Care you can put your faith in

Balmedie House
Residential Care Home

Balmedie House is a residential care home for 34 older people.

Situated next to the seaside village of Balmedie and just eight miles from Aberdeen, Balmedie House is an impressive mansion house in a peaceful rural setting.

From the moment you join us, we aim to focus on all the things that make you happy. From our personalised rooms and leafy views to our social activities and stunning grounds.

Our highly trained and caring staff are on hand 24 hours a day, offering you whatever support you need.

When you come to live at Balmedie you will be introduced to your keyworker who will discuss your individual care needs with you.

At Balmedie you can enjoy nutritious homecooked meals, catering for all tastes and dietary requirements and enjoy the varied activities and events on offer.

Balmedie House sits within its own grounds, surrounded by 26 acres of beautiful woodland, lawns and gardens. Perfectly placed by the picturesque village of Balmedie, you'll enjoy easy access to local amenities, as well as a stunning beach and country park on your doorstep.

Each of our residents is truly one of the locals. We pride ourselves on our strong links with the community, with regular visits from local school children and support from the nearby church and library. We also have our Circle of Friends who befriend residents and help purchase items for the house.

There are a number of features in Balmedie House that make it a special place to live. We have our own specially designed café within the home, as well as a grand ballroom with a unique wall mural – painted by a local artist with close links to Balmedie.

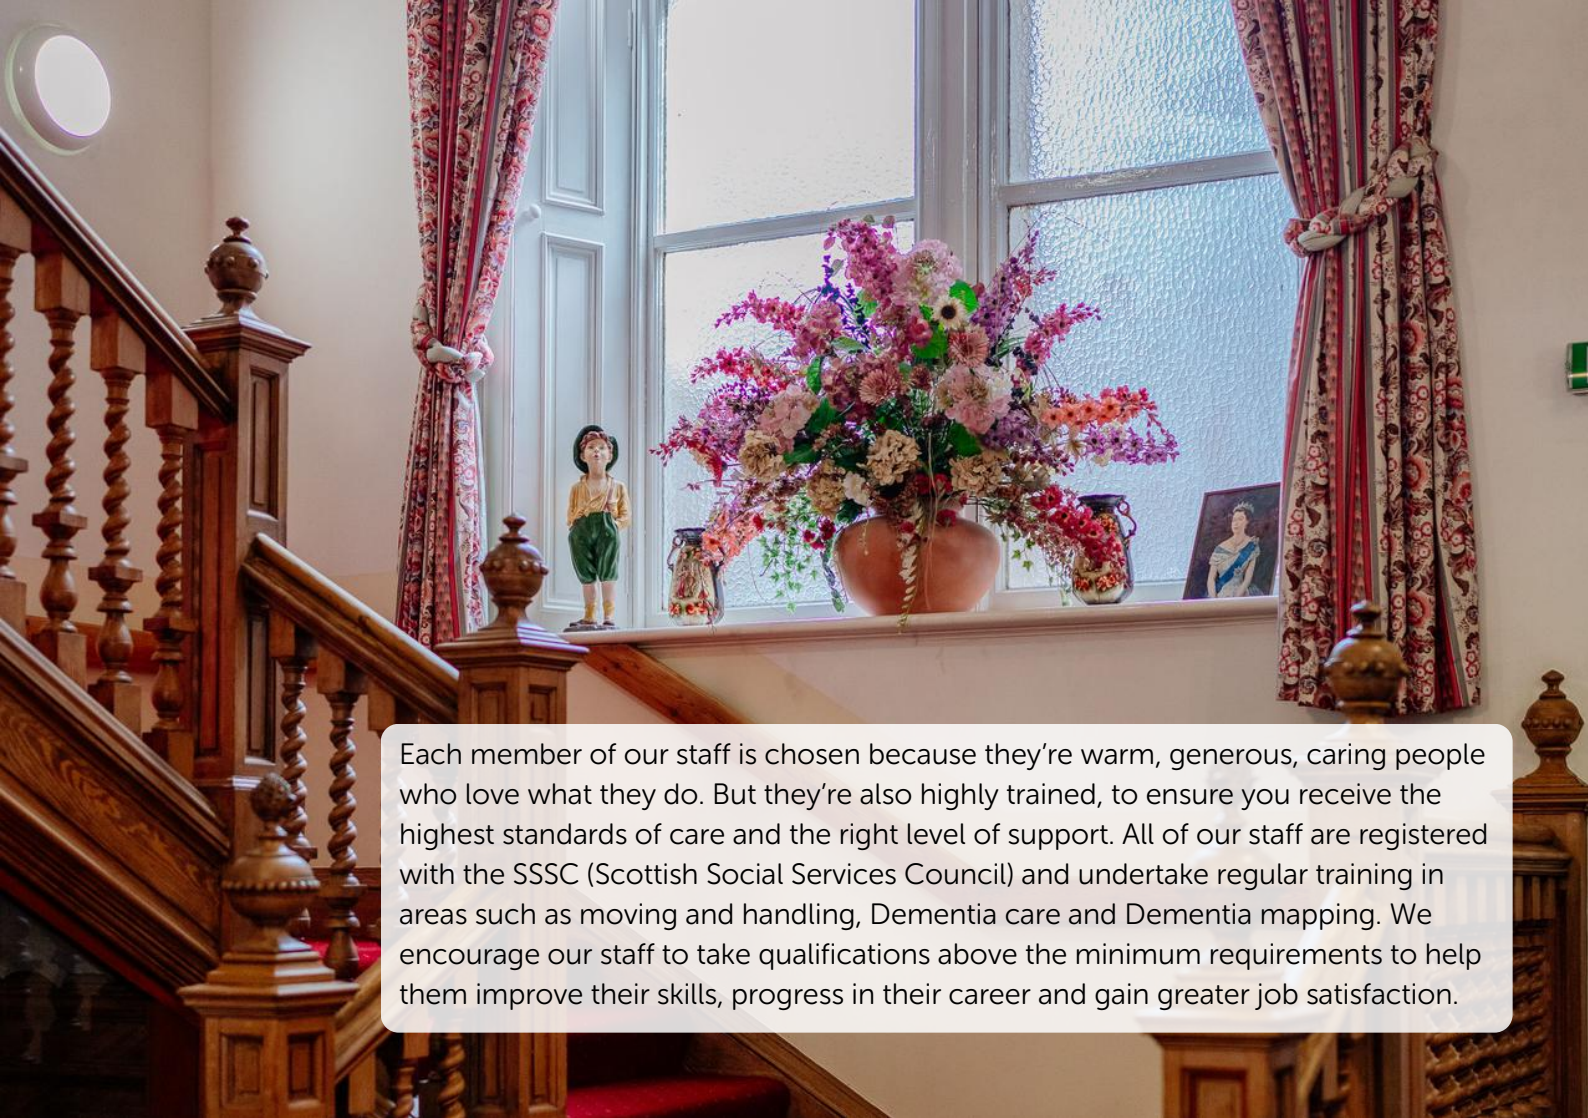

Your happiness means everything to us at Balmedie House, so we invite you to make your room as personal as you like. You're welcome to bring your own furniture, pictures and ornaments to make yourself truly at home. Plus, each of our rooms has a call system so you can summon assistance 24 hours a day.

Our aim is to make your life at Balmedie House as comfortable and enjoyable as possible. We start by listening to you and your family. We build a picture of your interests, hobbies and support needs and together, we'll draw up your own Personal Plan. You'll also have a named Key Worker who will discuss all this with you when you first arrive and regularly afterwards, to make sure we're meeting your needs at all times.

Families are a hugely important part of life at Balmedie House. You're welcome to visit at any time, just as if it were your relative's own home. When you do come by, you're free to make yourself a cup of tea or coffee using our facilities.

Each member of our staff is chosen because they're warm, generous, caring people who love what they do. But they're also highly trained, to ensure you receive the highest standards of care and the right level of support. All of our staff are registered with the SSSC (Scottish Social Services Council) and undertake regular training in areas such as moving and handling, Dementia care and Dementia mapping. We encourage our staff to take qualifications above the minimum requirements to help them improve their skills, progress in their career and gain greater job satisfaction.

At CrossReach we have been showing the practical side of our Christian faith for over 150 years.

We advocate acceptance, inclusion and diversity at CrossReach. Each and every one of our care homes are open to all and we are proud to support people from all faiths, cultures and backgrounds.
