ARMINA JEWELRY

Armina comes from the Afghan word - desire or to reach ones goal.

Armina is where East meets West, as you can experience the rich culture of Afghanistan's finest vintage jewellery by styling it with anything you wear not just with Afghan clothing.

We provide a variety of handcrafted authentic Afghan necklaces, headpieces, earrings, bracelets, rings and much more.

We only sell via Instagram at the moment and are based in the U.A.E and the UK.
