Welcome from NMAA Executive Director

Sally Marquez
NMAA
Executive Director

As we reach the culmination of another regular season and celebrate the accomplishments of the student-athletes, coaches, and sports officials during the past several months, it is a great time to reflect upon the past season, revel in the excitement of postseason play and look forward to interscholastic athletics and activities in the future.

If you are reading this program, you are a part of the game. It might be because you are participating in it in some way, as part of a team, the officiating crew, or the event staff. It might be because someone you love is participating as an athlete, coach, or contest official this week. It might be because you want to support your community or your alma mater. It might simply be because you love high school sports and want to witness the thrill and purity of high school athletics. Regardless of your role, you are important in this landscape and are representing someone and something bigger than yourself.

We all hear a great deal about unsportsmanlike behavior during athletic events. By definition, “unsportsmanlike” is a term that is reserved for participants in a contest. However, we tend to group in boorish behavior of spectators as unsportsmanlike. In truth, what we see and hear in the stands can simply be termed as “bad behavior” – disrespectful, degrading, offensive, threatening, aggressive or otherwise negative. This behavior can be directed at opponents, coaches, and contest officials. When you are the one participating in this behavior, it does not just reflect poorly on you – it reflects on the very community you are representing and supporting. This behavior, that is posted, reposted, and shared on social media has all too often become the norm and it is up to every one of us to turn the tide.

In his book, *A Lifetime of Observations and Reflections On and Off the Court*, legendary basketball coach John Wooden wrote: “Some say I believe in old-fashioned traits: courtesy, politeness, and consideration. I do believe in these qualities, but they are not old-fashioned. They never go out of style – even when they seem to be increasingly scarce. I believe they are still common. We just see their opposites so much that we think that’s all there is. People like to help, to be polite, to be considerate. I believe it’s human nature. And it’s a funny thing: when you start displaying courtesy, politeness, and consideration, people start displaying then right back.”

The world of education-based athletics and athletics is an amazing laboratory for lifelong learning. It is not just in the academic classroom where we learn lessons and those lessons are not just reserved for student-athletes. This educational content extends to the stands of a game or event, wherein we all become teachers and simultaneously students. As fans of our classmates, family members, neighbors, schools, or communities, we should strive to get back to the old-fashioned traits Coach Wooden held in such high esteem.

While we too frequently see the opposite of these ideals on social media, it does not give anyone the proverbial green light to act in the same way. We need to positively represent the students, schools, and communities we support, and we need to positively represent ourselves. While we can learn a lot from the behavior of the people around us, we can also be the one who is the model of positivity for everyone else around us.

We are all in this together. Let’s enjoy the competition, positively cheer for our teams, and give the game the respect it deserves.

2022 State Championship Recap

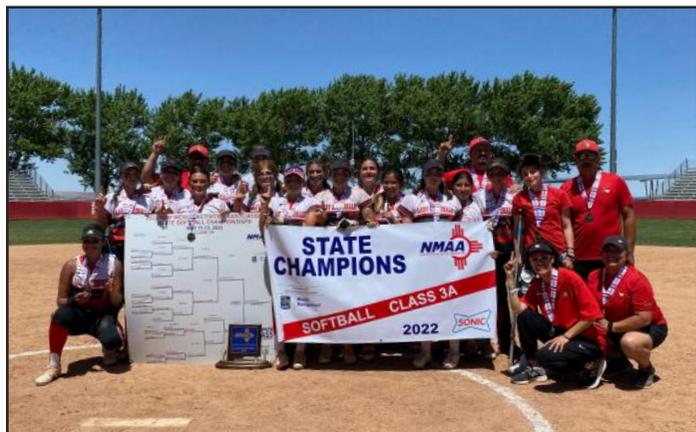

CLASS A/2A LOVING HIGH SCHOOL

In a rematch of the 2021 state title game, Loving turned the tables on Tularosa and took home the 2022 Class A/2A State Softball Championship presented by The Cates Team at RBC Wealth Management. Loving beat the defending state champs 8-2 to win their 18th softball championship, more than any other program in state history.

The Falcons (23-5) never trailed against the Wildcats (21-5), scoring two runs in the first inning. Sophomore Alisha Martinez made it a 3-0 game with a solo home run in the third. Loving would add another run in the fourth and four more in the fifth. Loving outscored their opponents 41-8 in four playoff games this postseason. It's their second state title since 2019.

CLASS 3A ROBERTSON HIGH SCHOOL

2022 will be a memorable year for Robertson High School for more than one reason. With the largest wildfire in state history still burning near their backyard, the Cardinals overcame obstacles to win a state title for their school and community. Robertson beat district rival Santa Fe Indian School 8-1 to take the 2022 Class 3A State Softball Championship presented by The Cates Team at RBC Wealth Management.

After a scoreless first inning, Robertson (25-4) fell behind to the Lady Braves (20-12) 1-0 in the second. Alexis Pacheco broke a 1-all tie with a two-run single in the fourth inning to give the Cardinals the lead for good. Ariana Archuleta would give Robertson a 6-1 lead with a bases clearing double later in the inning. Robertson would score their final two runs in the fifth.

It's the program's first state title in its first championship appearance. Robertson High School capped off a very successful school year with state championships in football, volleyball, boys and girls basketball, and now softball.

2022 State Championship Recap

CLASS 4A GALLUP HIGH SCHOOL

CLASS 5A CARLSBAD HIGH SCHOOL

There's a first time for everything and for Gallup softball that first came in 2022. The Gallup Bengals shutout Lovington 8-0 to win the 2022 Class 4A State Softball Championship presented by The Cates Team at RBC Wealth Management. It's Gallup's first state softball title.

Gallup (24-7) reached the final for the first-time last season. In 2022, pitcher Seniah Haines helped carry her team to the blue trophy. Haines struck out six and only gave up three hits. It was Gallup's second win over Lovington (23-9) this postseason. The Bengals scored 4 of their 8 runs in the first inning. Senior Taylor Morgan led the way offensively with a double and home run in her first two at-bats.

It's one more blue for the blue. Carlsbad beat Centennial 13-6 to win the 2022 Class 5A State Softball Championship presented by The Cates Team at RBC Wealth Management. It's Carlsbad's first state championship since 2010 and 17th overall.

Top-seeded Carlsbad (30-1) built a 2-0 cushion in the first, but Centennial (25-8) took a 4-2 lead on a three-run homer by Amanda Valles in the bottom half of the inning. The two teams went run-for-run and found themselves tied 5-5 in the fifth. Carlsbad snapped the 5-all deadlock with a go-ahead RBI single from junior Aislenn Whitzel. Later in the fifth, Faith Aragon broke it open with a three run double as part of a five-run inning. In the sixth, Haiven Schoolcraft blasted a three-run homer to open it up to a 13-5 lead.

The victory was an emotional win for head coach Brian Santo who spent 70 days hospitalized last fall with COVID, 36 of them while intubated.
