B.C.'s complete field trip resource*

YMCA Camp Elphinstone offers the best of the great outdoors

With fresh air, open skies and a diverse ecosystem, the Pacific Northwest is an ideal environment for exploration and discovery. That's why the YMCA transforms their summer overnight camp, YMCA Camp Elphinstone, to an outdoor learning haven for children and youth during the school year.

Located on the beautiful Sunshine Coast of B.C., two kilometres north of the Langdale ferry terminal and just a 40-minute ferry ride from Horseshoe Bay in West Vancouver, YMCA Camp Elphinstone boasts more than 140 acres of oceanfront property, lush rainforest and quiet creeks. It's no wonder they've been providing unique outdoor experiences to kids since 1907.

Their outdoor education programs are designed to get kids active and learning outside. Through meaningful, experiential learning, YMCA staff facilitate a wide variety of hands-on activities and students are challenged outside the traditional classroom. Programming is carefully planned to provide quality learning opportunities and is designed to meet provincial prescribed learning outcomes.

Y staff work with educators to ensure that programming is developmentally appropriate and schedules are planned to achieve group goals. Some examples of the most popular types of programming, favoured by educators, include: marine beach study, discovery hike or

voyageur canoeing. And of course, kids can't get enough of their climbing wall, archery ranges, and camp fires!

Y staff are also able to play a hands-off role should educators wish to take the lead in facilitating learning experiences (certain activities require Y staff due to safety). The Y boasts an impressive staff team, with highly trained leaders, with expertise in areas such as wildlife safety and healthy child development.

YMCA Camp Elphinstone is able to accommodate up to 450 participants and offers two types of accommodation – lodges and cabins – all of which offer electricity and heat. Lodges feature private washrooms, cozy lounges, mini kitchenettes and lockers to secure belongings. Cabins have washrooms and showers nearby in a separate building.

The Y makes sure kids are full with healthy and nutritious meals during their stay, serving appetizing, kid-friendly meals served family or buffet style. They are able to accommodate most dietary needs, including vegetarian, vegan, lactose or gluten intolerant, diabetic and celiac at no additional cost. Single meals are available for day-use only groups.

Prices range depending on the type of accommodation and time of year – low season rates are offered November through April. Since the YMCA is a charity, they also offer financial assistance made possible through fundraising efforts in the community, to ensure that all kids get a chance to experience learning in the great outdoors. They also have a slew of recommendations on ways for groups to fundraise their trip.

Spaces book quickly, so inquire early to secure dates and get a customized quote. To learn more, contact 604-886-2025, camp.elphinstone@bc.ymca.ca or visit their website (gv.ymca.ca/outdoor-education).

An outdoor education experience like no other

Located on the beautiful Sunshine Coast of BC, YMCA Camp Elphinstone is just two kilometres north of the Langdale ferry terminal on the shores of Howe Sound and a 40-minute ferry ride from Horseshoe Bay in West Vancouver. With 144 acres of oceanfront property, lush rainforest and quiet creeks, YMCA Camp Elphinstone has been offering outdoor experiences for children and youth to learn, grow and explore since 1907.

PROGRAMMING *Quality learning outdoors*

Programming is carefully planned to provide quality learning opportunities and meet learning outcomes. Highly skilled and trained staff are available to deliver or support programming.

Structured activities: cover specific content through activities like our discovery hike or marine beach study that teach about the ecosystem or marine wildlife.

Skill development: develop skills in archery or orienteering, or participate in activities like high ropes or voyager canoeing that develop leadership and encourage communication.

Physical activity: we get kids moving through court sports, kayaking, wall climbing and much more.

ACCOMMODATION *Cozy lodges and rustic cabins*

Our facilities accommodate up to 450 participants. Our two types of accommodation – cabins and lodges – are heated and have electricity.

Lodges: Each lodge sleeps 32 people in eight bedrooms, and features four private washrooms with showers. Lodges also boast a cozy lounge area with fireplace, fridge, microwave, coffeemaker and lockers to secure personal belongings.

Cabins: Each cabin sleeps 12 people. Washrooms and showers are located close by in a separate building.

MEALS *Delicious and nutritious cuisine*

Our large dining hall serves tasty meals in family or buffet style, and includes endless salad and fruit bars. Coffee, tea, water and fruit are available 24 hours a day. Single meals are also available for day groups.

Dining options: Our kitchen operates on a standard menu plan which consists of healthy and filling camp favourites.

Dietary restriction friendly: We are able to cater to most dietary needs, including vegetarian, vegan, lactose or gluten intolerant, diabetic and celiac, at no additional cost.

Contact us to get a customized quote for your group.

Funding Learning Outside the Classroom and Beyond

Make an astronomical impact among students by providing them with an innovative, immersive and interactive learning experience. Help families to raise the funds necessary for their children to participate in enriching activities and outings by introducing FundScrip, Canada's number one gift card fundraising program. It's safe, it's easy and eliminates unnecessary spending. Find out if FundScrip is right for your school's programs by requesting our free information kit today.

Who inspires you?

HERO YOU

YOUTH EDUCATION PROGRAMS

Invite a hero to speak at your school (FREE) or make your next field trip to the BC SPORTS HALL OF FAME

viaSPORT

www.bcsportshall.com

@BCSportsHall

Inspire your leaders of tomorrow

with the legends of today. Hear the incredible stories, challenges and triumphs of athletes and coaches in their quest for excellence from playground to podium.

Book a Hero in You presentation for your school or a field trip to the BC Sports Hall of Fame and Museum (FREE teacher passes available). Meet inspirational guest speakers and explore an action filled tour of the Hall of Fame. Enjoy mind-blowing interactive activities while peeking into the BC Place Stadium. Reach the summit of our rotating rock climbing wall or break sweat on our running track and race car simulator.

Expand your students' horizons with our out-of-classroom experiences today!

Check out heroinyou.ca for free lesson plans and activities.

Spark curiosity and build lifelong memories with immersive, nature-based field trips on Galiano Island. Explore our sustainable food forest, get your feet wet in a tide pool, or soak in the views from Mt. Galiano! We're just a short ferry ride from the city, and we offer single day or overnight stays at our Millard Learning Centre.

EXPERIENCE GALIANO: WILDERNESS ADVENTURE, CLOSER THAN YOU THINK

As the first stop from Tsawwassen, Galiano is one hour by ferry, but a world apart. Placid waters, pristine shorelines, and prolific wildlife make Galiano unique. Come for a day trip or camp for the weekend in adjacent Montague Harbour Provincial Park. Galiano's trail networks and cycle-friendly rural roadways offer endless hiking and biking opportunities, facilitating diverse itineraries.

FAMILY OWNED AND OPERATED FOR OVER 30 YEARS

Gulf Island Kayaking provides customizable kayak tours emphasizing local ecology and environmental stewardship through experiential learning. Since 1985, Ben Miltner and his enthusiastic local naturalist guides have provided unforgettable experiences sharing their passion for and knowledge of intertidal ecosystems and coastal history.

We have stories of wonder, tragedy, and triumph to tell.

LOCATED IN THE HEART of the Nass Valley, the Nisga'a Museum is the home of Anhooya'ahl ᑕa'angigatgum | the Ancestors' Collection, over 300 priceless cultural belongings returned to their home with the Nisga'a Treaty.

WE WELCOME educators to visit Nisga'a Lands. Discover the legacy and rich cultural traditions lived every day and written on the land. Nisga'a Museum tailors education programs to curriculum needs K-12 through university level.

WE OFFER unique experiences led by community members with complimentary hands-on activities that range from two-hour programs to whole day experiences. For schools outside northwest BC, we assist in planning multi-day excursions that include a visit to the museum and opportunities for engagement in each of the traditional villages in the Nass Valley.

We provide outdoor nature-based education services including field trips for Preschool to Grade 12, day camps (Pro-D day, spring break and summer) as well as overnight camps, and specialty camps.

5 reasons nature-based learning is great for everyone

01 Physical

Helps build stronger muscles, bones, and lung capacity.

02 Social

Provides opportunities to develop friendships and create a sense of social identity.

03 Engagement

Activities are more enjoyable with hands-on and interactive learning.

04 Thinking and Reasoning

Creates opportunities for different types of learning.

05 Creativity

Inspires imagination and creative play.

PROGRAMS!

OUTDOOR
EDUCATION

Lindell Beach, BC

Stillwood Camp and Conference Centre has run overnight summer camps and retreats for many years, which have brought joy, community, and a full camp experience to many people over the years.

Back in 2015, it was decided that an important aspect was missing from the camp programs: Outdoor Education. Stillwood enlisted Dr. Tracey Dobb's help to bring this new vision to fruition. Tracey, with her passion for the outdoors and the next generation, began building a program which would help youth to learn about the outdoor world beyond that of the technological world that seems to grip society. Her dream, in coordination with Stillwood, was to see a passion and love for the outdoors come alive in kids. Bringing a knowledge of how important nature is to life.

Outdoor skills have been forgotten, and the beauty of creation shadowed by the busy lives kids lead these days. Between school, extra-curricular activities, sports, and social media, there is no time for wonder anymore. But Stillwood believes that a longing still lives within our youth, and that it just takes one spark to ignite it once again.

Stillwood's outdoor education comprises our Outdoor Program, our Team-building program, and our Camp-in-a-day program. Our hands-on, outdoor educational programs will give unique learning experiences and opportunities for growth with your students. We would love the chance to teach them the beauty of nature and important wilderness skills at our fully functional retreat centre.

Besides our education programs, we have full service accommodations, catering, and many activities such as high-ropes, a climbing tower, archery, and more. We strive to help your class have the most valuable and impactful experience possible, while encountering the great outdoors.

Our programs contain a variety of modules that can be custom-tailored to meet your class needs. We would be delighted to have you come up for a tour, and to give you some further information. If you're interested, or would simply like to know more, we are just an email away at outdoored@stillwood.ca

For more information or to reserve contact outdoored@stillwood.ca

A CULTURAL EXPERIENCE FOR ALL AGES!

Through storytelling and inquiry-based learning, students will develop a sense of their place in the world, and an understanding of how ancient knowledge can inform and impact their lives today. The transformative power of cultural treasures and Indigenous knowledge will engage students to cultivate a greater awareness of the interconnectedness of all things.

BILL REID
GALLERY
OF NORTHWEST COAST ART

The Bill Reid Gallery of Northwest Coast Art's school programming is designed to support and to complement the BC Curriculum and will engage students of all ages while they discover the rich culture and history of the Northwest Coast.

Choose a Program

- **Grades K - 3 | Storytelling in the Gallery**
- **Grades 4 - 6 | Northwest Coast Narratives**
- **Grades 7 - 9 | Art and Reconciliation**
- **Grades 10 - 12 | Interconnections**
- **Exhibition Tours and Workshops**

For program information or book your class - call Education Programs 604 682 3455 ext. 229 or education@billreidgallery.ca

VISIT UBC

PACIFIC MUSEUM OF EARTH

Take a tour through 4.5 billion years of Earth's history, discover the topography of the moon and Mars using our interactive OmniGlobe, touch a real dinosaur bone, be informed about the hazards of natural disasters, gaze at dazzling mineral and gem displays, and learn about the mineralogical guts of your smartphone—all in one visit to the PME.

Our outreach programs cover several topics within Process of Science, Life Science, Physical Science, and Earth and Space Science as outlined under the BC curriculum prescribed learning outcomes. Groups can book an hour-long hands-on workshop during which students will learn how to identify minerals and rocks, how fossils are preserved, or how and why volcanoes erupt explosively. In addition to a workshop, your group can book a guided tour of the museum's exhibits and an exclusive 30-minute show-and-tell of our famous OmniGlobe.

Our programs can accommodate groups of 1-25 students and are extremely affordable - \$100 for a group of 25 students—that's \$4 per student!

Find out more at: pme.ubc.ca/educationalprograms

BEATY BIODIVERSITY MUSEUM

Feel the softness of an owl wing; observe the rainbow in the colours of beetles; and, if you are brave enough, smell 20-year-old blubber recovered from our blue whale skeleton! Explore an active research collection used by world-class biodiversity scientists.

Best of all, check off topics used within the BC curriculum including plants, evolution, adaptation, journaling, fine arts, habitats, and ecosystems. Schools can take a museum-led program or opt for a self-guided visit. Find lesson plans to use before, during, and after your visit on our Educator Resource Page (beatymuseum.ubc.ca/educator-resources).

Spend a full day at the museum by combining a program with a range of daily activities, including documentaries, hands-on activities, and the opportunity to use the museum as an alternative class space.

Field trips for the museum are cost-effective, starting at only \$8 per student plus tax. The Beaty Biodiversity Museum can accommodate class sizes of 15-30 students per group.

Carousel Theatre for Young People (CTYP)

empowers young people and families through meaningful, imaginative, and accessible theatrical experiences.

The productions we create and present engage youth, families, and educators in live theatre, and hold space to platform stories for and about communities that are underrepresented on stages in Canada.

Our productions develop emotional literacy, stimulate community, encourage growth, and inspire minds in a unifying experience – they provide unique opportunities for thought, discussion, and joy.

From work prioritizing 2SLGBTQI+ voices, to investing in Indigenous work for young people, CTYP focuses on introducing young minds to new ideas!

HISTORIC STEWART FARM

Experience living heritage
through immersive,
educational activities.

In-Person Programs
Virtual Programs
Rentable Edukits

STEWARTFARM@SURREY.CA

604.591.4627

surrey.ca/stewartfarm

Welcome to Surrey's own heritage site – a gem nestled on Crescent Road along the Nikomekl River – where history comes alive, telling the story of a hardworking Surrey family in the early 1900s.

Historic Stewart Farm is situated on the unceded, traditional and ancestral lands of the Salish peoples, including the ǰíc̓a (Katzie), ǰʷɑ:ńłəń (Kwantlen), and se'mya'me (Semiahmoo) nations.

Like many Surrey residents, John and Annie Stewart were not born here but made a home and raised a family here in Surrey. They had two sons, farmed 440 acres of land and were active members of their growing community.

Witness local history come off the page and into the imagination of your students with our school programs. Children will experience living heritage through fun, immersive educational activities. Our programs are curriculum current and affordable.

We are available to answer questions and book programs at 604-591-4627 or StewartFarm@surrey.ca.

In-Person Programs | \$97.55

We offer various programs from pre-K to grade six. Through hands-on experiences led by costumed guides, children experience first-hand how families lived in the early 1900s in Surrey.

Virtual Programs | \$97.55

During one of our live digital school programs, an experienced costumed guide will lead your class on a virtual tour around the Farmhouse, pole barn and outbuildings while providing curriculum current interpretation. These programs are well suited to in-class, blended and fully online groups.

Edukits | \$54.55

Created specifically for delivery by teachers, edukits contain hands-on artifacts and archival materials, including photographs, newspaper articles and a comprehensive teacher's package of suggested activities. A three week rental.

COASTAL CLIMBING CENTRE

Coastal prides itself in offering the most affordable climbing field trips in the Lower Mainland. These sessions are led from start to finish by our qualified instructors, who take care of all the technical aspects of the sport, enabling the students to experience a safely managed and enjoyable climbing experience.

For teachers who would prefer that their students become more involved in the technical aspects of climbing, we also offer multi-session group instruction packages. Over the course of three or more sessions, your students will learn how to use the equipment correctly, communicate by using the proper commands, tie knots appropriate to climbing, and belay each other safely.

New Experience at the Cannery

Nouvelle expérience à la conserverie

The Gulf of Georgia Cannery National Historic Site now offers educational programming that centres salmon as a window of learning about reconciliation, diversity and inclusion.

From exploring the diverse lives of cannery workers, to investigating how our restored canning line once operated or learning the basics of sustainability, our programs inspire curiosity and imagination.

Visit our site and experience your choice of six immersive programs, available in English and French, for students pre-K to grade 12.

For school resources and programs offered in English and French, please visit our website.

Le lieu historique national Gulf of Georgia Cannery bonifie son offre de programmes éducatifs qui place le saumon au cœur des enseignements sur la réconciliation, la diversité et l'inclusion.

Que ce soit en découvrant les diverses vies des ouvriers de la conserverie, en voyant à l'œuvre notre chaîne de mise en conserve restaurée ou en apprenant les bases du développement durable, nos programmes inspirent la curiosité et l'imagination.

Consultez notre site et choisissez parmi six programmes immersifs, offerts en français et en anglais, pour les élèves de la préscolaire à la 12e année.

Pour connaître les ressources et les programmes scolaires que nous offrons en français et en anglais, consultez notre site Web.

For more information and to book, call 604.664.9234 or visit gulfofgeorgiacannery.org/learn.

Pour obtenir plus de renseignements ou pour faire une réservation, appelez au 604.664.9234 ou rendez-vous au gulfofgeorgiacannery.org/learn.

The A, Bee, C's of Honeybees

We bring the amazing world of the honeybees to the forefront of education through hands on activities and explorations.

Showcase the relationship between humans and honeybees.

Feature the honeybee as an integral species in our food web.

Explore the honeybee and other pollinators as a keystone species in Earth's ecosystem.

The Experience for Students

Enjoy a presentation from our expert staff on the importance of honeybees in our world

See what the honeybees are doing up close with our live observation hive

Learn about bees while playing our interactive games and activities

Taste a variety of honey and learn about the many products of the beehive

All students take home a wildflower seedling to plant in their own yard to help support the bees

ECOLOGY CENTRE

nature education in Lynn Canyon Park

The Ecology Centre is a nature museum nestled in the lush temperate rainforest of Lynn Canyon Park in North Vancouver. Our experienced naturalists have been offering curriculum-linked nature education for grades K through 12 since 1971.

Visit the Ecology Centre in Lynn Canyon Park and get outside! Or bring the outdoors in with one of our virtual programs.

During an Ecology Centre program you can:

- LEARN** the secrets of the temperate rainforest.
- CONNECT** with nature in a meaningful way.
- EXPERIENCE** what it's like to study the forest.

Fall 2023 programs begin booking online on Wed. Sept. 6 at 10 am. Spring 2024 programs begin booking online on Wed. Feb. 7 at 10 am.

CONNECT with Nature

metrovancover | REGIONAL PARKS

From Langley to Bowen Island, **Metro Vancouver's regional parks** protect a diversity of landscapes and habitats. Regional Parks has a team of staff ready to help you connect with nature. Adventures and discoveries await you in Metro Vancouver's regional parks – no matter what your age or interest. Field trips, tours and workshops are a great way to get the most out of your park experience and create fun, lasting memories. Whether you choose towering forests, tranquil ponds or beautiful beaches, regional parks are fun and exciting classrooms. Our field trips provide hands-on, place-based education to heighten your students' sensory awareness and increase their critical inquiry skills while exploring and having fun connecting to nature. Your students will experience the physical and mental health benefits of spending time in inspiring natural spaces.

Our programs reveal the natural world through exploration and discovery, and are offered year-round. If you can't make it to a regional park in person, we also offer virtual field trips – same engaging professional park interpreters and hands-on learning – in an online setting (available seasonally).

For more information, visit metrovancover.org (search “park field trips”).

If you have any questions, email Programs.Info@metrovancover.org.

Discover the Port of Vancouver

Visit the Discovery Centre at Canada Place and experience our fun and interactive 90-minute education program. Learn what happens at the Port of Vancouver and how it connects to your everyday life. Best of all, it's **FREE!**

Book your presentation today at: 604.368.1466
or education@portvancouver.com
www.portvancouver.com/community/education/

PORT of
vancouver

Vancouver Fraser
Port Authority

DISCOVER CANADA'S LARGEST PORT

The Vancouver Fraser Port Authority's school program helps students build awareness about the port, the role it plays, and how it connects to their everyday life.

The field trip experience offers memorable, interactive and fun learning for classes.

The program is specifically designed to support grade four to six students' curriculum guidelines, as outlined by the British Columbia Ministry of Education.

Students will learn about Canada's largest and most diversified port through activities that encourage:

- learning through doing, watching, hearing and reading
- reflection and inquiry
- thinking critically and creatively
- communicating through listening, actions, words and pictures

See what teachers have been saying about our program:

"The presentation was extremely well run: excellent pacing, interactive, informative, and very engaging."

"I was so impressed with this program. Been teaching 25 years and I have to say it was one of the most organized, clearly laid out and interesting field trips I've been on."

Book our **FREE** field trip experience at: 604.665.9038 or education@portvancouver.com.

To find out more about the presentation and online resources visit portvancouver.com/education.

SASAMAT
OUTDOOR CENTRE

Sasamat Outdoor Centre is located an hour east of Vancouver on Sasamat Lake in təmtəmix^wtan/ Belcarra Regional Park. A member of the Association of Neighbourhood Houses B.C., Sasamat Outdoor Centre provides both day camp and overnight camp opportunities for schools. Experienced leaders provide skills training in a variety of outdoor activities designed for student success and geared to the age of the participants. Participants build confidence, self-reliance and personal skills, and learn leadership and positive values – the core aspects of all of Sasamat Outdoor Centre’s camp activities. Health and fitness go hand in hand with strong personal skills, and Sasamat Outdoor Centre has much to offer – good nutrition, social interaction, physical challenges and safe, supervised programs in a lakeside environment.

Surrey Art Gallery's School Programs generate understanding and excitement about contemporary art. Inquiry-based programs integrate BC cross-curricular Big Ideas and Learning Standards. Exhibition tours inspire students' creative, critical, and reflective thinking at an appropriate level guided by skilled docents—volunteer educators who train for each exhibition. Our artmaking workshops are led by knowledgeable, practicing artists with art teaching experience.

BE CURIOUS - THERE IS SO MUCH TO LEARN!

Urban Safari Rescue Society offers a unique educational experience for students of all ages. We will come to your classroom with a team of two animal educators and 15 to 17 animals and teach the students about the natural world in an hour long presentation of exotic animals. We focus our presentations on conservation of animals, animal characteristics, habitat, adaptations, behaviours, and more. We can also adapt our presentation to support any lesson plan or curriculum you are teaching. Your class can also visit our facility for an hour long guided tour of all the hundreds of animals at our rescue facility. Your students will learn about insects, arachnids, reptiles, mammals, birds, fish.

Learn, Explore and Discover the Arts

Ignite your students' playful joy at the Vancouver International Children's Festival! Enjoy spectacular shows from around the world for kids and families of all ages from May 27 to June 2. The 2024 Festival taking place on Granville Island, will offer a mix of performances featuring circus arts, puppetry, theatre, dance, music and lots of arts activities created just for children.

For over 46 years, the Festival has played host to the world's most renowned performers from iconic Canadian children's singers Fred Penner and Charlotte Diamond to Quebec's spectacular acrobatic *Afrique en Cirque*, and acts from as far away as Madagascar, Australia and Norway. It leads the way not only in theatre for very young audiences, but in Indigenous art forms, whether it's Indigenous dancers performing powwow forms or hands-on Indigenous Art Workshops. There is also a strong component of French-language programming.

The Festival is constantly searching out new, different, and culturally diverse work that pushes the boundaries for young audiences—ranging all the way from six months to 13 years of age. Don't miss this beloved annual arts and culture event!

Benefits of the Performing Arts

Now more than ever, there is an incredible need to experience the joy of the arts.

By delivering new and diverse world-class live performances, the Festival opens a world of creative possibilities for your students. Through sharing all stories and learning empathy, kids can see, hear, feel, think and imagine their potential and a better tomorrow.

The Festival is a great way to introduce your students to theatre, live music, circus and puppetry that's created specifically for them all while establishing a lifelong love of the arts.

"I think everyone came out of the theatre with much to think about. For most in my class this was the first time they had ever seen live theatre. It is so much better than a movie. Thank you so much." BC Educator

Fun, Wonder and Whimsy INCLUDED! Your Show tickets include free wristbands to enter the Festival's Activity Village where you and your students can get creatively playful at over 15 hands-on art stations!

Now's the time to plan your field trip to the Festival, the not-to-be-missed annual arts and culture event for School Groups!

For more information, please visit ChildrensFestival.ca or call 604-708-5655.

One of North America's largest literary festivals, the Vancouver Writers Fest is back on Granville Island with 40+ events for youth from K–12—each curated with the BC Curriculum in mind.

We are excited to bring back youth events in-person with distinguished and multiple award-winning authors **Richard Scrimger, Cherie Dimaline, Tui T. Sutherland, Jon Klassen, Esi Edugyan, Ashley Spires, Ben Clanton, Andrea Warner, Jen Ferguson**, and more!

In addition, the Writers Fest has curated **Pro-D Day** events specially for teachers with **Elamin Abdelmahmoud, Helen Knott, Marsha Lederman, Casey Plett, jaye simpson**, and more. These authors cover a diversity of pressing topics, from the role of AI in today's world and the worrisome banning of books, to modern Indigenous writing, and systemic issues that are resulting in environmental decline and rising class inequality.

Writers in the Classroom—our popular series of workshops that brings authors into classrooms—continues in-person with a fantastic lineup of 15 authors.

Join us for inquiry-based learning events and the chance to interact with renowned authors in a stimulating, community atmosphere that students love.

Other attractions include: Kids Market; duck pond; Granville Island Public Market; Aquabus and False Creek Ferries; galleries; public murals and street art.

Youth and accompanying adult tickets just **\$10 (inclusive of taxes)**

Ticket and Bus Subsidies Are Available

Tickets on sale: Wednesday, September 13 at 8am.

For the full list of events and details on subsidies, visit writersfest.bc.ca/youth.

THREE VALLEY LAKE CHATEAU AND THREE VALLEY GAP HERITAGE GHOST TOWN

Nestled between the clear waters of Three Valley Lake and sheer cliffs of the Monashee Mountains, Three Valley Lake Chateau is an extraordinary Revelstoke resort destination. Whether you are looking for Revelstoke accommodations or attractions, Three Valley Lake Chateau is the place to visit.

Our hotel boasts over 120 comfortable guest rooms, including family suites, loft rooms and specialty suites. Experience our resort: indoor and outdoor gardens, lake and sandy beach, indoor swimming pool and hot tub and family dining room. Just 19 km west of Revelstoke, on the Trans-Canada Highway, our location is ideal for an overnight stay, a relaxing weekend, or mid-week holiday away from the pressures of your everyday world. Make our hotel and resort a part of a wonderful vacation where there's a wide variety of accommodation, attractions and recreation.

Come back into history with us!

Three Valley Gap Heritage Ghost Town, is a unique attraction adjacent to Three Valley Lake Chateau. A visit to our Ghost Town will bring you back to the pioneer days of a typical 1800's British Columbia western town. During your visit, you will tour more than 30 rescued and restored historic buildings, an Antique Auto Museum* featuring automobiles dating from 1902, and our Railway Roundhouse, complete with turntable, locomotives and rail cars.

You'll welcome the change, our hospitality will warm you, and our spectacular scenery will impress you. We welcome school groups to visit our Historic Ghost Town as well as stay the night in our Hotel.

SOMETHING FOR ALL AGES

A one-of-a-kind attraction that takes you back to the pioneer days of the typical 1800's British Columbia Western Town.

During your self-guided visit you have the opportunity to tour more than 30 rescued and restored historic buildings, an antique auto museum and Railway Roundhouse & Turntable.

Group pricing available, open daily Mother's Day to Oct 1st, 8am until dusk.

Step back in time with us!

THREE VALLEY LAKE CHATEAU

We offer special school group rates for room in our hotel during mid-May to end of June, plus September in our unique resort. Indoor Pool, balconies & patios, lake & garden views.

*Lots of Bus Parking Available.

Contact hotel directly for price list and availability:

CANADA'S HIGHEST FREESTYLE ZIPLINE [381FT.]

We are the highest freestyle zipline in Canada, offering a safe, but exhilarating adventure experience for youths and adults.

Our activities fulfill most of the Prescribed Learning Outcomes for Physical Recreation as defined by the BC Ministry of Education.

We offer an experience with a high perceived risk, but an extremely low real risk. In this environment we can give your students a safe environment for them to test their nerve and learn to overcome fear.

We can accommodate up to 120 students at a time, and with a group of this size, activity will take three to four hours.

Take learning to new heights, 885 metres! At the Sea to Sky Gondola, located in Atl'ka7tsem Howe Sound, a Biosphere Reserve recognized by UNESCO, we transform educational experience with innovative courses like Mountain Sustainability, Backcountry Leadership, and Junior Rangers. Our programs are designed to meet the British Columbia Ministry of Education's prescribed learning outcomes for each grade level of science and to bring education to life.

We offer the highest standard of academic excellence and foster students' emotional connections to learning with a hands-on approach to education. We are committed to integrating language development with science, environmental and cultural studies.

HIGHER EDUCATION
885 METRES HIGHER

OUR DISTINCTIVE PROGRAMS INCLUDE:

- JUNIOR RANGERS
- MOUNTAIN SUSTAINABILITY
- SUMMIT SNOWSHOE SCHOOL
- BACKCOUNTRY LEADERSHIP

Come to Rope Runner Aerial Park this season to experience the unique aerial activity! Rope Runner provides a safe environment for students to push their limits, gain self-confidence, develop problem-solving skills, communication and team spirit. While simultaneously building on their curriculum core competencies.

SCHOOL GROUPS

Rope Runner offers a safe, inclusive, and active outdoor experience for students and youth groups. WE CAN ACCOMMODATE UP TO 50 PARTICIPANTS FOR EVERY 2-HOUR SESSION.

CLIMBING REQUIREMENTS

- For a student to climb they must be:
- At least 7 years old and be 124cm (49 inches) tall*
 - At least 10 years old and be 139cm (55 inches) tall to climb alone in the park**

**The child to adult chaperone ratio for children under 55 inches tall is 2:1*

*** Children under 19 years of age must have a consenting parent or legal guardian sign their release of liability waiver.*

Courtenay and District Museum

The Courtenay and District Museum and Palaeontology Centre, located in downtown Courtenay, is B.C.'s premier marine fossil destination for students from around the province. With a mandate of natural and cultural history of the Comox Valley, the museum offers year-round fossil tours and programmes featuring 80-million-year-old marine fossils such as the Puntledge elasmosaur, mosasaurs and other ocean-dwelling vertebrates and invertebrates. Visits to the local rivers lead students to explore the past and understand Vancouver Island's ancient history.

The 14,000-square-foot galleries also hold First Nations, settlement and changing exhibition galleries. The museum also has a well-stocked and busy gift shop with items for residents and guests from around the world. If you're planning to stay for a few days, the museum also runs a 1,400-square-foot heritage home on seven acres with great accommodation rates.

**Contact the museum at 250-334-0686 or
info@courtenaymuseum.ca.**

DISCOVER *your* PLACE *in* HISTORY

ALBERNI VALLEY MUSEUM

Hands - On - Heritage

The Alberni Valley Museum offers a variety of school programs for Grades Kindergarten through 12. Interactive and engaging programs and opportunities are available to explore and discover Port Alberni and Provincial History, from First Nations Culture and Pioneer Experiences to Forestry and Maritime Heritage, our programs address many of the prescribed learning outcomes of the Social Studies Curriculum.

The **Alberni Valley Museum** is a regional history museum utilizing a unique visible storage display system. Collections include First Nations art and culture, folk art, agriculture and modern history. Our Temporary Exhibits Gallery hosts new exhibits every year. Our Industrial Heritage Centre houses our stellar collection of logging trucks, train cars and other heritage vehicles. We also provide access to programs at two other sites: The **McLean National Historic Site** is a restored 1920s steam sawmill and lumber camp. Step back in time and discover the early days of BC's logging and forestry industry and experience what mill camp life would have been like.

At the **Maritime Discovery Centre** visit a lighthouse and gallery. Located on the waterfront in the centre of our active deep sea port, exhibits focus on the history of lighthouses, navigation and exploration of the west coast and the 1964 Tsunami.

Programs and tours are available throughout the school year and can be combined to create a half- or full-day experience. All twelve of our core programs are presented by our experienced staff and volunteers and are linked to the BC Social Studies curriculum.

For more information, please contact the Museum's Education Curator at 250 720 2523 or by email at shelley_harding@portalberni.ca

QUALITY SCHOOL PROGRAMS IN VICTORIA BC

In Victoria, Discover the Past has been a leader in quality tours and activities for twenty-four years. Our popular programs take place throughout the year. We employ multiple guides so we can divide a large group into smaller sections, ensuring all students maximize their tour experience. We can customize a tour for your specific visit, or we can offer a variety of tours that have remained in demand over many years. General history, cultural diversity, Chinatown, Old Town, Gold Rush, Emily Carr's James Bay and Ghostly Walks are some of our most frequently requested tours. Discover the Past also now offers distance talks, tours and workshops live on Zoom. For information or reservations, call (250) 384-6698 or email john@discoverthepast.com

Discover the ocean. Understand the planet.

Register for a free, virtual, interactive classroom presentation, all BC-curriculum linked and designed by teachers for Grade 6-12 audiences.

Choose from a selection of ocean science topics, including:

- A Warming Ocean (90 minutes)
- Marine Biodiversity (45 minutes)
- Remotely Operated Vehicle Exploration (45 minutes)
- Loxiwey (Clam Gardens) (45 minutes)
- Hydrothermal Vent Ecosystems (45 minutes)
- Seismic Studies (45 minutes)
- Your Coastal Connection (45 minutes)

Scan the QR code to book a presentation or learn more! One booking per class.

Ocean Networks Canada (ONC) operates world-leading observatories in the deep ocean, coastal waters, and on the land of the Pacific, Atlantic, and Arctic coasts of Canada, collecting ocean data that accelerates scientific discovery and makes possible services and solutions that support life on this planet. This data is made publicly available through ONC's Oceans 3.0 Data Portal.

**the gardens
at HCP**
Horticulture Centre of the Pacific

The Horticulture Centre of the Pacific

Our gardens are located on southern Vancouver Island, near Victoria, BC on 9 acres of demonstration gardens, and surrounded by 103 acres of woodland, conservation area and wetlands. We are a hub of life-long learning, conservation and research, offering an internationally recognized botanical garden, horticulture college, community education and events throughout the year.

Territory Acknowledgement

We at HCP gratefully acknowledge that we occupy unceded territory of the W̱SÁNEĆ and Lək̓ʷəŋən peoples. We recognize these lands and ecosystems are not our own. We recognize our role in the continuing process of dispossession, colonialism, and reconciliation. We recognize the need to do better. We humbly welcome all to join in this learning journey.

HCP Schools

We offer outdoor learning opportunities for educators, their students and home learners in our community. Visit us for a morning or afternoon nature experience with your class or group.

We also provide mentorship in school gardens and help build relationships and stewardship to support our natural systems.

For booking information, please email youthprograms@hcp.ca or visit www.hcp.ca

U'MISTA CULTURAL CENTRE

U'mista's Potlatch Collection tells an epic story of resistance and resilience. The Centre opened in 1980 to house repatriated Kwakwaka'wakw ceremonial regalia that had been seized by government authorities in 1922. One of the most complete and important collections of its type in the world, U'mista's Potlatch Collection is a source of great joy and pride for the Kwakwaka'wakw community.

U'mista welcomes all class visits.

Alpine Bus Lines has been offering charter services for over 30 years. We specialize in field trips and are not restricted with pick up and drop off times. We provide transportation within the Greater Vancouver area and over to Vancouver Island. We also offer charters for daycares, preschools, sport teams, and private groups. Our school buses can hold 50 people over the age of 9 to 75 if they are under 10 years old. Email your trip details and we would be happy to provide a quote.

Why choose BlueStar?

BlueStar's coaches have some of the largest luggage bays, providing valuable space to hold all sporting equipment, as well as safe storage for school band instruments and personal luggage. BlueStar works closely with many schools and clubs throughout the Thompson - Okanagan and Lower Mainland of BC. All our buses carry a School Bus Certificate and are annually inspected by a CVSE Inspector to strict standards.

Safety:

At BlueStar, safety is our top priority, which is why we focus on making every journey a safe one. We do this by maintaining our fleet to the highest standards, as well as hiring and training highly skilled drivers.

BlueStar knows it has precious cargo aboard and our coaches are School Bus Certified and covered over and above the accepted levels of insurance for transportation carriers with 10 million ICBC coverage plus 5 Million of General Liability, thus providing excellent piece of mind to our customers.

UV LIGHT DISINFECTION TECHNOLOGY

SPACE CENTRE FIELD TRIPS

Our range of field trips provide grade-specific programming with personal experiences that allow your students to interact with the content and our staff in order to enhance learning.

From Earth and space science to social studies to language arts focuses, we are continually updating our programs to introduce new options for out-of-classroom learning. Packages are customizable and include hands-on workshops, live science demonstrations, Planetarium Star Theatre shows and time in the Cosmic Courtyard exhibit space.

Planetarium Star Theatre

The star of the Space Centre! Lie back and journey through the cosmos in our 360-degree dome theatre. From extreme environments to characteristics of the Moon to the historical and cultural stories of the night sky, explore the farthest reaches of our universe in this state-of-the-art planetarium theatre.

GroundStation Canada Theatre

Learn the fascinating facts and latest discoveries in astronomy. How do astronauts live in space? What are the mechanics behind rockets? How do astronomers discover planets? Find answers to all of your students' cosmic questions with these live science demonstrations.

Cosmic Courtyard

Visit our space-themed, hands-on exhibit space. Students can enjoy a range of activities like morphing themselves into aliens, trying to lift a meteorite, and driving a rover on Mars.

Want us to come to you?

Portable Planetarium

Let us bring the universe to you! With our portable planetarium your students will be able to stand on the Moon and look back at Earth, experience a Martian sunrise, discover what the Milky Way galaxy looks like, and explore nighttime sky constellations.

The Portable Planetarium is a large, inflatable dome, and can sit up to 30 children in each 30-minute live planetarium show. We can do up to 6 presentations per day. Since our staff control what you see, each show is unique and customizable to your group!

Virtual Field Trips

Do your students have challenging questions about space science and astronomy? We have the answers!

Our staff are ready to connect with your students, on the platform of your choosing, and share their passion and knowledge. Your virtual field trip will include a science demonstration and a Q & A session with our staff.

FIELD TRIPS THAT ARE OUT OF THIS WORLD!

Take a bold step into the future with our range of field trips and educational programs. Your students will experience a universe of learning!

School Programs Include:

- Planetarium StarTheatre Shows
- Live Science Demonstrations
- Cosmic Courtyard Exhibit Space
- Hands-on Workshops

Curriculum Connections:

We continuously update our school programming to meet new curriculum changes and provide opportunities for students to apply curricular competencies.

Our booking staff are happy to discuss options and find the perfect field trip package for you.
