Welcome from NMAA Executive Director

Sally Marquez
NMAA
Executive Director

As we reach the culmination of another regular season and celebrate the accomplishments of the student-athletes, coaches, and sports officials during the past several months, it is a great time to reflect upon the past season, revel in the excitement of postseason play and look forward to interscholastic athletics and activities in the future.

If you are reading this program, you are a part of the game. It might be because you are participating in it in some way, as part of a team, the officiating crew, or the event staff. It might be because someone you love is participating as an athlete, coach, or contest official this week. It might be because you want to support your community or your alma mater. It might simply be because you love high school sports and want to witness the thrill and purity of high school athletics. Regardless of your role, you are important in this landscape and are representing someone and something bigger than yourself.

We all hear a great deal about unsportsmanlike behavior during athletic events. By definition, “unsportsmanlike” is a term that is reserved for participants in a contest. However, we tend to group in boorish behavior of spectators as unsportsmanlike. In truth, what we see and hear in the stands can simply be termed as “bad behavior” – disrespectful, degrading, offensive, threatening, aggressive or otherwise negative. This behavior can be directed at opponents, coaches, and contest officials. When you are the one participating in this behavior, it does not just reflect poorly on you – it reflects on the very community you are representing and supporting. This behavior, that is posted, reposted, and shared on social media has all too often become the norm and it is up to every one of us to turn the tide.

In his book, *A Lifetime of Observations and Reflections On and Off the Court*, legendary basketball coach John Wooden wrote: “Some say I believe in old-fashioned traits: courtesy, politeness, and consideration. I do believe in these qualities, but they are not old-fashioned. They never go out of style – even when they seem to be increasingly scarce. I believe they are still common. We just see their opposites so much that we think that’s all there is. People like to help, to be polite, to be considerate. I believe it’s human nature. And it’s a funny thing: when you start displaying courtesy, politeness, and consideration, people start displaying then right back.”

The world of education-based athletics and athletics is an amazing laboratory for lifelong learning. It is not just in the academic classroom where we learn lessons and those lessons are not just reserved for student-athletes. This educational content extends to the stands of a game or event, wherein we all become teachers and simultaneously students. As fans of our classmates, family members, neighbors, schools, or communities, we should strive to get back to the old-fashioned traits Coach Wooden held in such high esteem.

While we too frequently see the opposite of these ideals on social media, it does not give anyone the proverbial green light to act in the same way. We need to positively represent the students, schools, and communities we support, and we need to positively represent ourselves. While we can learn a lot from the behavior of the people around us, we can also be the one who is the model of positivity for everyone else around us.

We are all in this together. Let’s enjoy the competition, positively cheer for our teams, and give the game the respect it deserves.

2022 State Championship Recap

CLASS A LOGAN HIGH SCHOOL

CLASS 2A EUNICE HIGH SCHOOL

The Logan Longhorns ended the 2022 season the same way they ended 2021, with the blue trophy. Logan beat Gateway Christian 11-4 to claim the Class A State Baseball Championship for the second year in a row. This year's game was a rematch of last year's final.

The Longhorns took a 2-nothing lead in their first trip to the plate. Gateway Christian would cut the deficit in half, until a three-run outburst by the Longhorns in the fifth. The Warriors made it a 5-4 game in the sixth, but the Longhorns exploded for seven runs in the top of the final frame putting it out of reach.

Eunice took down Capitan 21-3 to claim the 2022 Class 2A State Baseball Championship. This game was decided in the second inning. The Cardinals (26-1) sent 20 batters to the plate in the second and scored 15 runs to close the door on the Tigers (15-7).

Eunice spotted Capitan the first run of the game in the opening frame, but posted two runs in their first at bat to take the lead for good. The marathon second inning was highlighted by an inside the park grand slam courtesy of senior center fielder Micah Tippet. It's the 18th state title for Eunice (most in New Mexico history), but the first for the Cardinals since 2015.

2022 State Championship Recap

CLASS 3A

NEW MEXICO MILITARY INSTITUTE

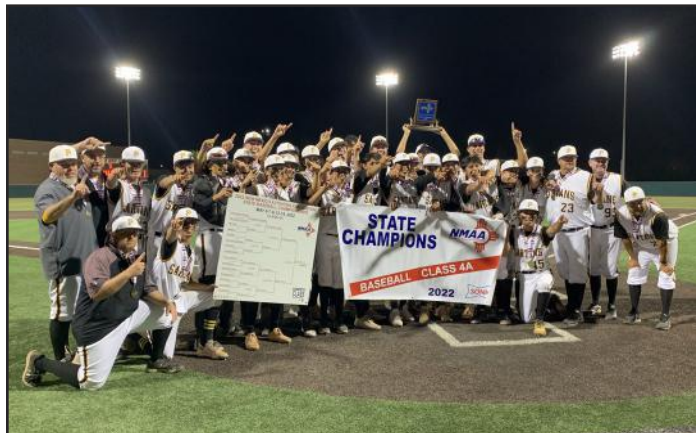

New Mexico Military Institute left little doubt who had the best pitcher in Class 3A during the 2022 season. The Colts relied on the state's strikeout leader to help them win their first state championship in program history. NMMI took down East Mountain 15-1 to win the Class 3A State Baseball Championship.

Luis A. Patron, New Mexico's strikeout leader and one of the top K-men in the country, struck out 12 East Mountain batters and only gave up three hits in his championship game performance. His first 10 outs over his 4 and two-thirds innings were by strikeout. Patron also drove in the first runs of the game with a bases-clearing double in the first. NMMI (23-6) scored at least three runs in each of their first four innings. East Mountain (19-8) gave up 13 walks on the game.

CLASS 4A

ST. PIUS X HIGH SCHOOL

The 2022 Class 4A title game was a matchup of 1-versus-2 and longtime rivals. Defending state champ Albuquerque Academy took on St. Pius X in a rematch of last year's final. This time, it was the Sartans who finished the season on top. The Sartans got their revenge with a 15-2 emphatic win over the Chargers to claim the Class 4A State Baseball Championship.

St. Pius X senior Nolan Esterly started the hit parade with a two-run single in the first. In the third, Esterly drove in another run with a double in his second plate appearance. Esterly would score on a Jacob Sena single to make it 4-0. The Sartans would add two more runs in the fourth, followed by another 9 runs in the fifth to hang 15 total on the board. The Sartans sent 13 batters to the plate in that explosive fifth inning. Academy (26-5) had five errors and only four hits on the game.

Esterly led the charge offensively going 3-3 with a double, triple and 4 RBIs on the game. It's the second state title for St. Pius X since 2019.

2022 State Championship Recap

CLASS 5A CARLSBAD HIGH SCHOOL

Carlsbad’s pitching played a big role in their postseason success. Nolan Perry, Mack Mabrey and Grant Harvill only surrendered four runs in their five playoff wins. Harvill started in the championship game against the Matadors and struck out 11 batters, handing Sandia (22-8) their first shutout of the season.

With their senior lefty on the mound, Carlsbad (27-4) didn’t need much offense to pull this one out, but they plated their first runs in the first inning. Nolan Perry knocked in Tristan Thomas to give the Cavemen a 1-0 lead, part of a 3-run inning for Carlsbad. Brandon Ganaway gave Carlsbad a 4-0 lead with an RBI single in the third. Carlsbad posted three more runs in the seventh to seal the deal on their championship win. Ganaway was perfect at the plate going 4-4 with a double and 3 RBIs on the game.

Carlsbad High School has one of the most successful baseball programs in New Mexico and the Cavemen added another chapter to their storied history in 2022. Carlsbad beat Sandia 7-0 to win the Class 5A State Baseball Championship crown. It’s the 12th baseball title for Carlsbad, but their first since 2016.
