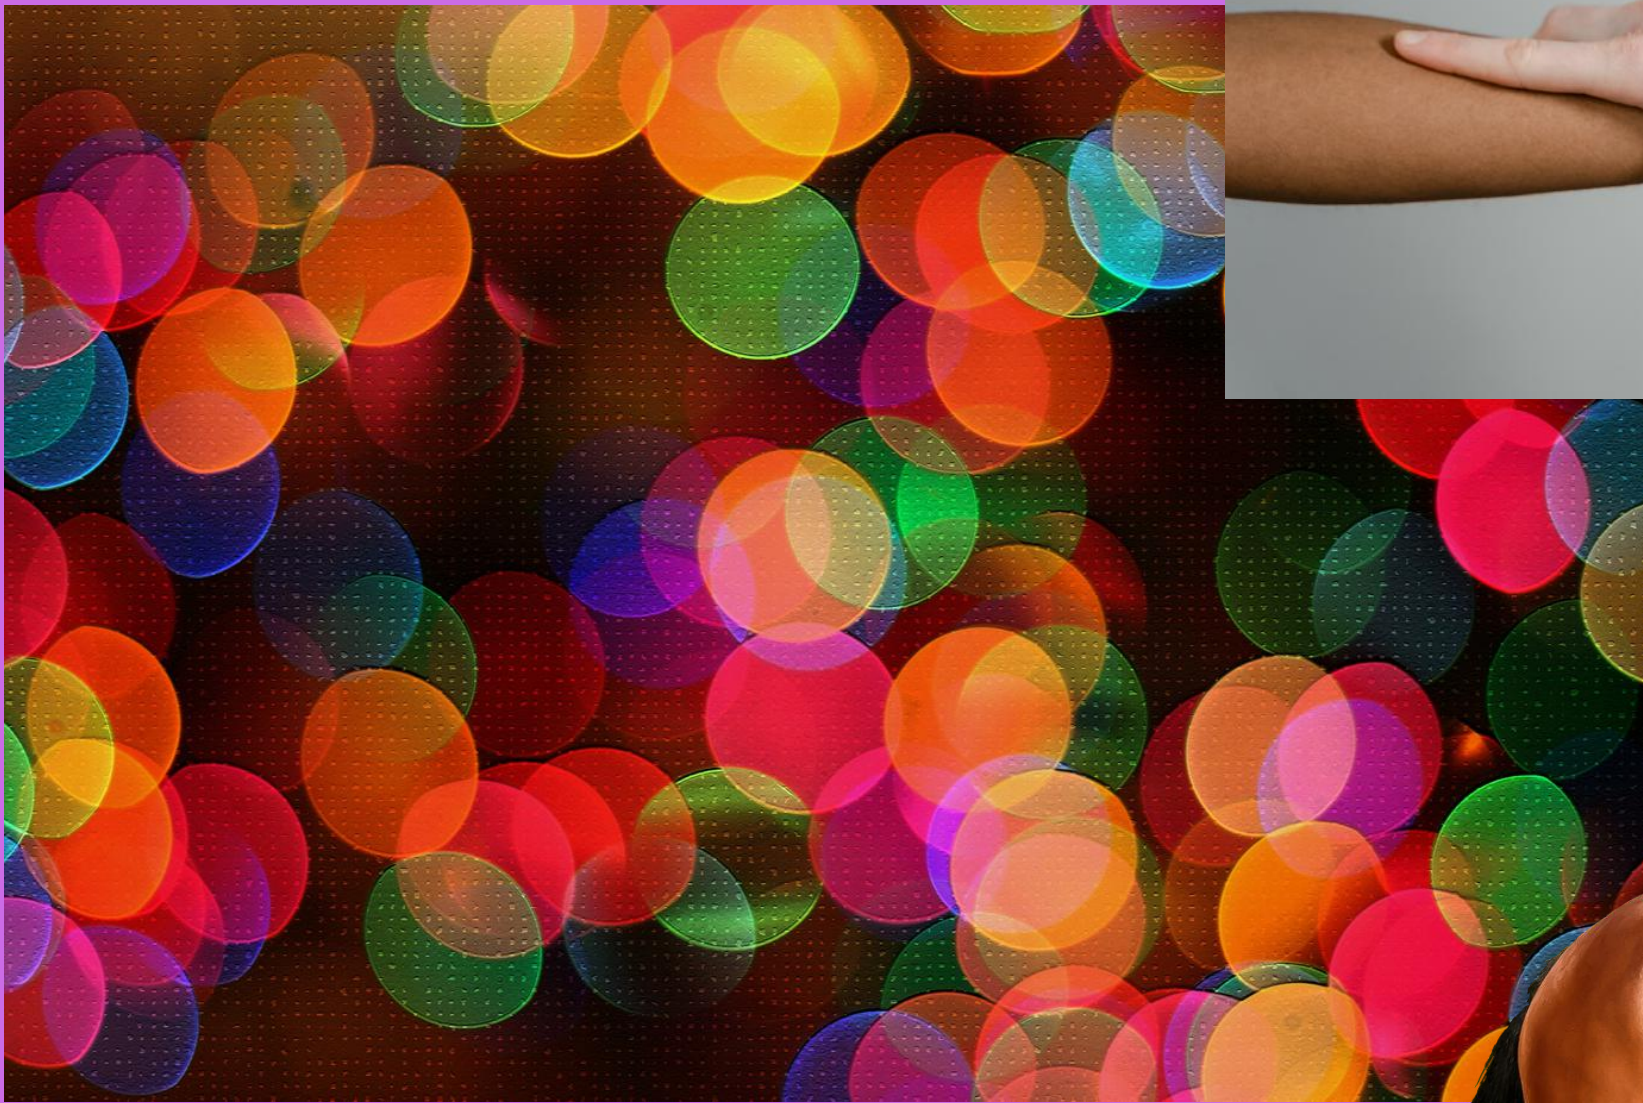

***THE ALLIENS TOLD
CINNAMON, PUMBA AND
THE OTHERS THAT THEIR
PLANET WAS CALLED
"GREEN HEART". IT'S
THE PLANET WHERE
EVERYTHING WAS GREEN
(JUST LIKE THEY WERE).
THE CITIZENS WERE ALL
GREEN, FULL OF JOY AND
LOVE***

WHEN THE ANIMALS LEFT
THE SPACESHIP, THEY
REALIZED THE ALIENS HAD
PREPARED A NEW AND
BETTER TRACK WITH BETTER
QUALITY OF THE TERRAIN.
THEY ALSO HAD A LOT OF
FOOD THAT THEY DIDN'T
KNOW THAT EXISTED

They took them to a party and they all danced. Pearl, the horse, danced with the alien horse. They were all having fun and suddenly they realised they didn't care that the aliens were different from them. After the party, the aliens carried the animals. After the party, the aliens carried the animals back to Earth

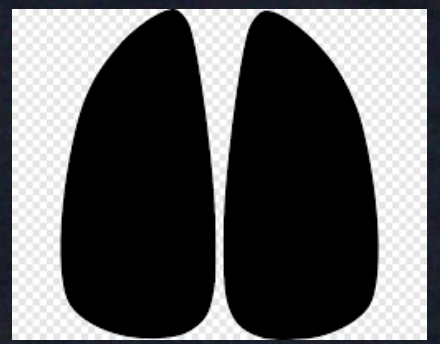

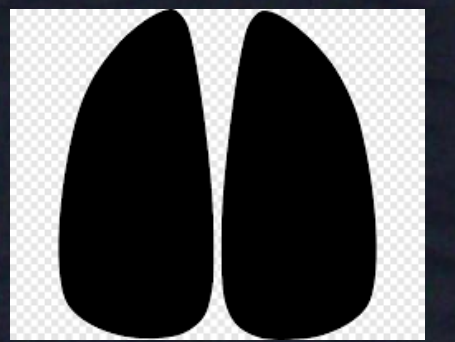

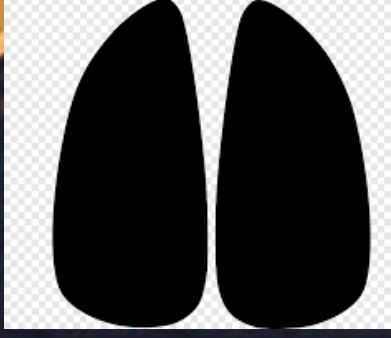

However, they suddenly noticed that forgot to take the pig into the spaceship. It was still in the alinens' planet! What a shocking news!

The other animals were afraid and the cat started to cry. It said “It is just a small pig. What is it doing there? Where can it go? Is it okay? What should we do now?”

They all decided to go back to the aliens' planet to find their friend. This planet was a vast desert so it was difficult to find the little pig. The dog Cinnamon wanted the alien dog to help them. The alien dog accepted it and began to look around together.

After a while, they went to different places and were still afraid. The dog Cinnamon was trying to follow the pig's footprints. It was excited when it noticed that. It said "Follow me! Follow me! I guess I find our friend!" The other animals were happy and started to follow the dog Cinnamon quickly.

They found some food on the way. They thought it could not be far away from here. They saw a house there and the dog Cinnamon said “Let’s knock the door and ask our friends, my buddies!” The animals walked faster to reach to their leader, Cinnamon.

When they arrived, they were very excited. They hoped to find their friends and the dog Cinnamon knocked the door immediately.

The green alien opened the door and said “Who are you looking for?”

The dog Cinnamon explained situation and described the little pig. The alien said "It is not here. I don't know this animal and I didn't see it before." Then, the little pig appeared and run into its friend. It said "Help me! Help me! This alien caught me and I want to be with you. Save me!" The alien closed the door quickly. The other animals tried to enter the house and catch and take their little friend. It was difficult to protect it from this dangerous alien. However, they succeeded it and took their friend and hugged with happiness.

The Cinnamon thanked the alien dog for its help. Then they turned back to the Earth.

They had best alien friends anymore. They visited each other every day, week, month and year anymore.
