Avant propos

Durant 7 ans, joueurs et joueuses de FailyV ont fait rire et pleurer toute une communauté. Une communauté qui n'a cessé de grandir, bercer par les histoires de San Andreas.

Parmi cette communauté, bon nombre d'artistes ont immortalisé ces moments, parfois éphémères, en les figeants dans nos mémoires à coup de crayons.

Cet artbook, pour lequel plus de 60 artistes ont répondu présent, vous fera voyager à travers l'île qu'aucun volcan n'effacera jamais de nos cœurs.

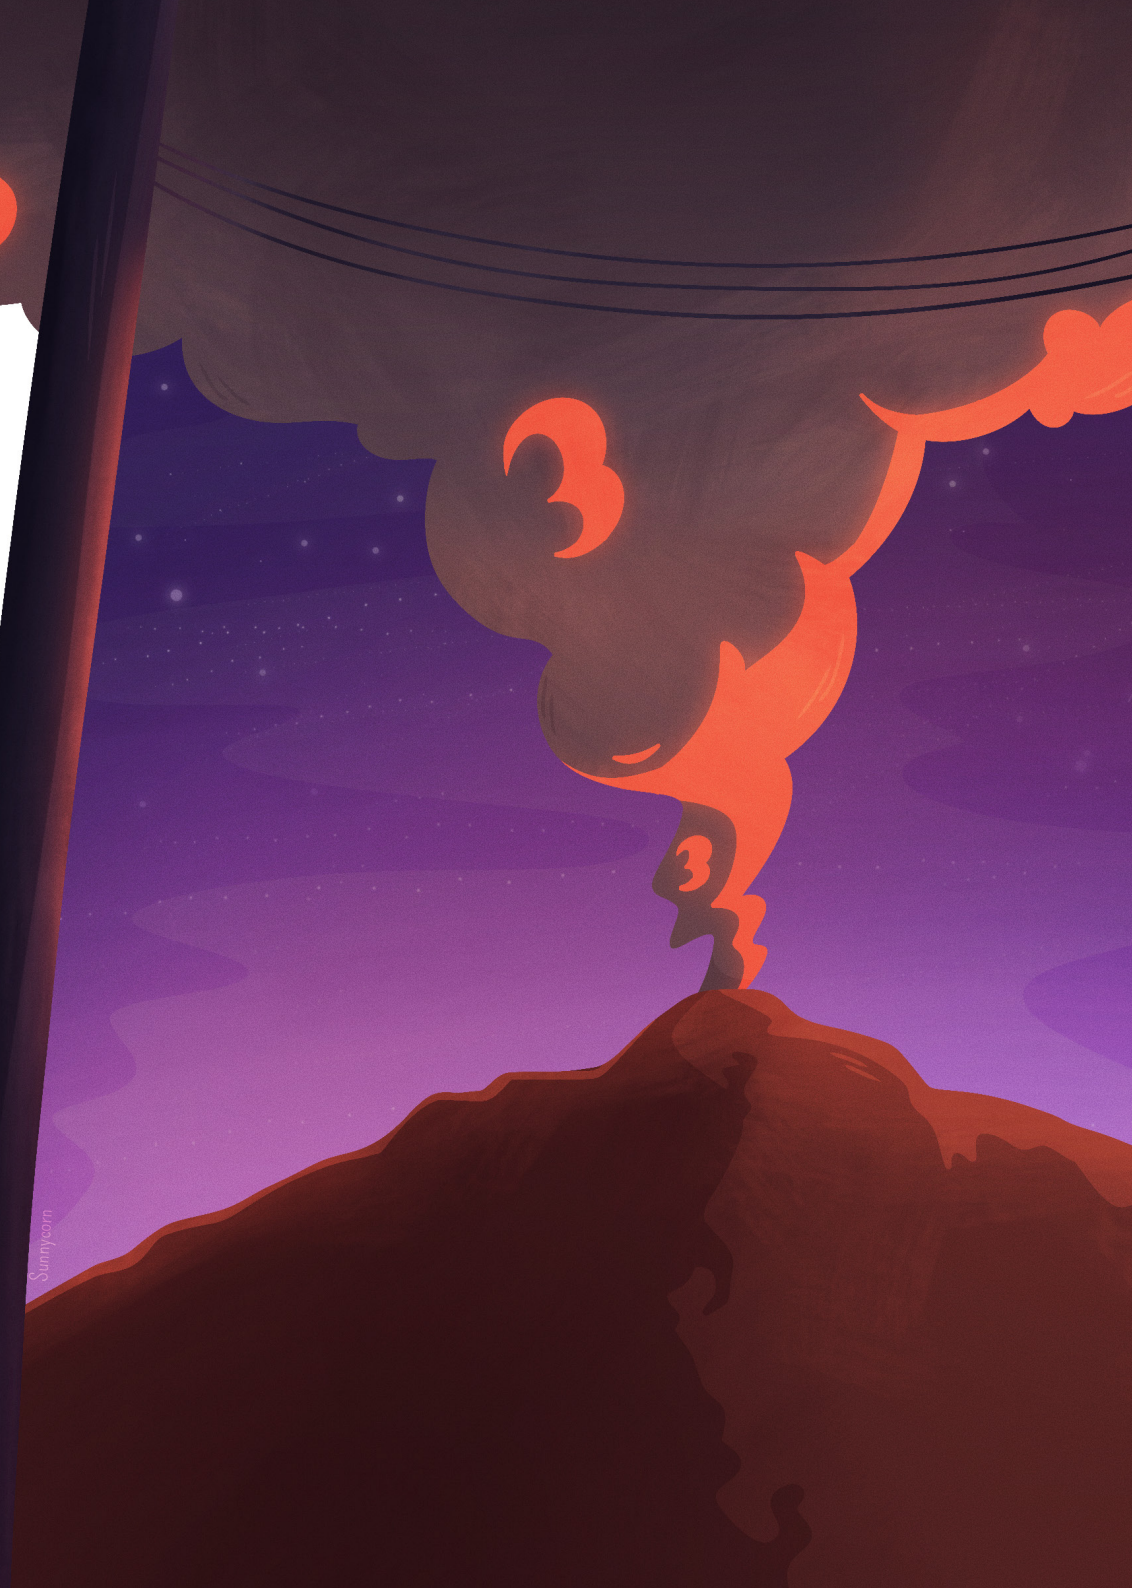

Les artistes

Sept années à accompagner les joueurs au quotidien ! Nous avons vécu avec vous vos histoires, les plus joyeuses comme les plus tristes. Nous sommes fiers de ce que vous avez créé. Il en est de même pour tous les artistes, joueurs comme viewers qui ont illustré les moments forts de la vie du FailyV.

Toutes vos créations, que ce soit un simple screenshot posté sur les réseaux, un magnifique dessin, un best-of, une chanson, un clip mémorable, etc., immortalisent les aventures vécues sur FailyV.

Merci pour toutes les émotions que vous avez su retransmettre à la communauté FailyV.

AABAS
ZOHAR

Date de naissance: 10/04/1987
Surnoms: Zohar 2, Shérif
Couleur des yeux: Brun
Couleur de cheveux: Gris foncé
Origine: Grèce

Signes distinctifs:	**Lunettes de soleil, Peau foncée**
Talents:	**Endurance, Intégrité, Empathie**
Défauts:	**Réservé, Pessimiste, intransigeant**
Liens:	**Zohar1, Lorenzi, Turner, Fleet, Max, Demonville, Hernando**
Il aime:	**La plage, Lorenzi, Fleet**

Shérif du LSCS, Zohar a rejoint le bureau avec son frère jumeau. Au cours de ses débuts de service, Zohar a effectué plusieurs missions pour le LSCS, telles que des infiltrations au sein d'un groupe. Zohar deviendra l'adjoint du Shérif Turner après le départ de l'adjoint en fonction, Dummun.
Effectuant les patrouilles ensemble, les deux shérifs se lieront d'amitié. Zohar sera la plupart du temps au téléphone, s'occupera de la gestion des agents et des alertes d'urgences. Il décidera d'adopter Max Peters.

Zohar rencontrera Ilio Lorenzi, un agent du LSPD avec qui il flirtera et ils se donneront rdv à Cat Fish. Aabas a eu une relation avec un autre agent (Hernando). Ce qui rendra Lorenzi jaloux. Zohar restera avec Lorenzi et les amoureux se marieront très vite. Turner cèdera sa place de Shérif à Zohar, lui faisant entièrement confiance. Zohar nommera Demonville comme adjoint.

Malheureusement, il tombera dans la dépression et dans l'alcool suite au décès de son mari. Soutenu par Max, Turner et les agents du bureau, il reprend son rôle de shérif et se plonge dans le travail pour surmonter cette épreuve. Quand ça va mal, il sait qu'il peut compter sur Max et Turner pour le soutenir et l'aider.

Zohar, repartant du bon pied, tombera une nouvelle fois amoureux d'un agent du bureau (Fleet).

Caractère : Dynamique

MAX PETERS

Date de naissance: 14/03/2003
Surnoms: Max, Jeune homme, Deputy
Couleur des yeux: Bleu
Couleur de cheveux: Roux foncé
Origine: Anglais, Londres

Signes distinctifs: **Casquette verte**

Talents: **Créativité, Courage, Empathie**
Défauts: **Cachotier et Hyperactif**
Liens: **Zohar, Poly, Lorenzi, Grande, Le LSCS**

Il aime: **le vert, Zohar**

Max a quitté sa famille biologique à ses 18 ans (enfant non désiré, ses parents ne prennent aucune nouvelle de lui). Commençant une nouvelle vie à San Andreas, il va travailler dans plusieurs entreprises mais commet en parallèle des actes illégaux (bracages de supérettes, vente de stups).
Il se liera d'amitié avec Jostophe et ils deviendront inséparables, vivront en coloc et seront souvent arrêtés pour leurs nombreux méfaits.

Max sera adopté par Zohar, à qui il voue une affection et une grande confiance.
Il travaillera à Weazel News. Pendant sa carriére, il sortira de petites BD préventives dans le journal. Sa relation avec Jostophe se détériorera. En effet, Max trempe de moins en moins dans l'illégal, au contraire de Jostophe. Aprés plusieurs désaccords et altercations, Max coupera les ponts avec celui-ci. Il rejoindra le bureau du shérif, là où travaille Zohar, son pére adoptif.
