

A detailed photograph of a Thanksgiving dinner table. The central focus is a large, golden-brown roasted turkey on a silver platter, garnished with fresh rosemary. Surrounding the turkey are various seasonal items: a glass of apple cider with a cinnamon stick, a bowl of cranberries, a pumpkin, and a small white pitcher. In the foreground, there are more pumpkins, a red apple, and a white napkin with a fork and knife. The background shows a wooden table with more pumpkins and a small white bowl.
