

CORAL + HIVE

Designer
Sample Guide

MADE BY HAND FROM NATURE

Coral + Hive is a boutique rug studio creating custom, handwoven pieces from natural fibres. Our home is in Cape Town, South Africa, where we work alongside one of the largest weaving looms in Africa. It's a humming hive of creativity, where we design and produce perfectly imperfect rugs for thoughtful spaces around the world. We're supported by our London showroom and a family-run loom partner in India.
