

## 5 NIGHTS—BIG SKY, MONTANA

### Day 1 — Arrival in Big Sky

Arrive via Bozeman Yellowstone International Airport and transfer to your luxury mountain resort. Settle in and enjoy a relaxed evening by the fire, followed by dinner on property as you take in the alpine setting.

### Day 2 — Ski Big Sky & Après at Kercliff

Spend the day exploring Big Sky's expansive terrain, known for its wide-open runs and sweeping mountain views. In the late afternoon, ride the gondola to the Kercliff Observation Deck, where panoramic vistas stretch across Lone Peak and the surrounding ranges—an ideal setting for photos and a memorable sunset moment before returning to the resort for dinner.

### Day 3 — Winter Exploration & Snowshoeing

Enjoy a guided snowshoe excursion through snow-covered forests and meadows, offering a peaceful way to experience Big Sky's winter landscape. The afternoon is perfect for spa treatments, fireside relaxation, or lingering over a long lunch with mountain views.

### Day 4 — Winter Yellowstone Adventure

Embark on a full-day winter journey into Yellowstone National Park, accessible only by oversnow vehicles during winter months. Travel by guided snowcoach or snowmobile, discovering frozen waterfalls, steaming geothermal features, and winter wildlife in one of the most extraordinary settings in North America. Return to Big Sky for a relaxed evening at your resort.

### Day 5 — Choice Day: Mountain Time or Leisure

Choose how you spend your final full day—another day on the mountain, a private lesson, or a slower pace with wellness experiences, shopping in Big Sky Town Center, or a curated culinary experience.

### Day 6 — Departure

Depart Big Sky after breakfast, carrying home a winter experience that blends adventure, scenery, and refined mountain luxury.
