5:00 am. Everything around me is quiet,  
the nature is still sleeping.

And I see the mountain.

It's so beautiful, it's amazing.

There are still few things to take with me.

I got the essentials.

I want to explore every possible place,  
every corner. The nature is calling me and  
I'm ready to go. The journey begins.

A photograph of a misty forest path. The path is made of dirt and rocks, winding through tall evergreen trees. The atmosphere is soft and ethereal due to the mist. Large, white, serif text is overlaid on the center of the image.

I'M

*a free soul*

First stop. I found this little wooden tower to take a break.  
The tower is very high and from here I can enjoy the view.  
The landscape is unique. I'll have a little break and then  
I'll leave again. I still have many hours to walk.

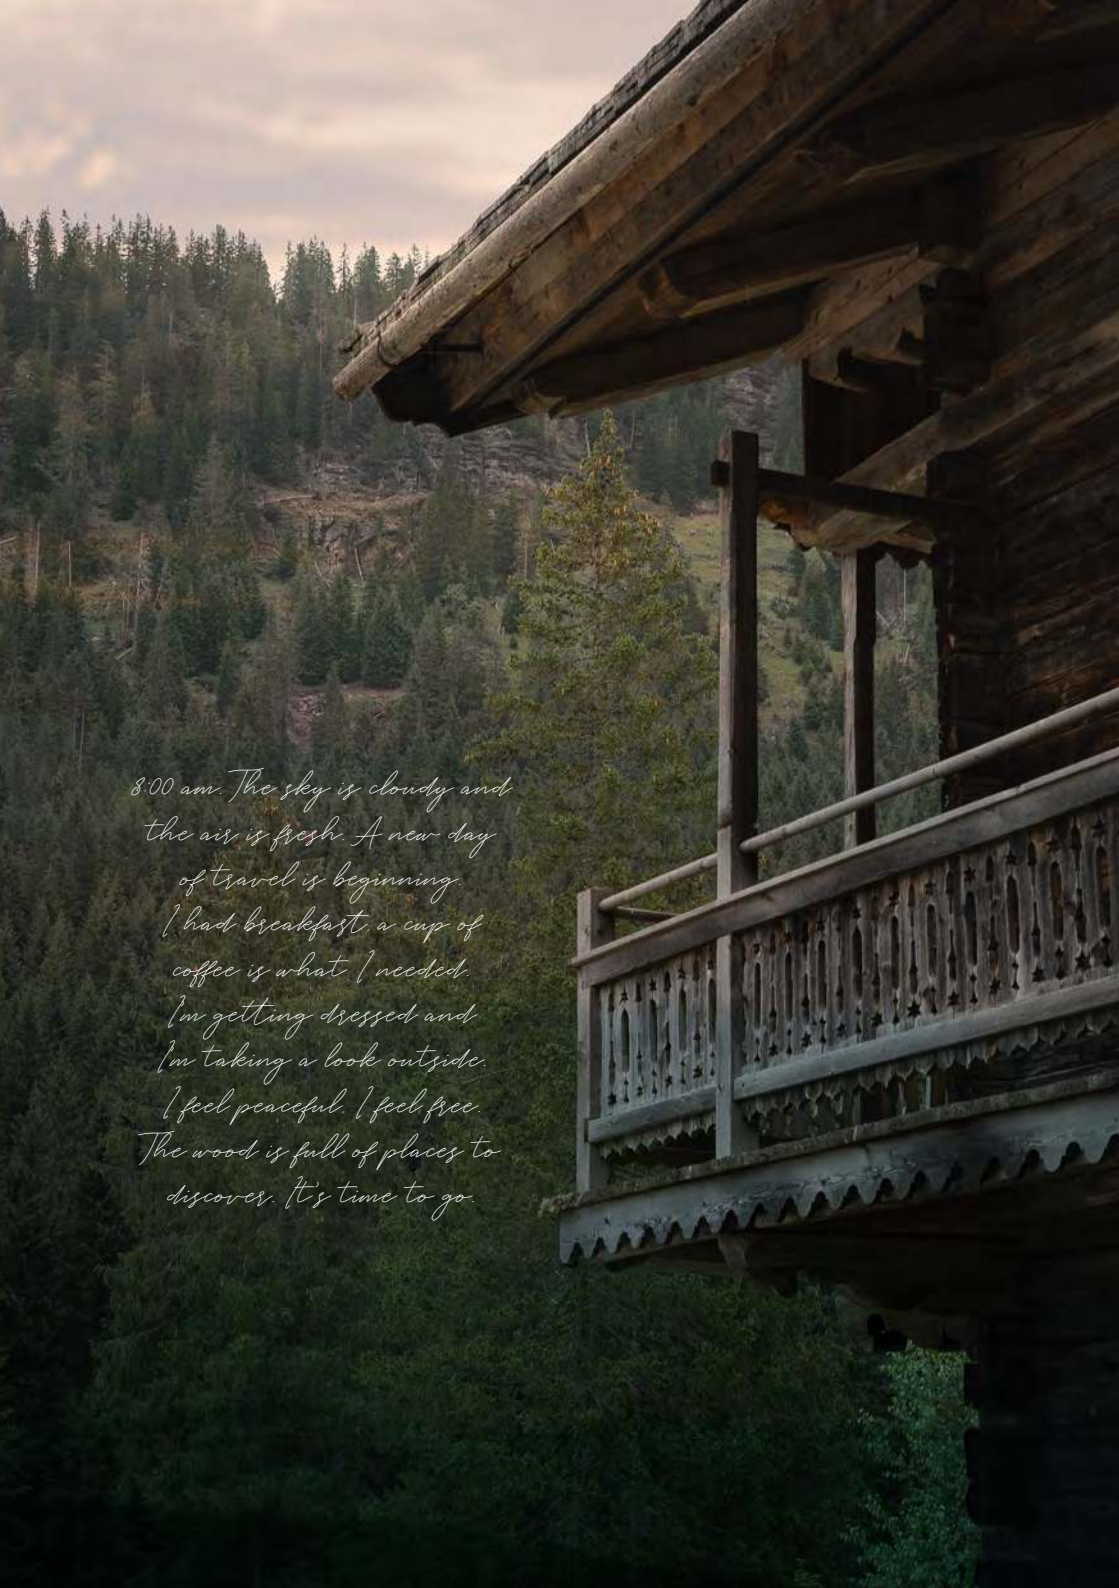

*8:00 pm. The first day of the travel is gone.  
This little wooden house will be my shelter for the night.*

A photograph of a wooden balcony with a decorative railing, overlooking a lush, forested valley. The balcony is part of a wooden structure, possibly a cabin or a house, and is positioned on the right side of the frame. The railing features intricate carvings. The background shows a dense forest of evergreen trees covering a hillside, with a cloudy sky above. The overall atmosphere is serene and natural.

8:00 am. The sky is cloudy and  
the air is fresh. A new day  
of travel is beginning.  
I had breakfast, a cup of  
coffee is what I needed.  
I'm getting dressed and  
I'm taking a look outside.  
I feel peaceful. I feel free.  
The wood is full of places to  
discover. It's time to go.

2:00 pm. After a few hours of walking, I find a path.  
It's a long road that runs along the wood.  
I decide to take it and see where it takes me.

6:30 pm. That path has led me to discover  
endless and uncontaminated expanses.  
The sky is still cloudy. It's going to get dark soon.  
It's better to find a shelter for the night.
