# BABY ESSENTIALS

## DIAPERS

Parent's Choice Dry and Gentle Baby Diapers help keep your baby dry and comfortable. These diapers have an Advanced Super-Absorbent Core that absorbs liquid quickly, locking away moisture for up to 12 hours to help keep your baby dry day or night. The wetness indicator changes from yellow to blue, so you know when to change your baby's diaper. They are made from extra-soft breathable materials that are both gentle and caring against your baby's skin for ultimate comfort. The gentle but snug fit of the diapers helps protect from leaks at the back, waist, and legs. The diapers are made without natural latex, lotions and perfumes and are dermatologically tested, so you can trust they will be gentle on baby's skin. Choose from two stylish, fun prints and multiple sizes. Bring home the Parent's Choice Dry and Gentle Baby Diapers today.

# LUVS

## DIAPER PACKS

You learned a lot from baby #1 - especially not to pay more for diapers when you don't have to. So now, you don't trust something because it costs more, you trust what works. Luvs diapers protect baby from leaks at the low price you're looking for - complete with a money-back guarantee.\* That's because Luvs knows that between laundry, play dates, snack times, and nap times, you don't have time for leaks. Luckily, Luvs has NightLock Plus to lock away wetness, even overnight. Luvs diapers also have large, refastenable stretch tabs and a wide fastening area to help make diaper changing time easier too. They're also super soft with a Leakguard core, to help keep baby dry and comfortable. You value your time, and so do we. Get a better value in diapers when you Live, Learn, & Get Luvs. Available in sizes NB, 1, 2, 3, 4, 5, and 6.

## PRODUCT HIGHLIGHTS

- Triple Leakguards help stop leaks before they happen
- Nightlock Technology locks away wetness for up to 12 hours of overnight protection
- Secure & Stretchy Sides With Comfy Leak Barrier Cuffs
- Wetness Indicator turns blue when wet, telling you when your baby needs a change
- No Parabens, No Latex\* \*Natural Rubber
- Two fun designs so your baby can look cute without the leaks
- Luvs diapers are getting an upgrade so your packaging and product may vary

## UP & UP

### BOXED- SUPER SIZE

up & up™ size 3 through size 7 diapers provide up to 12 hours of leak protection. Each size offers a gentle-touch dryness liner clinically proven gentle and hypoallergenic. up & up™ diapers are free of latex, lotion and fragrance, and include a wetness indicator that turns blue when wet. With secure grip tabs for a strong hold and soft and stretchy waist and sides, up & up™ diapers provide a breathable outer cover to help keep your baby dry. **WARNING:** to avoid danger of suffocation, keep this and any plastic bags away from children and pets. To avoid risk, do not allow your child to play with diaper packaging. Choking can result from anything children put in their mouths. Discard any torn or unsealed diaper. **CAUTION:** Like most clothing, diaper will burn if exposed to flame. Always keep your child away from any source of flame. **PLEASE:** Before disposing, shake soil into toilet wrap diaper tightly and discard in waste receptacle. **DO NOT FLUSH. PLEASE DO NOT LITTER.** IF you notice a small amount of gel-like material on your child's skin, don't be alarmed. This comes from the padding and can be easily wiped away. Diapers should not be worn in swimming pools as they will absorb water and become very heavy
