GRAND OPENING

IHC Construction Companies, LLC is incredibly proud and excited to have been awarded the lead service line replacement contract for Elgin. This critical initiative will improve community infrastructure by ensuring residents have reliable access to clean, safe drinking water. Our team is honored to take on this important responsibility and looks forward to safely upgrading the community's water distribution system.

Continued federal infrastructure funding through the IIJA (Infrastructure Investment & Jobs Act), or a comparable replacement program, is essential to ensure projects like this can continue and be completed.
