Kids, Country & the County Fair

Adventures in Agriculture –

“Kids, Country & the County Fair...” is the theme of the **95th Putnam County Agricultural & Industrial Fair** and the third installment of **Adventures in Agriculture**. Bringing agriculture to the community is the rich heritage of the Putnam County Fair. Creating an event & opportunity for farm families to come together in the fall of each year, neighbor meeting neighbor, is how it all started in 1856 with the first Putnam County Fair.

There is so much to celebrate in Tennessee agriculture each year – culinary & domestic arts, animals, crops, gardening products, poultry, horses & livestock – the best the state has to offer & all at the Putnam County Fair. It’s a wonderful display for kids & adults to see & learn about agriculture in Tennessee.

Children & youth are the primary audience of the county fair. They bring their parents, aunts, uncles, & grandparents with them to see and do all the fair has to offer. In that process, they develop lifetime memories which keep them involved and keep the fair alive & thriving.

This year we recognize 15 young men & women who are involved in agriculture or family and consumer education. We will create an exhibit about these young people in the Cultural Arts Building, & award each of them \$250. Additionally they will be recognized in the media and be available in the exhibit during the fair for you to meet ... stop by and say hello to them.

From Grand Ma’s Barnyard, the Big Barn, the Chicken House to the Animal of the Day, to the antique farm equipment display, the antique tractor exhibition, horse shows, hog, sheep, goats and dairy shows – the cultural arts building, gardening and field crops, youth and adults competing for over \$100,000 in premiums. There are 6 nights of motorsports, a rodeo, roping & riding events, Fairest of the Fair pageants, Corn Hole tournaments & much, much more.

**Come join us for the 95th Putnam County Fair and be a part of
“Kids, Country & the County Fair...” July 29 – August 7, 2021.**

“Kids, Country & the County Fair...” is a multifaceted, inter-active series of exhibits throughout the fairgrounds & a partnership effort between the Putnam County Fair, Schools of Agriculture & Human Ecology at Tennessee Tech, UT Putnam County Extension Service, the Department of Plant Sciences at UT Institute of Agriculture, Putnam County Farm Bureau, Putnam County Master Gardeners & Putnam County Antique Tractor Association.

1. It is expected that all exhibitors will bring only healthy animals to fairs and exhibitions. Although state and federal animal health officials will be performing some inspections, **fair officials are responsible** for ensuring that all animals entering fairs for exhibition are in overall good health and are accompanied by a Certificate of Veterinary Inspection. Animals showing clinical signs of contagious disease should be sent home immediately. Violations should be reported to the state veterinarian or his agent.

As part of increased awareness and surveillance for Avian Influenza and other poultry diseases, all bird's physical appearance should be assessed at the time testing is conducted.
3. Health certificates issued in satisfaction of these Tennessee Fair Regulations shall be good for **90 days** for Tennessee livestock only.
4. Please note exhibition requirements for out-of-state livestock are same as regular import requirements.
5. **Warts and ringworm are considered contagious and infectious diseases and are permissible exclusions only if considered inactive by the issuing veterinarian and noted as such on the Certificate of Veterinary Inspection.**
6. **Scabies, contagious ecthyma (soremouth), footrot, cutaneous fungal and bacterial infections (i.e. club lamb disease, caseous lymphadenitis) are considered contagious and infectious diseases, and are permissible exclusions only if considered inactive by the issuing veterinarian and noted as such on the Certificate of Veterinary Inspection.**
7. **Avian Influenza – All out-of-state poultry must originate directly from a Pullorum-Typhoid Clean Flock and a H5/H7 Avian Influenza Clean Flock, or be accompanied by evidence of a negative Pullorum-Typhoid test within ninety (90) days and a negative official Avian Influenza test within twenty-one (21) days.**

Also, please note that if highly pathogenic Avian Influenza is detected in Tennessee or a neighboring state, the commingling of poultry at fairs and exhibitions may be suspended.

Fair Biosecurity

Below is a summary of recommendations for fair management by the National Assembly of State Animal Health Officials and the National Association of State Public Health Veterinarians to better protect fair attendees from disease:

- Provide easy access to hand washing stations.
- Post informational signage that includes the following messages:
 - No eating or drinking in the animal areas.
 - Wash hands frequently.
 - No pacifiers, sipping cups or strollers in the animal exhibition areas.
- Discourage sleeping in the animal exhibition areas.
- If human or swine influenza-like-illness is associated with the exhibition, animal health and public health officials should be notified immediately.
- People who have influenza-like illness should leave the exhibition immediately and seek medical care. They should advise their health care provider about their fair attendance.
- People at high risk for developing severe complications from influenza should limit exposure.

Also, be aware of the potential exposure of attendees to E. coli 0157 from animals exhibited on grounds. Please retain this material for reference during the 2021 fair season.

The Putnam Master Gardeners is a volunteer organization designed to serve the public with quality horticulture information through educational programs, outreach, and demonstrations. They are devoted volunteers who work under the direction of the University of Tennessee & their local UT Extension Office to develop community horticulture programs.

This year we have assisted with the Tennessee Environmental Council Tree Distribution, given talks & demonstrations to clubs & school groups, maintained the Farmer's Market Garden, designed & maintained the Extension Office demonstration gardens and maintained the Depot Museum flowers. We offer 40 hours of classes beginning in January that would interest all levels of gardeners. Everyone is welcome to sign up.

We are especially looking forward to the last Putnam County Fair at its current location. Please come by our booth located near the Fair Office, under the big tent. We will be there to meet you, answer your plant questions, and give demonstrations. [See you at the fair!](#)

of Cookeville

WELCOME TO THE FAIR!

Ford Lincoln of Cookeville is honored to be a primary sponsor of the Putnam County Fair. We are committed to invest in our community, and we are thankful for an in-person event again this year! The Putnam County Fair is a partnership we have valued for years, and we celebrate the rich heritage this event has. We appreciate the fair board, and the efforts of all who make this event a great success year in and year out. We know that this event brings people together, and it creates memory-making moments for families.

At Ford Lincoln of Cookeville, we value family, and we take pride in taking care of all who encounter our team LIKE family. We also value excellence, and we're proud to have once again received recognition this year as one of the nation's top Ford dealerships. For the third year straight, we earned the One Ford Elite award. This award signifies our position in the upper echelon of Ford dealers across the United States in multiple categories. We also are proud to have received Ford Motor Company's President's Award for the FIFTH year running. These awards are hard to come by, and they require integrity and discipline.

We are so thankful for our team who exercises excellence daily. More importantly, though, we are blessed to live in a supportive community. We thank each customer who has allowed us the opportunity to care for them. From sales, to service, to parts, we want to provide you with an incredible experience.

We hope you and your family have a wonderful time at the fair, and we look forward to seeing you at our dealership soon. Stop by anytime to see for yourself why we're an award winning team.
