

20TH
ANNIVERSARY

2026 New Product Showcase

The Acehigh Mission - 20 Years in the making

It's a milestone year for Acehigh, as we celebrate 20 years in business in 2026! From the beginning, we set out to design distinctive, forward-thinking, and premium products that showcase your brand, captivate your clients, and leave a lasting impression.

Our collection goes beyond the ordinary, offering a curated range of modern essentials. From tech gear that powers your day to bags and lifestyle accessories that elevate your routine. Each product is purposefully selected to showcase your brand with sophistication and enduring impact.

The Gifting Experience : Reimagined

First impressions are everything.

We thoughtfully design each product with this in mind. From selecting refined, retail-quality materials to curating a layered unboxing experience. We obsess over every detail to ensure the moment of gifting feels as exceptional and impactful as your brand.

Thank you for your continuing trust and support. We hope you enjoy our new collection as much as we enjoyed creating them!

- James Guan, CEO

INTRODUCING

NOVA

FEATURING SEMI-SOLID STATE BATTERY
THE NEXT EVOLUTION OF
POWER BANK TECHNOLOGY

Improved
Thermal
Stability

Enhanced
Safety

Longer
Life
Cycle

Smarter Battery Technology. Better Everyday Power.

The Nova is powered by an advanced semi-solid-state battery, a next-generation upgrade over traditional lithium batteries. By replacing liquid electrolytes with a more stable, semi-solid formulation, this technology delivers greater safety, improved temperature control, and a longer usable life. The result is power that runs cooler, lasts longer, and performs more consistently over time—without the risks associated with conventional batteries. It's a smarter, safer foundation for modern devices and a meaningful step forward in battery innovation.

Ace Pro Cleaning Kit

Screen Cleaning Set

Keep screens spotless—and your brand front and center. This premium screen cleaning set includes a gentle, streak-free cleaner spray paired with ultra-soft microfiber wipes, designed to safely clean phones, tablets, laptops, monitors, and eyewear. The spray bottle features your client's custom logo, transforming an everyday essential into a practical branded item that gets used daily—at desks, on the go, and at home. Effective, reusable, and universally compatible, it's a smart solution for modern workspaces and tech-driven lifestyles.
