Rajagiri College of Management and Applied Sciences affiliated to the MG University, offering ten undergraduate programmes and two postgraduate programmes under the self-financing stream came into existence in 2005. It is managed by Catholic Fathers who belong to the 'Carmelites of Mary Immaculate' (CMI), the first-ever indigenous religious congregation formed in the 19th century by St. Kuriakose Elias Chavara. The college campus situated at the beautifully landscaped Rajagiri valley, on the banks of Chitrapuzha and Kadamprayar, takes pride in its proximity to major commercial hubs in the city.

The college envisions to mould the learners into future leaders with integrity, championing the cause of justice, love, truth and peace. The seven-storeyed college building stands tall in a serene environment, providing state-of-the-art facilities and infrastructure for student centred education. It also endorses a green culture to occupy the students with a whole new commitment towards our environment and its preservation.

Our vision: To become a global knowledge nest.

Mission: To mould individuals to become responsible citizens with intellectual, social and environmental awareness.
