—FOR THE LOVE OF NATURE—

*Recently, the LiLu brand has shown its recipients
a changed visual identification.*

The current logotype strongly refers to the surrounding nature.

For a long time now, it has become a benchmark of our brand.

*The products we create are made of natural raw materials, this is the
main criterion we follow when giving our products to our customers.*

*The changes made in the visual communication of the brand are to
increase the client's awareness that LiLu is a brand friendly to nature
and the environment.*

*Every next step in our business is a tribute to the environment and the
world around us.*

The background of the entire image is a repeating floral pattern. It features delicate, thin branches with small, dark green leaves. Interspersed among the leaves are clusters of small, five-petaled flowers. Some flowers are a pale cream or off-white color, while others are a warm, golden-yellow. The pattern is dense and covers the entire surface.
