ALGERIAN

Scott Heidler meets the CHALLENGE of the springboard as he executes a forward one and a half with amazing skill.

The CHALLENGE of patriotism is met by Carol Roberts as she presents the American flag at an assembly. This is one of the regular duties of the Tartanettes.

"The world is but a changing whirl of lives, thoughts and deeds. Our lives are a challenge within themselves."

For this reason the McLain 1967-68 Highlander Staff has chosen for our theme:

#### "THE CHALLENGE OF CHANGE"

There is a challenge to us as students and to us as citizens of this great continent. A challenge of our integrity, a challenge of our changing minds, and a challenge of our changing way of life.

We feel that McLain has and is developing us, as students, to meet these challenges. In fact McLain is a challenge in itself. A challenge to do our best, and be proud of it in everything we attempt to do. We are challenged in our school work, our sports, and the changes in life and in our education.

McLain, in preparing us to meet the CHALLENGES OF CHANGE, has, in reality, changed us. McLain has changed our way of thinking, for in life we have many mental roads to travel, many decisions to make, and to be able to meet and make these decisions we are developing our minds through education at McLain.

#### The Cover

Fitting in with our theme "THE CHALLENGE OF CHANGE" the staff has used modern "pop art" in the cover with "pop colors."

## Scots Meet

# THE CHALLENGE

With the State Legislature now providing the incentive for Drivers' Education, McLain Scots take transportation problem. The class met at 7:30 a.m.

Teahouse of the August Moon, presented by the senior class, was a great success. Many CHALLENGES were met by the actors and stagecraft members. Special attention should go to the stagecraft and art

departments for the beautiful and magnificent set they created. And also, the ability with which the stagecraft met the CHALLENGE of assembling the teahouse in front of an audience deserves praise.

### ORGANIZATION OF THE BOOK

After scanning through this year's annual you've probably thought, after looking at the student section, that either we made a mistake, the publisher's made a mistake or we have just gone mad! It's none of these but we let our imagination loose and considering our theme, we felt our student section needed a change and so it got one. Think of the poor guy who is always last, well he is now at the first and the first last, but the middle guys, well sorry!!

Again this yearbook is spread where you get more for your money and it has changed also. We have added 24 additional pages and more color. We hope that this year's book will bring you much enjoyment and pleasure.

David Dyer congratulates Al Tindell who met the CHALLENGE on the mat.

Coach Shoulders, absorbed in his work, is McLain's new head coach, and has met the CHALLENGE of leadership.

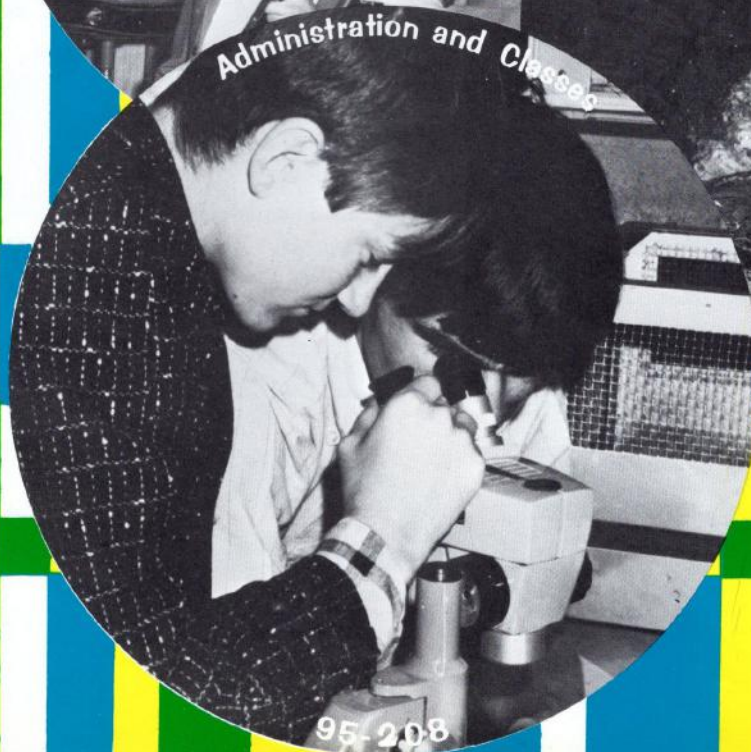

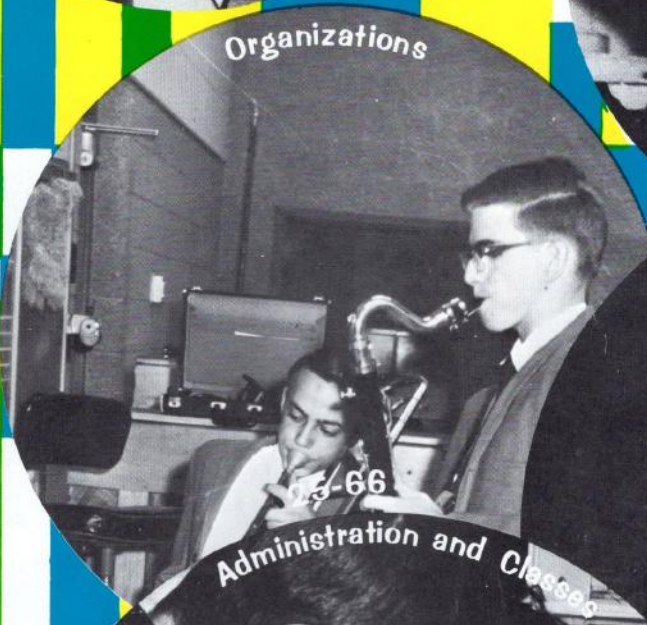

TOP: Larry Daylight performed in a cultural exchange for the United States. Congratulations to Larry for meeting this CHALLENGE.

ABOVE CENTER: Definitely a CHANGE, the Cheerleaders with boy's legs. They are announcing the winner of the crazy legs contest.

# Tulsa Board of Education

The Tulsa Board of Education is constantly changing to meet the "CHALLENGES OF CHANGE" with which they are continually confronted.

The schools have brought before the members many demands brought about by the changing views in education.

Many times these members have decided and executed the solving of the many ever-changing difficulties which temporarily block the furtherance of our changing educational opportunities. These opportunities are at hand with the rising demands for education in our changing world.

To meet these "CHALLENGES OF CHANGE" we have this group to fall back on when we are in need of their services in helping us as students, as teachers, and as citizens to meet and overtake these challenges.

## Scots Observe the Birthday of Namesake

### General Raymond Stallings McLain

Not everything is changing here at McLain. Our respect for the great man for whom we have dedicated and named our school, Raymond Stallings McLain, has not changed.

General McLain was a self-educated man. His formal education ended with the sixth grade, but his ambition caused him to use his talents to their fullest extent, and he became a man whose name and deeds will live forever among men. As a student of this High School, we should strive to uphold his motto to the fullest of our ability:

**HONOR, LOYALTY, AND DETERMINATION**

General McLain faced many challenges and met and adapted himself to these changes and overcame them. We should do the same.

Gen. Dwight D. Eisenhower is pinning the third star, representing the meeting of many challenges, to the shoulder of General McLain.

#### MESSAGE FROM THE PRINCIPAL

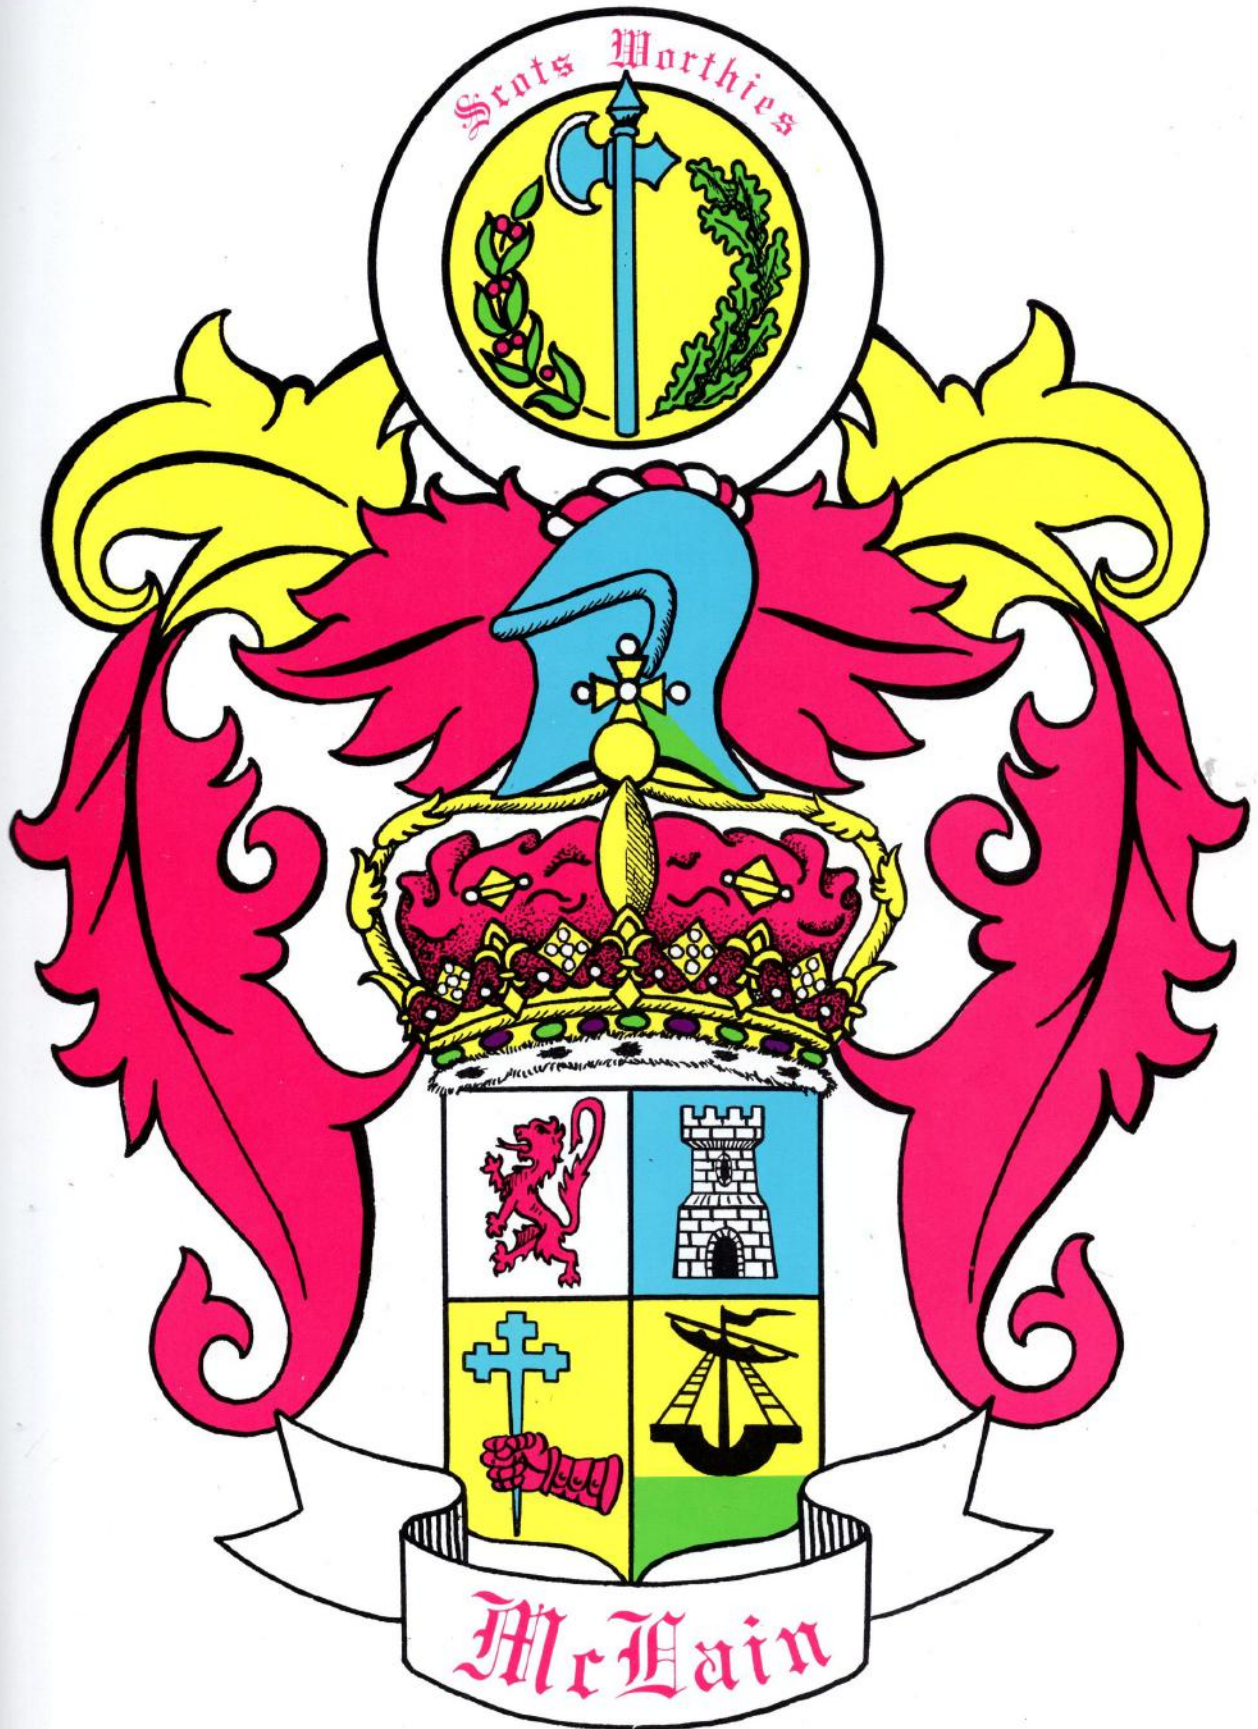

When I was told that the theme of our 1967-68 Yearbook was to be "THE CHALLENGE OF CHANGE", I immediately thought how appropriate it is to our time and to education. The world and education is certainly changing, and it is a great challenge to us in the education field to see to it that we meet, accept, and are ready for this change.

Change, however, is only to be expected, for history clearly indicated that education is constantly evolving, adjusting and adapting to new circumstances and new demands. It is, today, the product of evolution rather than revolution, and its future will be determined by the direction of its continuing growth. Educational institutions exist to serve the educational needs of its students as they prepare for life in a democratic society. Just to meet the minimum standards is not enough today. We must strive for the optimal or exemplary conditions. To accept less would be unfortunate; therefore, we commit and dedicate our best to this end.

In addition to this we urge the student in this changing world to take advantage of his opportunities as they present themselves. To miss opportunities now usually means that they are lost forever, because fate, and circumstances, almost without exception, prevent them from ever appearing again.

Changing the court was indeed a pleasure this year. We selected the beautiful, most fair and the very best in the school of McLain as our Queen and her Attendants to reign in 1967-68.

One other change was at hand for the McLain student body this year, which was the introduction of the new seal or coat of arms. This coat of arms was designed, based on studies of the ancient clan of "McLaine." The seal shows nobility and strength of our "Fighting Scots". It was accepted quite well.

We are indeed proud of the Queen and her Attendants and the new design of the Crest of McLain."

NANCY FOSTER

The Honor of being selected Boy and Girl of the Year is indeed great. The two chosen have to be the best students we have at McLain. He plans to attend OSU or TU and become a teacher and lawyer.

She has also been a cheerleader, Kilt Clan leader, and a member of the Senior Board. Nancy also plans to become a teacher. She wants to attend Northeastern State College.

We want to congratulate Mike and Nancy for being chosen for this honor and to tell them that we feel that they are qualified to fill this spot. Nancy and Mike have met the "CHALLENGE OF CHANGE."

## McLain's Student Council

This year the McLain Student Council, headed by Mike Turpen, and Sponsor, Mr. Wayne Brooks met the "CHALLENGES OF CHANGE" in high fashion.

A change in the school grounds was headed by the Student Council as they led the student body in a Rummage Sale to raise money to beautify McLain with new rose bushes.

They did in a good way, promote school spirit in many ways; such as door decorating contests, Spirit Parades around the McLain vicinity, and also provided for us, at football and basketball games, programs and the concession stands.

Urging the students to safety as the world is rapidly changing and creating problems, they met them with such things as Traffic Safety Week and also collected toys for children at the Hissom Memorial Center.

## McLain Red Cross

Another organization which brought much excitement and activity to McLain this year was our Red Cross.

For McLain they raised over \$100.00 in memberships by activities such as bake sales and selling garters, which are only two of the many things in which they participated.

One of the outstanding features in this year's Red Cross, was the fact that they participated in "Voices From Home," by taking pictures and recordings of families of service men in Viet Nam at Christmas.

This year leading the group was Janet Yoho, President, and as their sponsor Miss Mullenix.

Mrs. Mullenix, Sponsor and President Janet Yoho.

THIRD: Judy Freeman, Paul Trowbridge, Eric Lowe, Don McGuire, Thomas Calvert, Edward Schmitt, Alvin Lowery, Don Grayson, and Jo Ferguson.

Part of the big responsibility of keeping the spirit high at McLain rested with these three people; Co-head Cheerleader, Pat Mathews, Sponsor, Mrs. Ann McGregor; and Head Cheerleader, Jill Fitts.

FIRST: Debbie Rogers, Connie Shouse. SECOND: Shirley Eaton, Donna Dick. THIRD: Audrey Cravines, and Claire Sawyer.

The girls often lead the student body in cheers during pep assemblies.

## Cheerleaders

This year in meeting the "CHALLENGE OF CHANGE" our cheerleaders brought in a new style by their new uniforms.

Supporting our Scots, they traveled much. Raising the spirit here at McLain was one of their many activities.

This year the squad was headed by Jill Fitts, and the co-head cheerleader Pat Mathews.

The Kilt Clan squad leaders this year were: ROW ONE: Nancy Taton, Linda Wakefield, Sandy Crotser. ROW TWO: Sandi Eaton, Nancy Foster, Lottie Croft, Linda Bishop, Beverly Prudom.

## Kilt Clan Aids

Who is there to back our Fighting Scots and cheer them on to victory? The Kilt Clan of McLain, that's who!

This organization formed many years ago has had many sponsors and worn many names. Kilt Clan as such, was given this name in 1966 and has been called that since.

This year, as every year, the Kilt Clan has raised the spirit at McLain and they are as always, there, wherever a basketball game or any other sporting event occurs cheering our teams on to victory.

Besides encouraging our teams, the Kilt Clan sponsored many spirit raising pep assemblies and for all sporting departments, made favors for the boys to wear the day before the game.

FIRST: Nina Young, Judy Dunlap, Mary Grace Crussell, Karen Pilgrim, Jane Dunlap, Millie Pennington, Becky Dempsey, Alice Barker, Jayna Prevett. SECOND: Pat Hubbard, Jo Adams, Diane Sherl, Pam Whitesell, Nancy Franklin, Kathy McGuire, Debbie Tracy, Sharon Lindsey.

THIRD: Cathy Collins, Marye Gunnells, Linda Griffith, Yvonne Branch, Patty McBee, Elaine Horton, Carol Robinson, Paula Ekstedt, Kathy O'Leary, Debbie Fields.

## in Raising "Spirit."

These favors take many hours and much labor to make these for the boys and it's to show the appreciation of the Kilt Clan to the boys for what they are doing for McLain.

In their new uniforms, the Kilt Clan also met the "CHALLENGE OF CHANGE" in style this year.

One other of the Kilt Clan's many activities was helping the needy families around Tulsa. In doing this they collected can goods and delivered them to the families in need.

This year the Kilt Clan has two new Sponsors, Mrs. Skalnik and Mrs. MacGregor, (not really it's just Miss Brogden and Miss Zierner in disguise.) Presiding as President this year is Sandra Cavitt and as Vice President Dean Tipton.

Chosen as officers were: FIRST: Dean Tipton, Vice-President; Sandy Smith, Program Chairman. SECOND: Sharon Armstrong, Secretary; Janet Price, Treasurer; Sandra Cavitt, President.

FIRST: Sue Purkiss, Sharon Galvan, Viola Harrison, Violet Harrison, Diane Stokes, Teresa Wofford. SECOND: Therese Dickenson, Joann Smith, Diana Henry, Marsha Wright, Kathy Thomas, Racky Thomas,

Fayette Parker. THIRD: Jo Stephenson, Pam Hubbard, Kathy Jones, Johnna Dickenson, Jan Simmons, Elizabeth Weaver, Dixie Miller, Karen Hancock.

## Band Raises Funds for New Uniforms.

Les Biffle, Drum Major; Larry White, Drum Major; Cathy Bowyer, Vice President; Wilbur Knighton, President; Donna Burd, Secretary Treasurer.

The band this year is in new spirit, directed by Mr. David Edris. The band, being determined to meet the "CHALLENGE OF CHANGE," has worked hard, in such things as stage concerts, by participating in the musical "The Music Man," and many more activities to raise money to buy new uniforms.

The band, one of the many organizations which raises the spirit at McLain, has done much in doing so. For example, marching through the halls in snake marches, playing at all pep assemblies and playing and marching at every football game, no matter how cold it was, or how far they had to go, they were there.

The Band working many long hard hours in preparing for the musical, "The Music Man", played well. The music was very hard and it took a lot of patience and time to learn and play the music as well as they did.

The Stage Band, really a part of the big band, played in many concerts to raise money for the new uniforms of the band. This also took many hours and practice and patience to learn this music and to play it as well as they did.

FIRST ROW: Paul Evans, Wilbur Knighton, Cathy Bowyer, Les Biffle, Carol Vorse, June Clee, Kathy Kinney. SECOND ROW: Robb Pethick, Edwin Wood, Jimmy Donelson, Carole Harrell, Jo Ferguson, Kathy Blamires. THIRD ROW: Diana Ferguson, David Morgan, Karen Ekstedt, Bobby Briley, Bill Sparks, Mike Reedy.

**TWIRLERS:** FIRST: Linda Tucker, Carolyn Roark. SECOND: Linda Shieldnight, Donna Burd. THIRD: Diane Rippetoe, and Donna Roberts.

Mr. David Edris, Sponsor and Director of the Band, plays the trumpet along with the band at one of their many practices.

**FIRST ROW:** Randy Hill, Tom Broad, Larry Fletcher, Bill Smith, David L'Roy, Paul Smith, Mr. David Edris. **SECOND ROW:** Grady Kennon, Joe Wiles, Frank Freeman, Gary Rollins, Manuel Casillas, Lowell Burch. **THIRD ROW:** Larry White, Charles Tarver, Larry Salyer, Roy Owens, John Kastl, John Odom.

## Stage Band and Orchestra

The Stage Band is one of McLain's most active groups. The Stage Band was active all year round, entertaining our students and besides that, going to social groups such as the Elk's Club, entertaining adults as well as teenagers. This shows what quality the members of this group have in playing their instruments. It also shows how much work and time they have put into their club.

The Orchestra, McLain's and Tulsa's finest, is composed of students who also were very busy this year. Playing in concerts for assemblies at McLain, plus when the music department had its annual show there was the Orchestra in fine fashion.

One other fine group at McLain is the McLain Advanced Chorus. This group is composed from the finest singers from McLain. Before you become a member of this group you must audition. This group is under the direction of Mrs. Ellis.

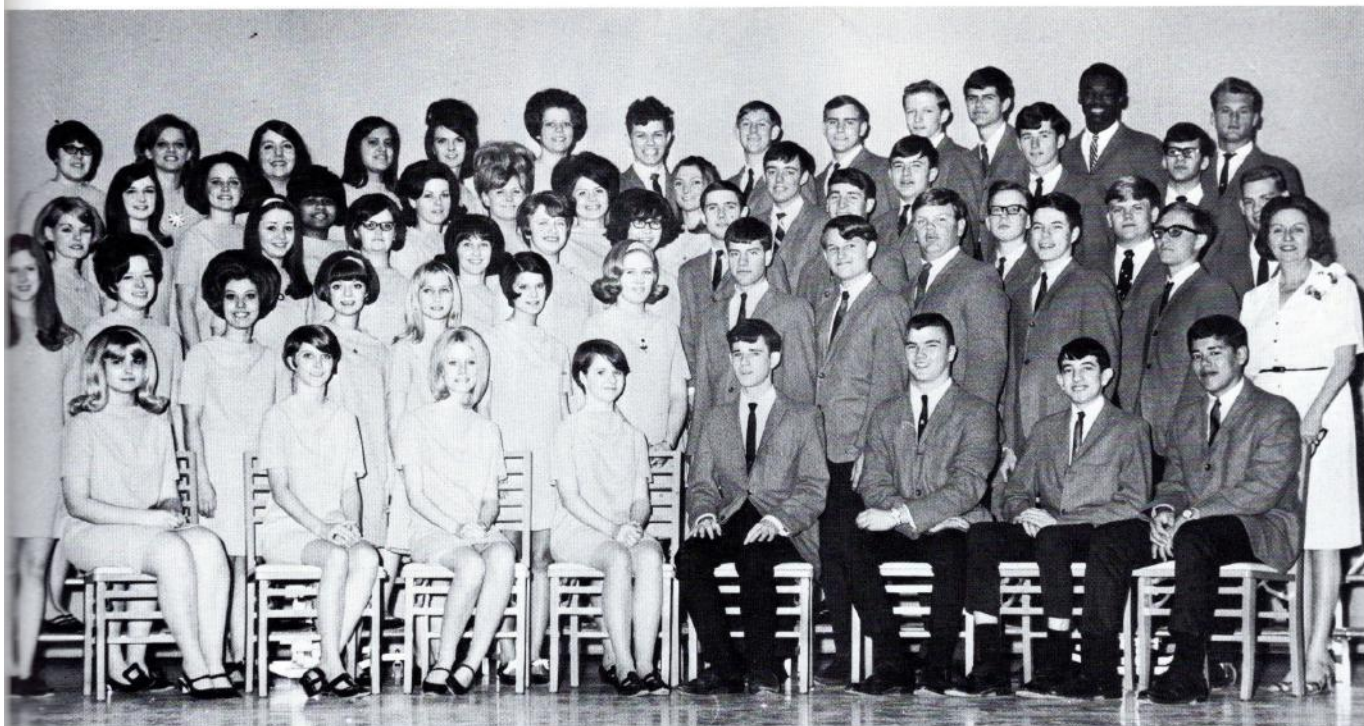

7:30 practice came early for these stage band members; David L'Roy, Bill Smith, Les Biffle, Randy Hill, Larry Fletcher, Tom Broad. SECOND: John Kastl, Larry Salyer, Dewayne Allen, John Odom, Larry White. THIRD: Charles Tarver, Lowell Burch, Paul Smith, Manuel Casillas, Frank Freeman, Gary Rollins. STANDING: Steve Ledbetter, David Morgan, Mr. David Edris, and Darlene Simpson.

The members of the orchestra are to be congratulated for their work in the "Music Man". They Are: FIRST: Bill McAnelly, Darlene Simpson, Deana Hamilton, Bill Barnes, Mr. David Edris. SECOND: Larry

Salyer, John Kastl, Les Biffle, Cathy Bowyer, Larry Fletcher, Tom Broad, Randy Hill. THIRD: Charles Traver, Gary Rollins, Lowell Burch, and Manuel Casillas.

Mrs. Ellis pins on her corsage presented to her by the Chorus.

## '68 Special Carried

# THE

Carrying one of the major roles was Rebecca Hamilton as Eulalie Mackecknie Shinn, the Mayor's wife. This was a new type of role for Rebecca but she met the CHALLENGE with admirable skill. She captivated the audience with her charm.

As the "68 Special" rolled into River City, Iowa, Professor Harold Hill, played by Larry White, shocked the rest of the traveling salesmen on board by declaring that he'd "Just have to give Iowa a try".

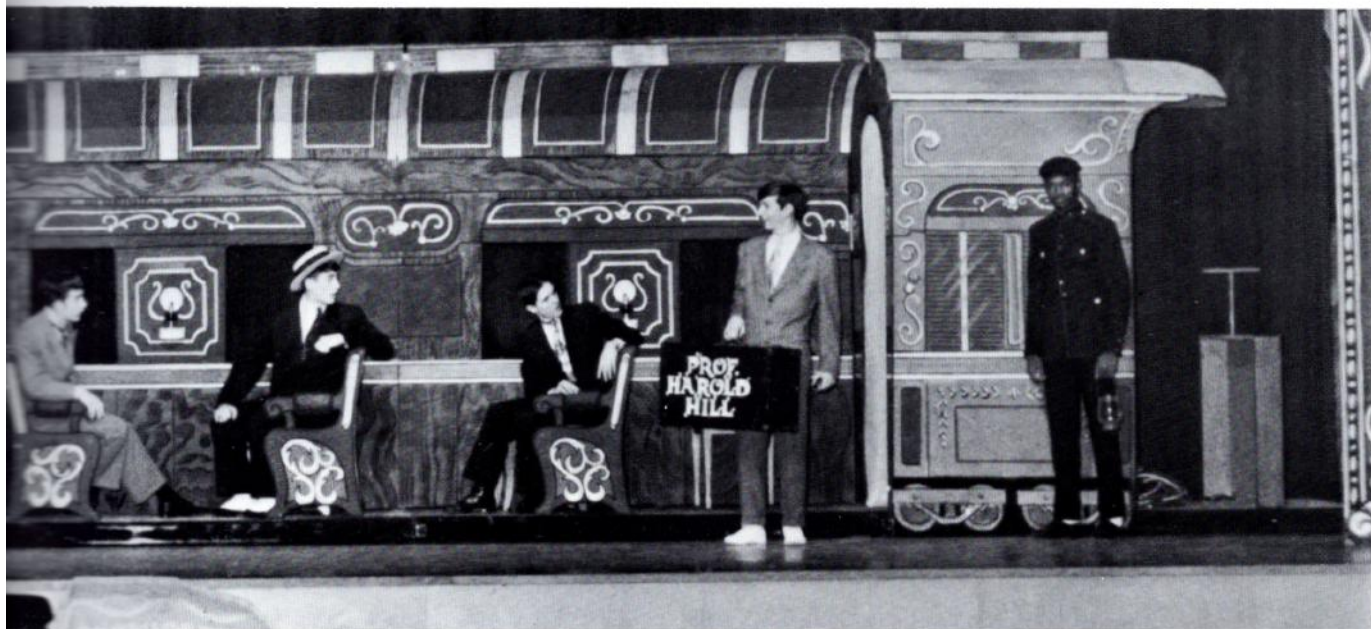

With the "68 Special" wheels turning and smoke pouring out of her stack, the annual school musical was on its way. **THE MUSIC MAN**, Larry White playing the part of Prof. Harold Hill, stepped into River City to sell the citizens on the idea of forming a Boys' Band, in order to keep the young ones moral after school. Of course, he didn't know a note of music, but he promised to teach the kids how to play, by using the "think" system. He was almost tarred and feathered for his antics, but, Marion (Mary Grace Crussel) came to his rescue. Harold had started out to woo the Miss Paroo in order to sell her young brother an instrument but ended up falling in love with her. The story is a heart-warming one, as Winthrop Paroo (Karen Pilgrim) who speaks with a lisp, is brought out of his shell as he learns to play the trumpet and to admire the Professor.

Larry White (Professor Hill) works his charming wiles on Mary Grace Crussel who played the part of Marion the Librarian. Both performers were extremely excellent in their roles. McLain can be proud of the work of these fine actors.

# MUSIC MAN

Into McLain!

Joe Wiles was the Newspaper Boy. The Salesmen were Rick NeSmith, David L'Roy (Charlie Cowell), Ben Hill, Greg Watkins, Glen Fincher and

The ladies of River City Connie Rucker, Jo Stephenson, Patty Jones, Karen Eagles, Brenda Anderson, Marsha Wright (Alma Hix), Judy Weakley (Mrs. Squires), Kathy Kinney (Ethel Toffelmier), Sandra Smith (Maud Dunlop), and Rebecca gossip about Marion the Librarian as Harold Hill

John Hardy (not pictured). Wardell Jeffries played the Conductor of the wheel-turning, smoke-spouting train which chugged off the stage.

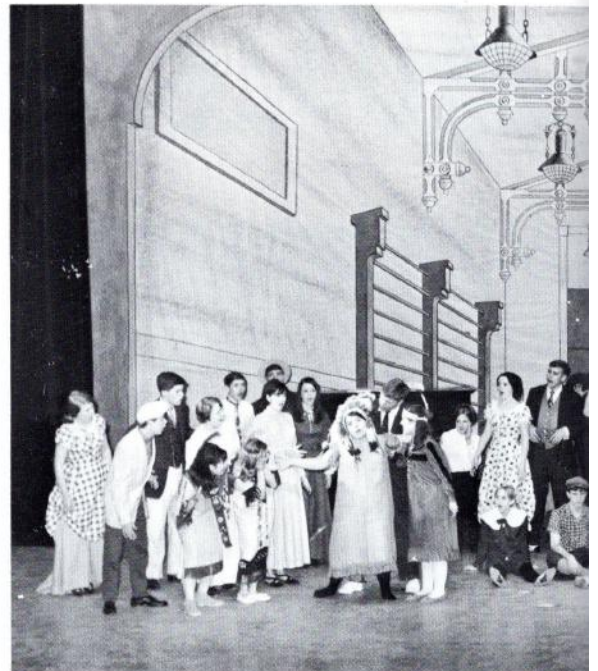

persuades the quartet Mike Queen (Olin Britt), Larry Exindine (Oliver Hix), Charles Rice (Ewart Dunlpo), and Bill Beaty (Jacey Squires) to sing.

Student Directors for the show were; SEATED: Tom Broad, Orchestra, Robb Pethick, Dawn Young. REAR: Cathy Bowyer, Ben Hill and Lynn Paschal, Stagecraft.

The citizens of River City draw back in horror as Rebecca Hamilton (Eulalie) yells, "George, I've been Shot!" Only

RIGHT: Elaine Devin (Amaryllis) teases Karen Pilgrim (Winthrop) about his lisp as Diana Ferguson (Mrs. Paroo) reacts with sympathy and love. All three girls did outstanding jobs. Karen is to be commended on doing the part of the boy, Winthrop.

This show was under the very capable direction of Mr. Carl St. Clair, and Mr. David Edris, orchestra and music director. Many hours were spent in rehearsals. Under the supervision of Mr. Jerold Graham, the stagecraft crews created some of the most unusual, colorful, and exciting sets ever used at McLain. The orchestra, the cast, and the stagecraft worked together to produce this fine musical.

A group who worked very hard for the show were our dancers; KNEELING: Debbie Rogers, Karin Bitto, Donna Roberts. COUPLES: Paul Mosier, Marye Gunnels, Ben Hill, Karen Engle, Rodney Hargrave (Mar-

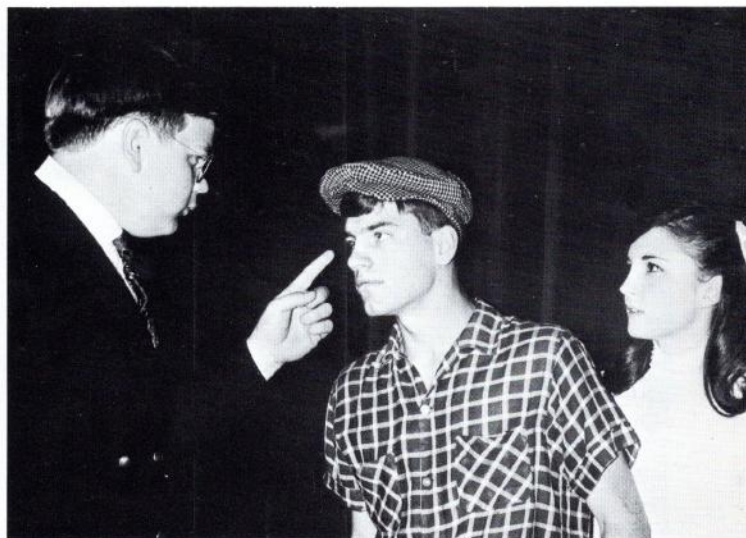

cellus), Kathy Kinney, B. J. Heatley, Joe Wiles, Pat Fowler, and Rick NeSmith. The difficult dances were mastered with professional skill, especially in the "Shipooopi"

Buster Mattix (Tommy Djilas) knows that it was a fire-cracker because he was the one who threw it under her feet.

Gene Vosberg (Mayor Shinn) tells Buster Mattix (Tommy Djilas) to "Get his promises off his Daughter," Leona Clark (Zaneeta Shinn). No one will forget the role Gene created with the Mayor, the great work of Buster, nor the "Ye gods" of Leona.

Excitement reigns as the Wells Fargo Wagon brings the music instruments to River City. KNEELING: Rick NeSmith, Marye Gunnels, Holly Shoemaker, Connie Shouse, Karen Engle, Donna Hall and Elaine Devin. SECOND: Liz Weaver, Frankie Carroll, Marsha Wright, Gail Storm, B. J. Beaty, Brenda Anderson, Leona Clark, Karen Eagles, Sandra Smith, Buster Mattix, Pat Fowler, Mary Grace Crussell, Karen Pilgrim, Larry White, and Patty Jones. The Girls' and Mixed Chorus this year entertained the students with many assemblies and by performing in two concerts. The Girls' Chorus is made up of many interested girls, and the Mixed Chorus is made up of boys and girls who wish to participate in singing and to advance themselves in this field. These chorale groups, under the Direction of Mrs. Ellis, have given McLain a new and memorable year of musical festivities.

## Civitan

The Civitans this year, sponsored by Mr. Don Barnum, had a wonderful year.

The Civitans helped McLain in many ways. First was the ushering at all basketball games and other sporting events. Then ushering at the musical. One of their biggest jobs was painting our trash cans white. This service organization does very much to promote spirit and to keep McLain in tip top condition. This club did meet the "CHALLENGE OF CHANGE."

Tulsa Area Representatives to the Valley Forge Freedom's Foundation Pilgrimage in Pennsylvania were Mr. Don Barnum and Greg Watkins—Civitan President.

## Key Club

The Key Club is another organization which does much service at McLain. This Group under the leadership of Mr. Benjamin Edwards has helped keep McLain one of the best, and well-liked schools in Tulsa. They, like the Civitans, park cars, usher at all events held at McLain, and also participate with the Civitans in the Fun Nite which was held at McLain for all members of both groups.

## Dolphins

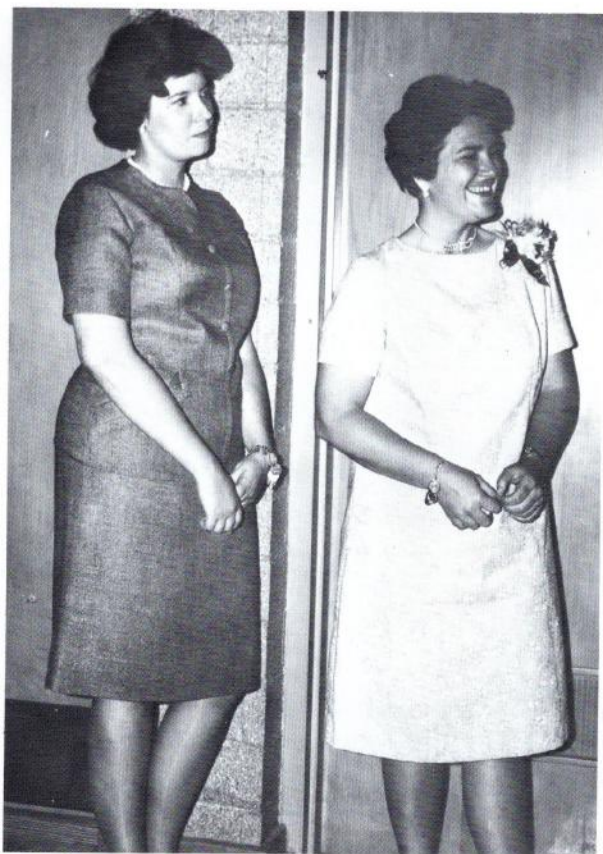

The Dolphins this year have brought many excit-  
ing hours to McLain. This group composed of girls  
who are interested in synchronized swimming have  
brought to McLain students one of the best perform-  
ances McLain has ever seen.

The Dolphins are under the direction of Mrs.  
Cahill and Mrs. Harper two of our finest Physical  
Education teachers at McLain. These girls work  
many hours and are in the pool many hours pre-  
paring themselves to produce their watershow. The  
flashing colors, the splashing water, and the beauti-  
ful girls make it a great show. Many hard hours are  
spent in practicing the strokes to achieve precise  
movements which must be executed together.

## McLain Teenage Library Association "McTala"

One of the best organized and directed groups at McLain this year was the McLain Teenage Library Association. McTala is a group of boys and girls who are interested in books and who like to travel to seminars and have fun. This organization is sponsored by Mrs. Wright.

While attending the Oklahoma Student Library Association District 12 meeting on November 11, 1967 two members of McTala were elected officers of District 12. Paul Hart was elected President and Daniel Sue, Treasurer.

The week before Christmas the McTala sold book marks to the students, which were handmade and designed by Loretta Slankard. These took many hours to make, they were made of felt, and sold quite well.

## Advertising

Tickets! Posters! Programs! If you don't want to work with these kinds of materials, you don't want into the Advertising Board. The Advertising Board is a big group of boys and girls that are elected from their homerooms to represent them in meetings and other events. This representative attends every meeting and if he or she cannot make the meeting he has an alternate that can go.

The Advertising Board promotes the distribution and sales of tickets. They help make the posters for all McLain activities. This year the Advertising Board had many contests to get the students to sell as many tickets as they could, for the musical, all class reproductions, and the watershow and many other events.

The Advertising Board makes sure that there are plenty of posters to place on the walls and windows of many stores which let McLain students advertise their plays and activities.

This organization is under the direction of Mrs. Barbara Whisenhunt and Mr. James Walker. The Board meets every week to discuss plans for further events.

Are you interested in medicine, in special speakers, and in having fun, while being educated? Well then, you would have liked the Medico Club.

The Medico Club is a sponsored club which deals with the interesting medical world, which has many members, both boys and girls, who are very interested in the field of medicine and medical activities.

The Medico Club is active in having meetings every week at which they have speakers from Tulsa and from other cities and states too. These guest lecturers are from various disciplines within the medical profession.

The Medico Club has taken many field trips to several different places in Oklahoma and out-of-state. The Club is sponsored by Mrs. Billie Nelson and Mrs. Hazel Kirk, our school nurse.

Boys and Girls take these two electives which they can get a grade for and turn it into a club.

The Stagecraft group does all the behind the scenes work and builds all scenery that was used in all McLain Productions. They spent especially, many hard long hours working on the sets and scenery for the Senior play "Teahouse of the August Moon," and on the Musical "The Music Man."

This group had to remember many sets, drops, props, and light maneuvers, and to coordinate them with the action on stage.

Besides attending many art festival and the Arts in Action Demonstrations at Phillbrook Art Center in Tulsa, and several Tulsa University plays, the Art Club worked diligently in preparing much of the art work used in the Senior Class play, "Teahouse of The August Moon", and working on the posters for the McLain musical "The Music Man."

For the first time in McLain's history the McLain Art Club held its own Arts Festival during the week of the musical. It was quite a success, in selling more than a hundred dollars worth of paintings. The paintings were composed and priced by the students themselves.

## Bessie, the Bandit's Beautiful Baby

"Bessie the Bandit's Beautiful Baby," or "Curses On My Fatal Beauty," a one act melodrama, was presented in an all-school assembly by the Thespians. With an entwining plot, the play was thoroughly confusing when all the relations of the characters were revealed. The Romain family's maid was so beautiful, she captured the hearts of just about every man she met. This proved to be the main problem in the play.

In full swing, the Electronics Club is very active in building their own electronic equipment, such as Van de Graff Generator, built by Steve Rutledge.

They hold meetings every week, to discuss activities. The Club went to the Tulsa, International Airport control tower to see what goes on inside and to learn much from it.

This organization is sponsored by Mrs. Phyllis Moore and Mr. Frank Hagedorn. Mr. Hagedorn is studying law to become a lawyer.

This Law Club meets weekly to discuss further plans in the future. The club traveled to many courts and other penal institutes around the state.

The GRA organization is a group of girls which are interested in having fun, while keeping fit.

This organization under the direction of Mrs. Harper spends time each week meeting in many activities such as basketball, swimming, archery and many other activities that are fun while exercising.

They also learn some first aid and treatment for injuries in their meetings.

The Nurses Aides is not so much a club but a school service organization which does much work around McLain. Running errands for the school Nurse Mrs. Hazel Kirk, their sponsor, and keeping things running smoothly in the nurses' office, are just a few of the many activities which the group does.

They also attend the Medico Club meetings each week.

McLain's National Honor Society is second to none in the city of Tulsa as it had two National Merit Letter of Commendation Winners, Larry Amstutz and Danny McHenry and Les Biffle became a National Merit Scholarship Finalist. The Societies' members must maintain high standards in academic achievement. In addition to this difficult task they must exhibit traits of leadership, and all around promise of a contributing citizen to the school and to the future of the world. Our hats are off to these students and their sponsors.

With the increased enrollment at McLain, the HIGHLANDER STAFF had a most difficult job ahead of them. It was decided to add several pages to the book in order to get everything in and still keep the quality that we have had in the past. Things were really hectic for a while when the first deadline came around. A huge sigh of relief could be heard as the package for Dallas was at last on its way. The staff worked hard to produce the unusual art work and to get the extra color. The budget holders of the school voted to donate an extra amount in order to get the added color. I hope, as sponsor, that this yearbook will bring you many hours of enjoyment.

Mr. Barclay Curtis, Vice-president of Taylor Publishing Co., showed Mr. Jerold Graham, Sponsor, around the plant where the book is printed.

These three guys, Roy Dale, John Garside and Les Biffle spent many hours in the darkroom preparing the photos for this year's book. This is one of the hardest jobs for any yearbook staff.

Sue Keeling, Lucinda Snyder, Johnny King, John Osborn, Cindy Mead, and Nancy Buffington pause for a moment from their work for Les' camera.

Pound those typewriters, correct that spelling, and watch out for those dangling participles. These were the byword around the SCHOOL LIFE STAFF as they prepared their weekly stories for the All-City School Newspaper. This is not an easy job as planning ahead of the events which were to occur at McLain had to be done. This meant that stories had to be written and the photographs taken and processed before the event was to take place in order to meet the deadline at the printers. The staff is to be commended for the great front page job they did for this year's musical production of "The Music Man". The problems of good layout and journalism were met with the best of efficiency.

Ann Hoffman, Mike Turpen, Sandi Kennett, Janet Price, Johnny King, and Gayle Smith are Members of international honorary society for high school journalists, The Quill and Scroll.

# Future Teachers of America

The Future Teachers of America organization under the direction of Mrs. Burnell Chissoe gives students an opportunity to search out the future in the field of education. This is perhaps, one of the greatest CHALLENGES that any club at McLain must face. The future of education and the training of the youth of America and the world rests in the hands of Students such as these who are interested in becoming first rate teachers.

TERRY RUTLEDGE

The "CHALLENGE OF CHANGE" was brought to our football boys to face. The major change was losing our Seniors of last year who helped lead us to the state playoffs. The next change was for *our* Seniors. These boys finally realized that they were the leaders and that they were the Seniors now and from then to the end of the season they did lead the team very well.

Our record this year didn't fare quite as good as last years. The tally showed a 5 win, 4 loss, 1 tie record. Our wins were against, first, our foe Memorial. Our boys took charge of that game and swept it from the predicted Chargers by a score of 14-8. 25-6 was our next winning score as our "Fighting Scots" ran away with the game, in our stadium, against McAlester. Our next win came when the East Central Cardinals ran into our stadium and likewise we "ran" them right out with a 20-0 score.

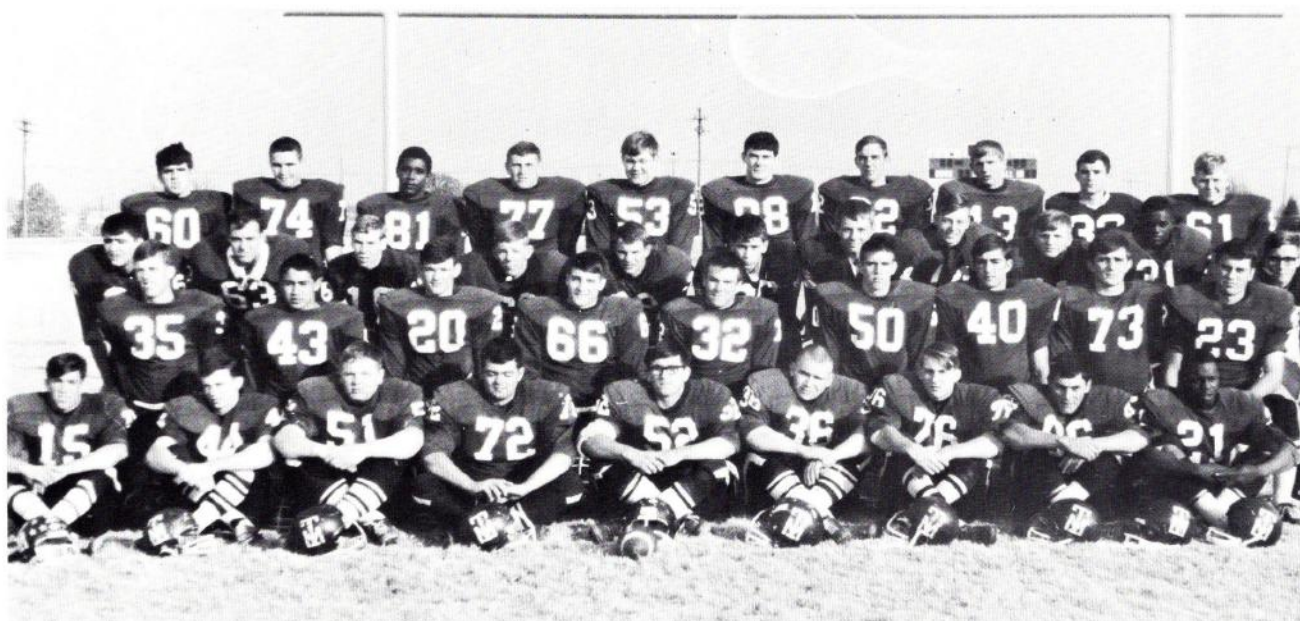

A Hot pass from Bob Taylor to Ron Carter for another first down.

Roger, Steve and Greg return to the huddle after another well performed tackle.

Head Coach: COACH LEON COX.

SECOND: Bud Hardesty, Claude Tyner, Ron Carter, Greg Watkins, Tom Moore, Roger Vermillion, Phil Lawson, Steve Scranton, Dick Holloway. THIRD: Larry Peters, David Tolley, LeRoy Tatom,

## Football — '68

After gaining much yardage against East Central, Terry Rutledge is finally tackled.

Homecoming this year was highlighted with the victory against the over-rated Braves. Beating Central in a fine manner, 17-7 we took our 4th win of the year. Webster Stadium was our last stomping ground as we met Bartlesville Sooner and brought them to a lowly defeat 34-6.

Our four losses came to Hale 41-14 which looked as if we would win, but unfortunately the breaks came for the Rangers; Washington, the state champs, 49-0. Though our Scots were plagued with injuries during that game, they held the Hornets to no score during the first quarter, which was something the Hornets barely stomach.

Just one of the many groups of people, mainly students, watch one of the "Fighting Scots" football games.

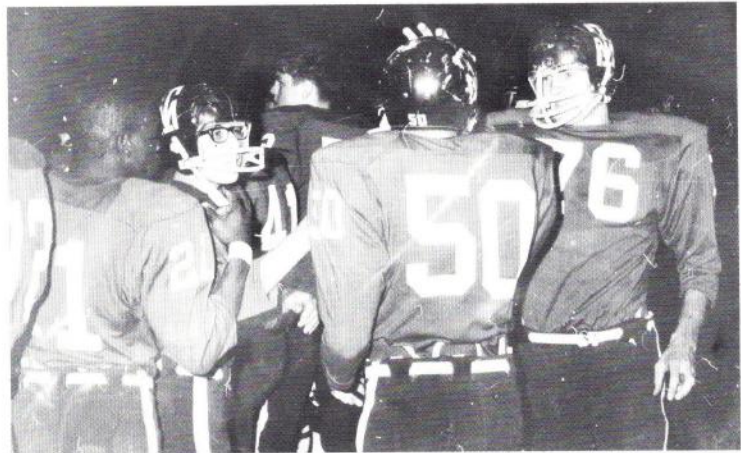

## Scots Face Tough Opponents During '68 Season

In our next defeat, it was truly a heart-stopper! 13-14 was the score when the gun sounded and Edton had stole a game from our Scots. As the final minutes were closing in our Scots, a futile struggles began. Fighting their hearts out, our Scots took two losses in yardage then when Bob Taylor took charge of the ball, set for a pass, and was rushed as scrambled the field waiting and giving his receivers time to get open, then like a bolt Ron Parker broke for the clear, and like a bullet the ball sped from Bob's hands. Straight to Ron it flew. But as the buzzer sounded Parker was tackled only but 25 yards from a victory. The next defeat was Webster, as the warriors took revenge for beating them 14-0 in the all city, winning the ball game 14-8. This was the first defeat handed to our Scots.

The only tie was with the stubborn Sapulpan. The Chieftans fought hard as did our "Fighting Scots" and as the fury flew neither team could score before the game had ended. So came the only tie that we had.

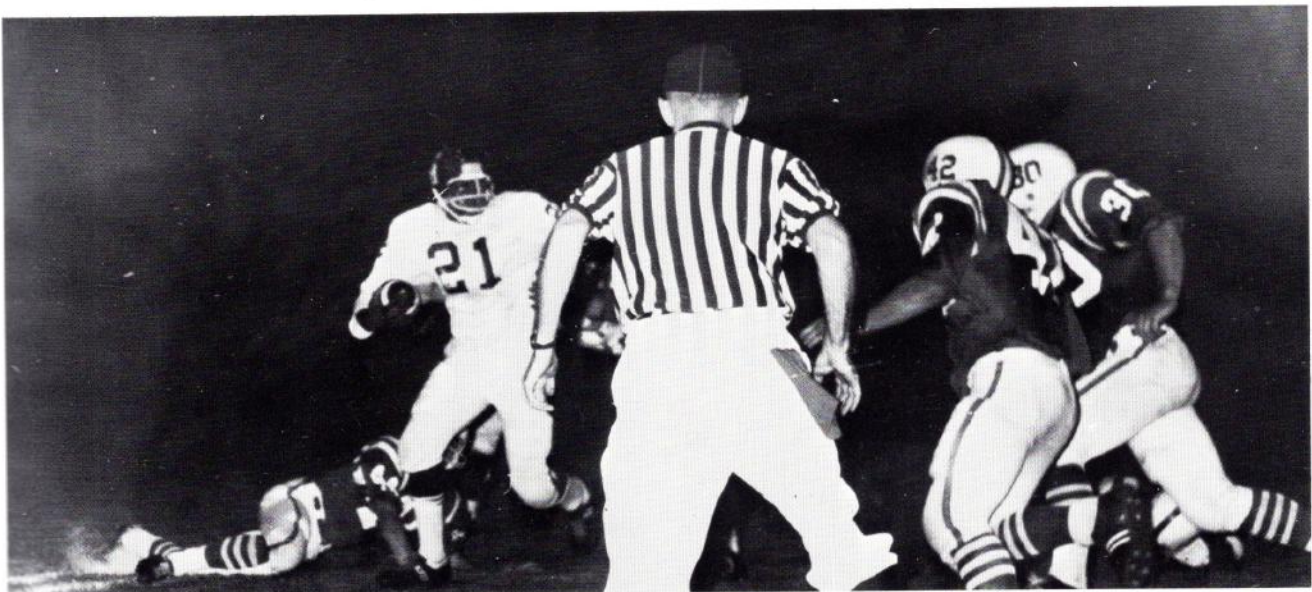

Ron Parker, Roger Vermillion, Ronnie Paden, and other Scots enjoy making another touchdown.

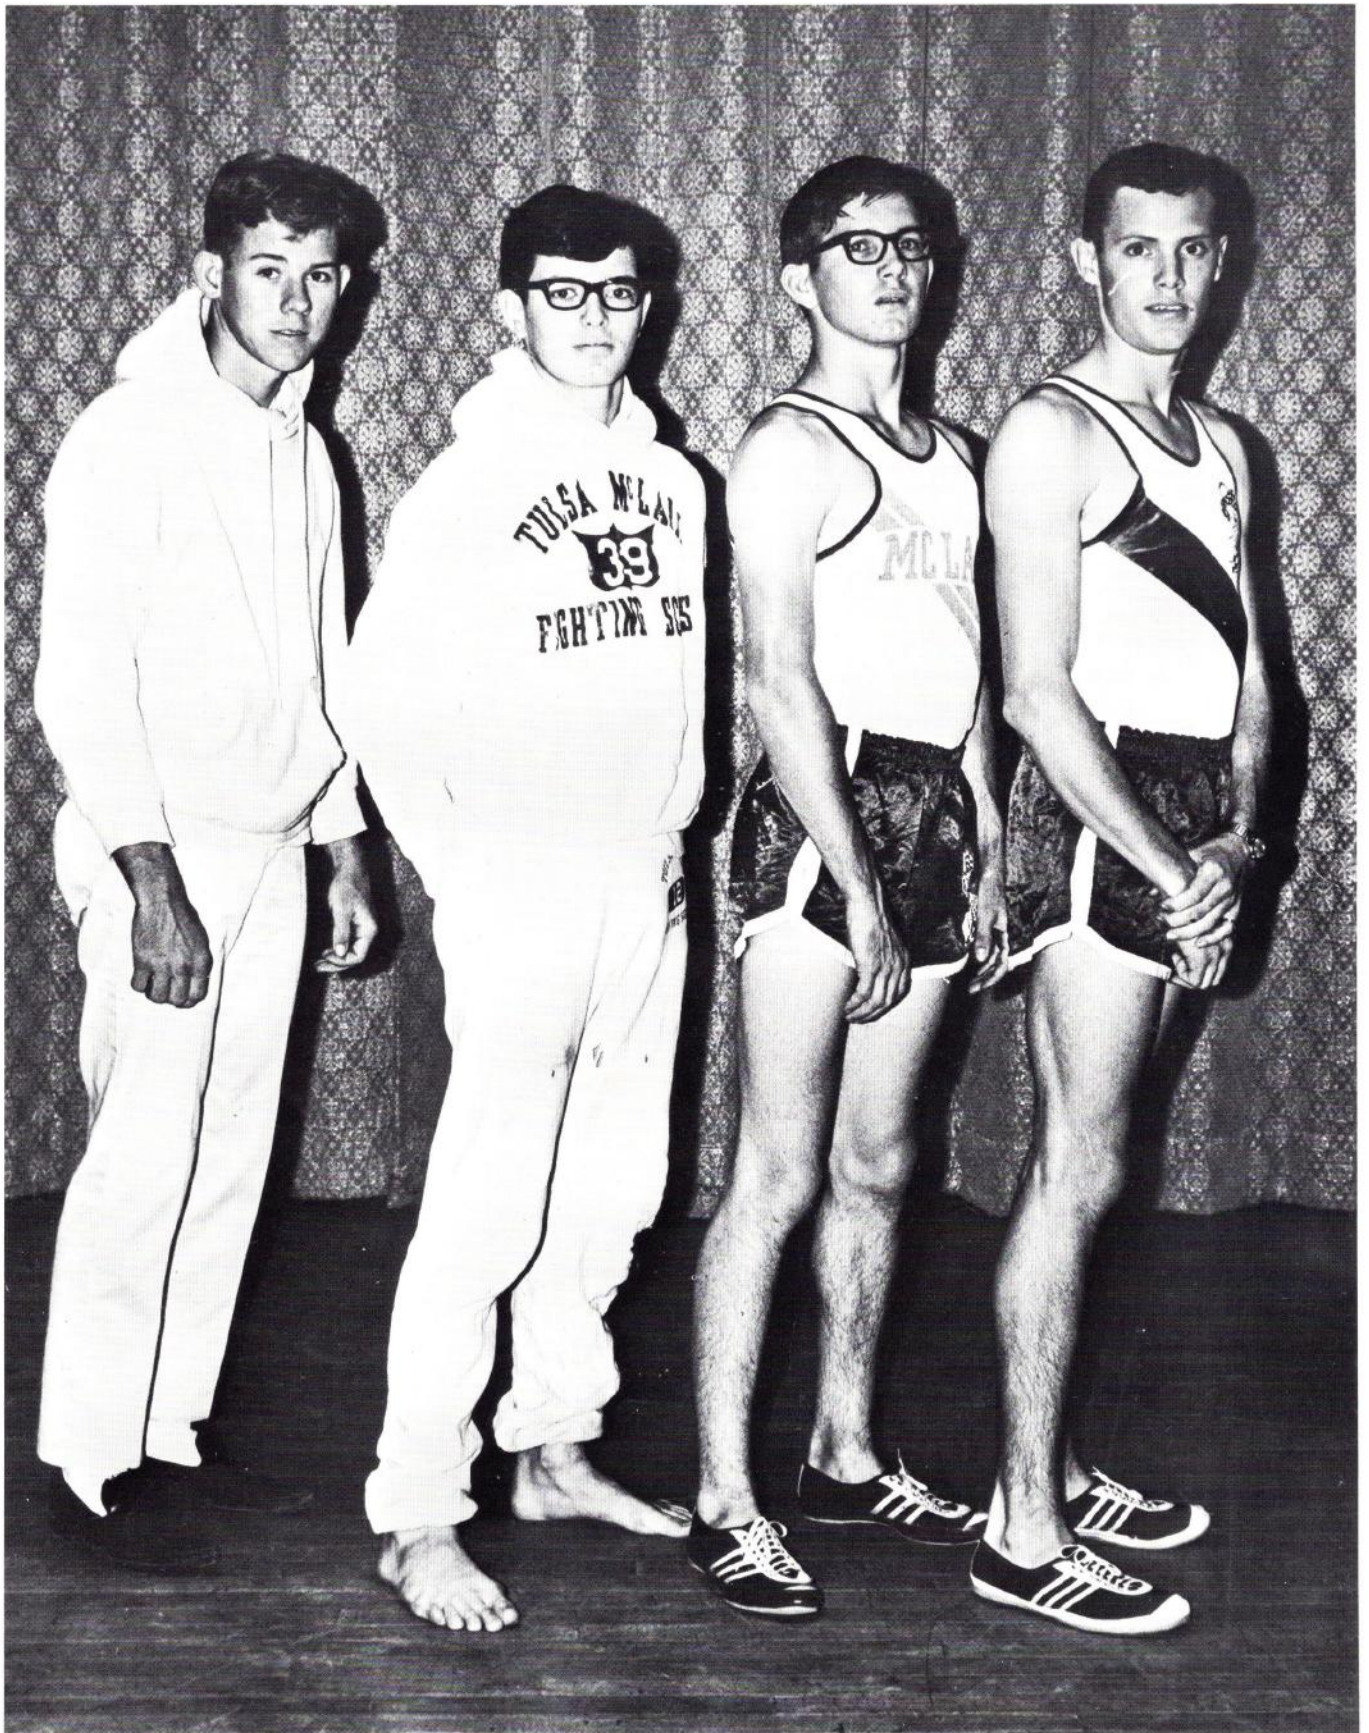

The Band played each and every game for our "Fighting Scots" and cheered them on to victory and played for the entertainment of the students and adults.

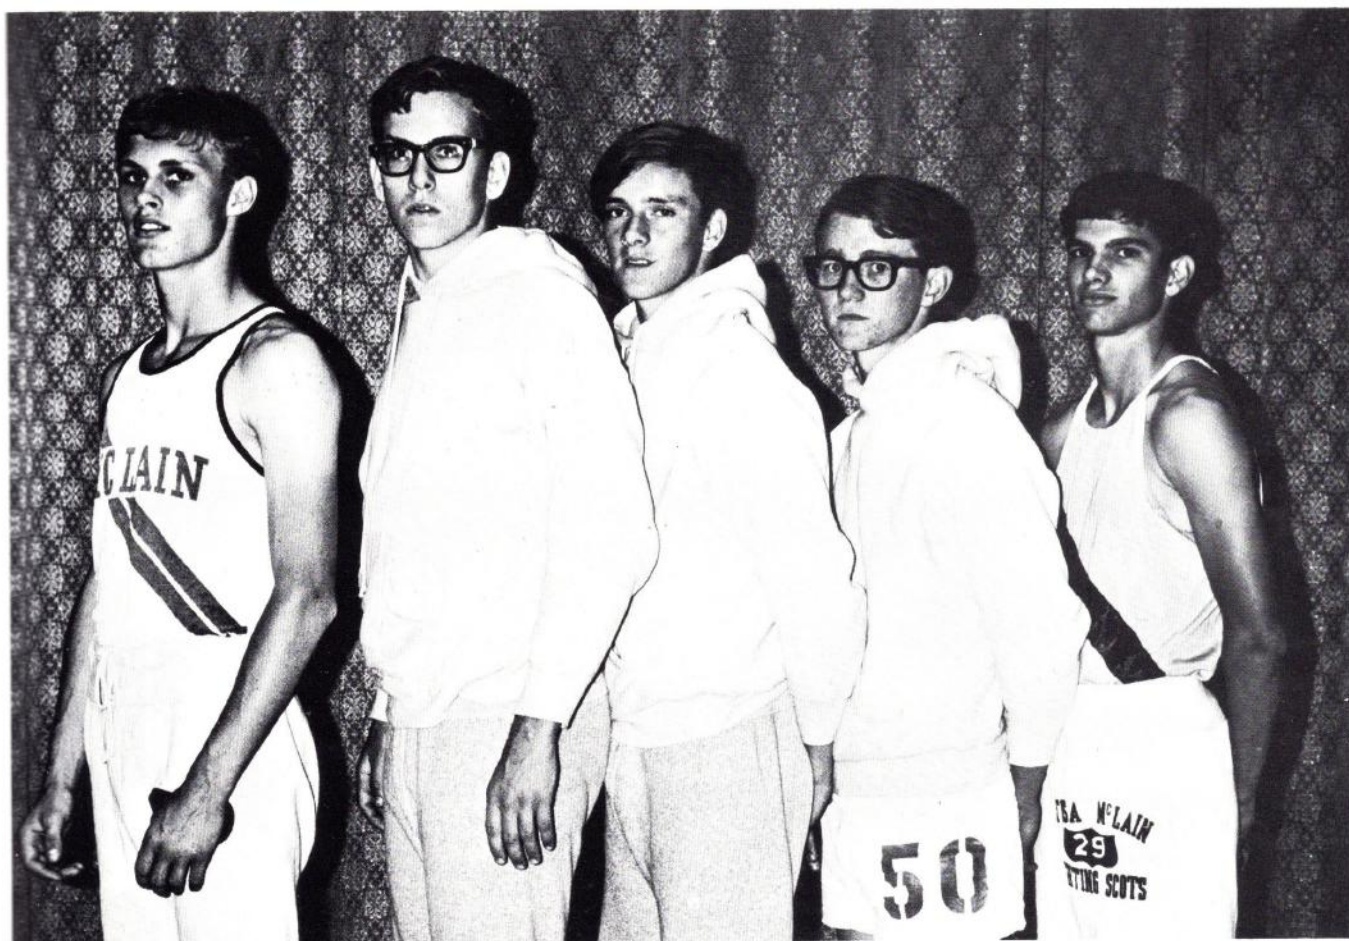

Dashing and darting Ronnie Parker eludes otherwise tacklers to gain much yardage.

# McLain Basketball Team Goes to State Again!!!

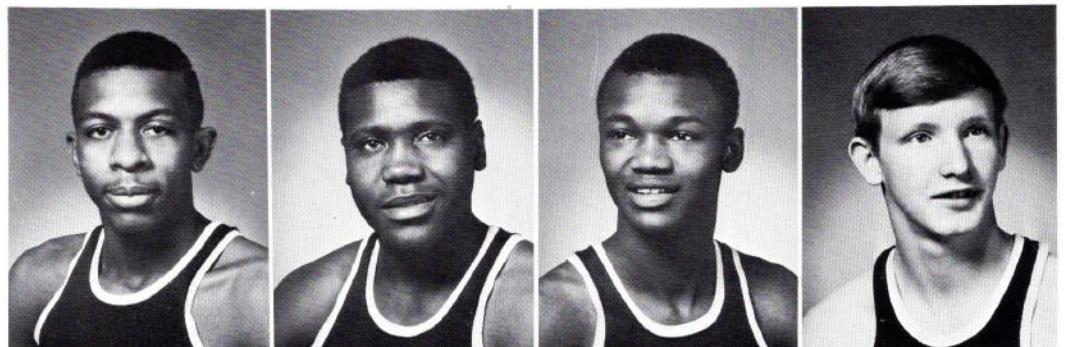

Under the great coaching staff of Coach Joe Shoulders and Gene Palmer, our round-ballers of floor-pounders went to the state tournament once again. To all loyal Scots this group of boys are known as the basketball team.

In one game of the season and the main factor which we took the 1st place in the Magic Empire Conference was the game, and victory, against Booker T. Washington.

From the very tip off the team knew that it would be a tough game to win, but during the heat of the battle our "Fighting Scots" pulled out another victory. The Hornets wanted revenge for the brutal beating that we gave them in our own gym, and when we stepped onto the court they were ready to bury us alive. Of course, our Scots were prepared and took the game right out of their hands. Leading the attack Roy Smith and Wardell Jeffries, Seniors, and Junior David Offord, stole the show and brought back the game for us in overtime. Of course, without the rest of the team the three wouldn't have done much, because the boys work as a team not as individuals.

In a hard fought battle against the Washington Hornets, Mike Turpen, LEFT, and Jackie McClure, RIGHT, displayed many of their talents. Make that pass good Jack! Turpen was also chosen to the Conference team at the end of the year.

## Swimming

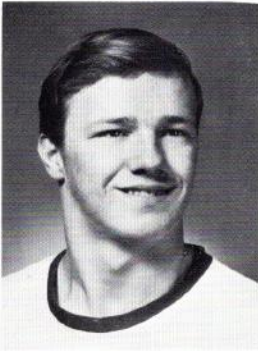

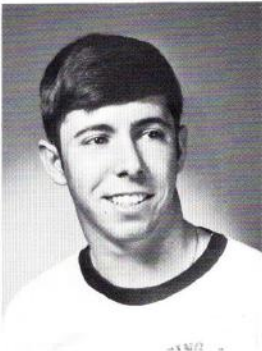

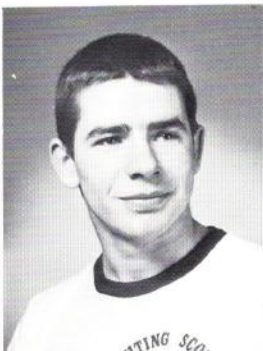

Butterfly, breaststroke, and Diving. These three entries into the swim meets are what brought our swim team to a very climaxing finish this year. Under the coaching of Coach Inkster, our swim team out swam almost any team they were put up against. The Relay teams and single swimmers also help bring McLain to this startling finish. There were 4 McLain pool records broke this year and were broke by our relay teams, butterfly, and breaststrokers. We congratulate our Senior and Junior swimmers for bringing our team to the fine, fashioned finish which we had.

Tom Reid swims toward another win, in a meet against East Central.

## Wrestling

A broad grin on Al Tindalls face implies that he has just won another match.

Our wrestling team this year was one of many surprises. Coach Bruce Custer shaped the team after school every day with hard practices and workouts to bring them to their peak of physical condition.

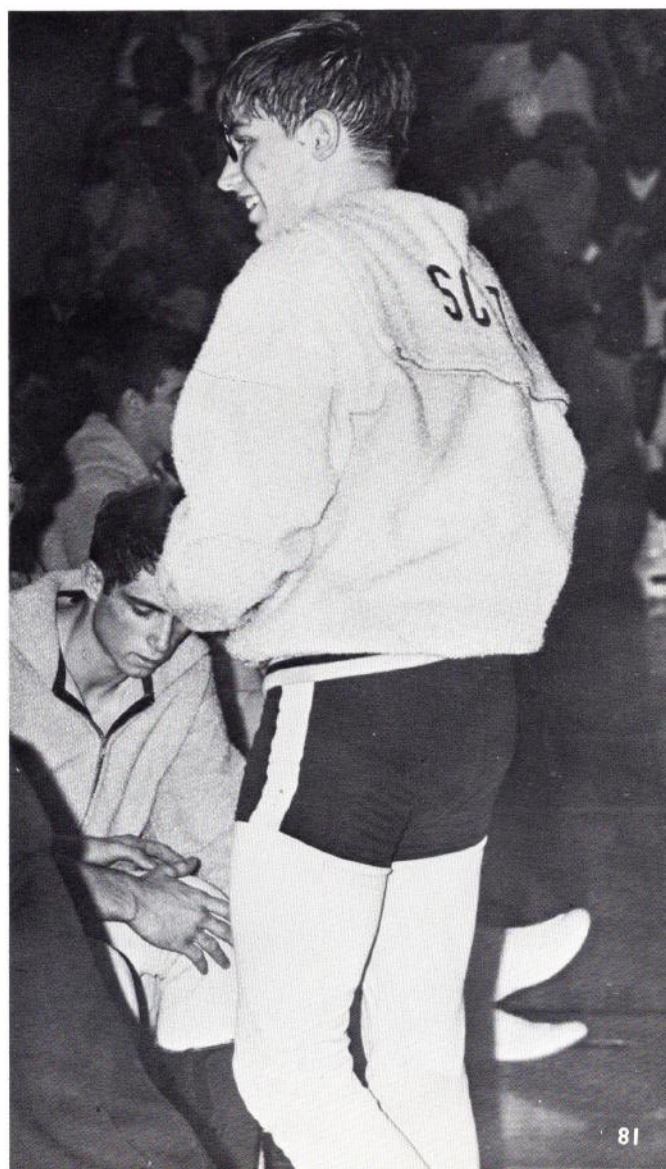

This year we had 6 qualifiers for the State Tournament. Most were Seniors but a few were Juniors. These boys worked hard and earned their way to the State Tournament.

Unlike the other sports at McLain the Wrestling team doesn't work as a team as a whole, but is an individual sport. There are team points but as winning the match, it is an individual sport. It takes strength and courage to step out on those mats and to wrestle for 9 minutes and sometimes longer, with a foe from another school here in Tulsa, or from another town.

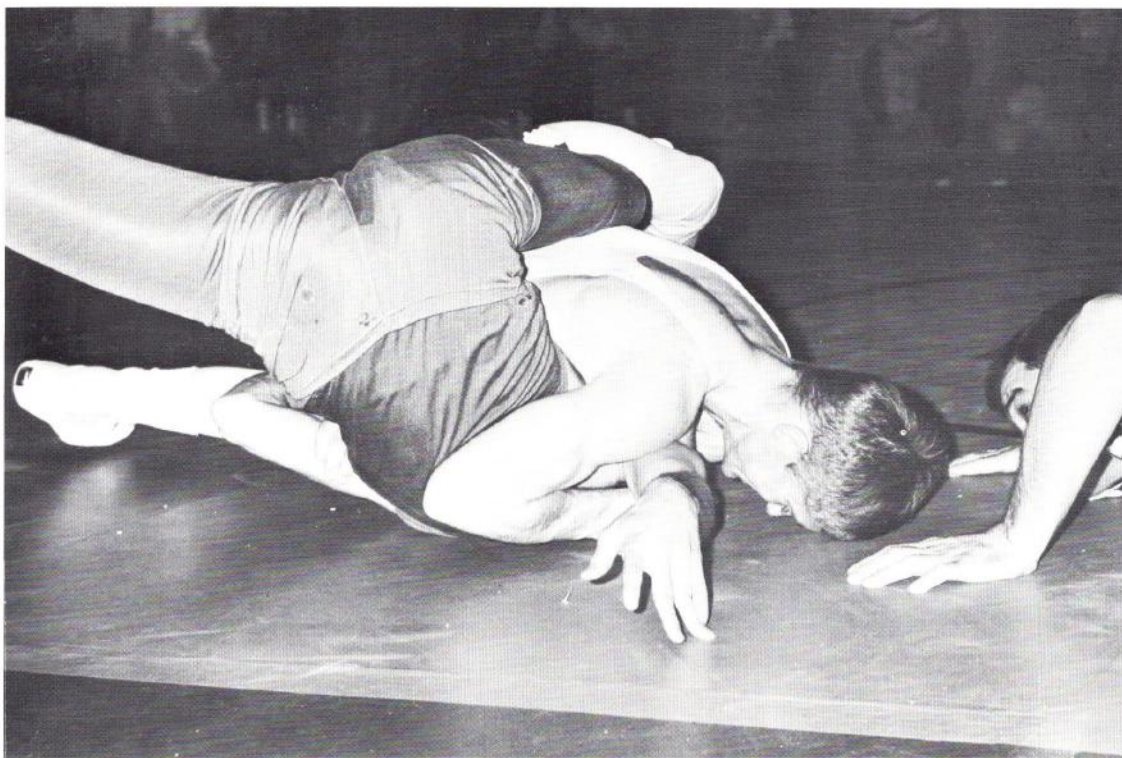

The "Fighting Scots" wrestling team met the many CHALLENGES OF CHANGE in walking toward the mat to defeat or get defeated in a wrestling match.

This was a beginning year for Coach Bruce Custer, here at McLain. Coach Custer worked hard with the boys and during a match Coach takes time to look over the situation and think of what to tell the wrestler to do next.

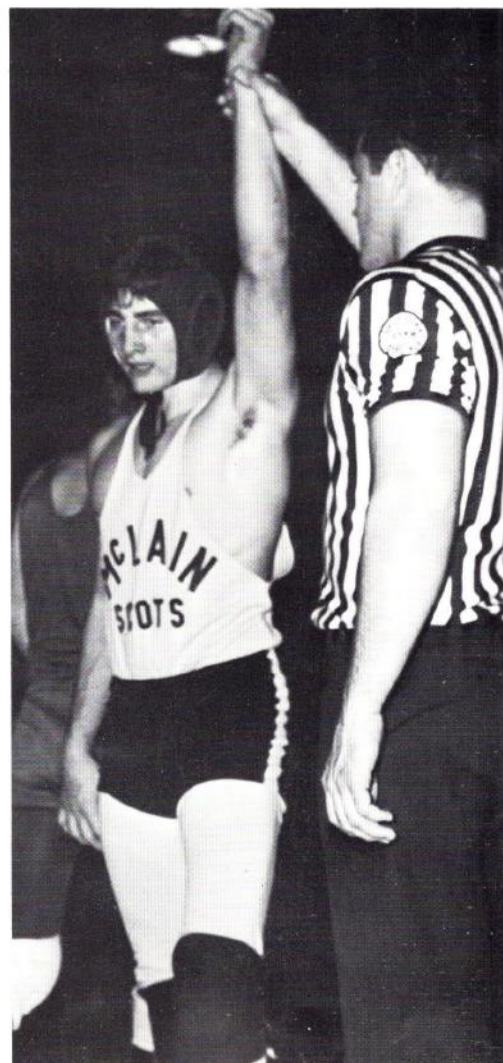

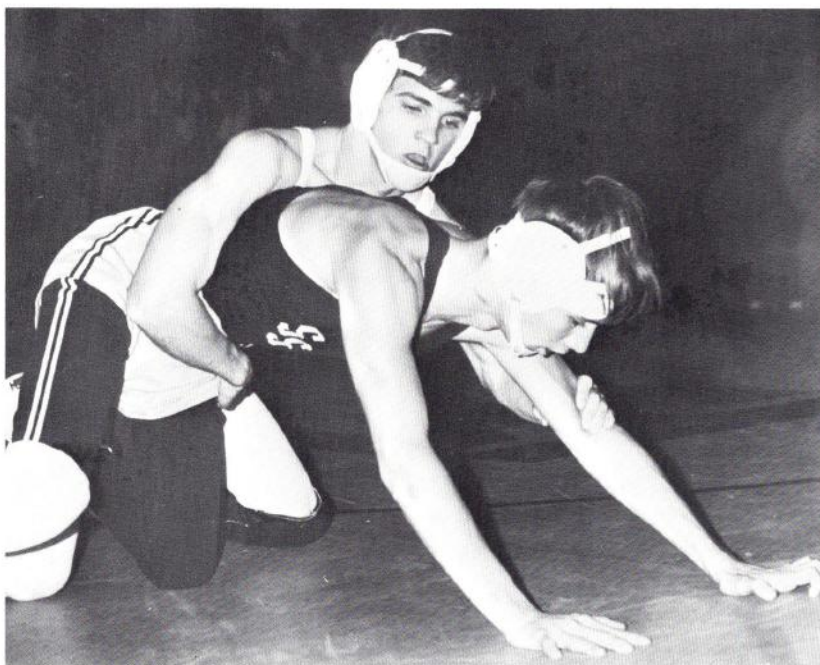

ABOVE: David Dyer on his way to another pin.

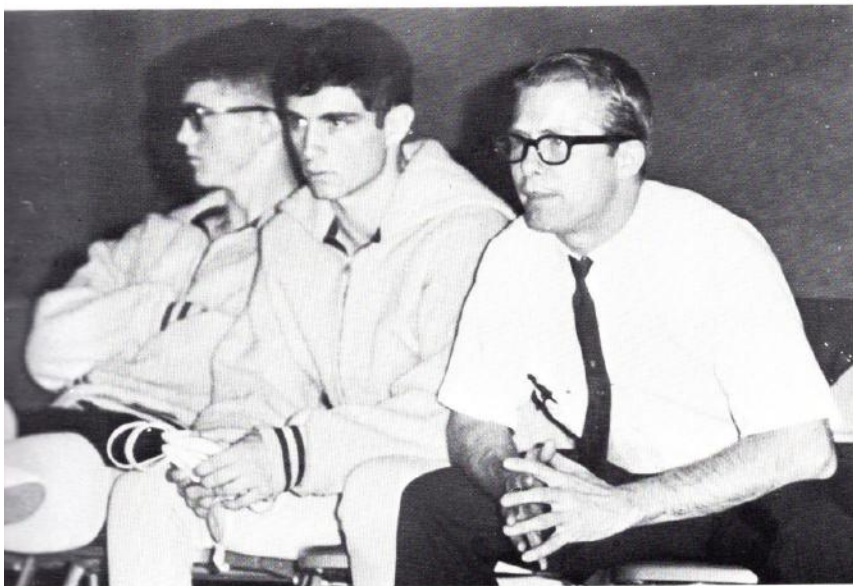

RIGHT: Another victory chalked up for Greg Watkins.

BELOW: Randy Grimm is in the referee's position and ready to take his man, from Sand Springs, to the mat. We won that match with Sand Springs.

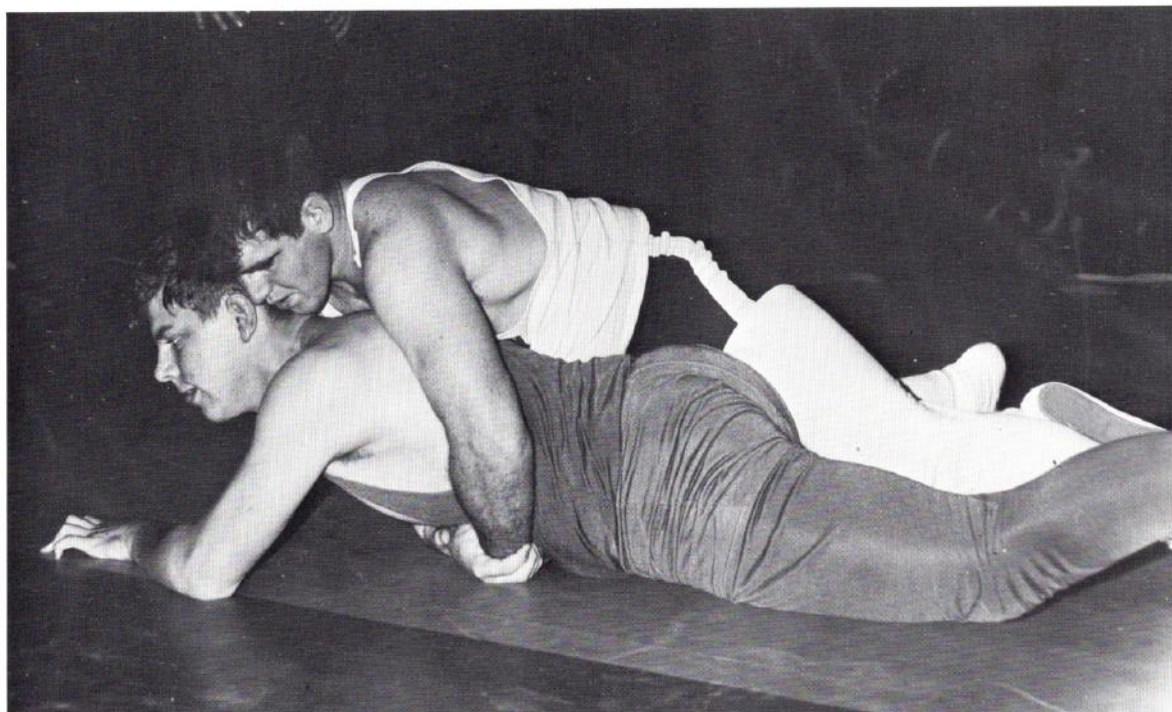

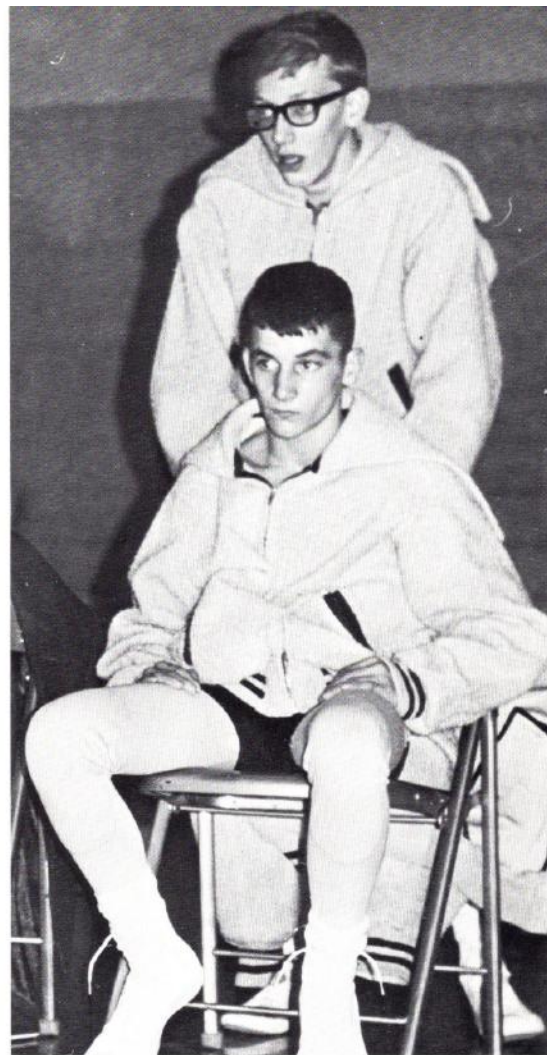

David Dyer, Ronnie Thompson and Coach Custer watch the progress being made on the mat.

## Wrestling 1968

Archie Moore and David Kelly watch and cheer on the wrestler on the mat. Each boy gives the rest their full hearted support.

Terry Todd flattens his man to the mat in order to turn him over for a most needed pin. Terry was the heavy-weight wrestler and had a lot of work cut out for him.

"Aw, come on Ed!" "Is that the way you really pitch?" Eddy was one of McLain's biggest reasons of staying in there fighting. He also pitched a 17 strikeout game for the "Fighting Scots!"

Gene Vosberg is one of McLain's most surprising people. One night at Northside Park he hit a homerun with a swing just like this one.

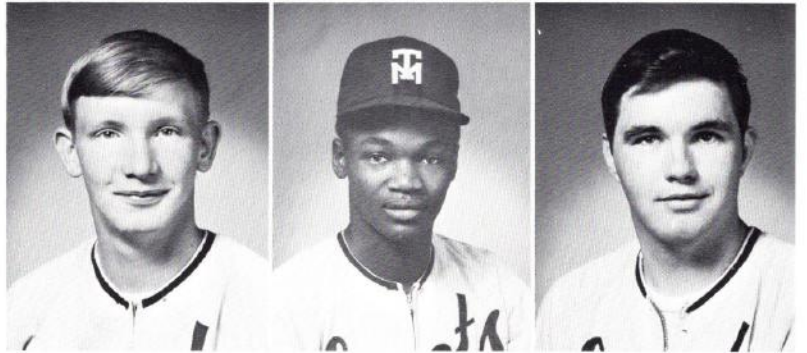

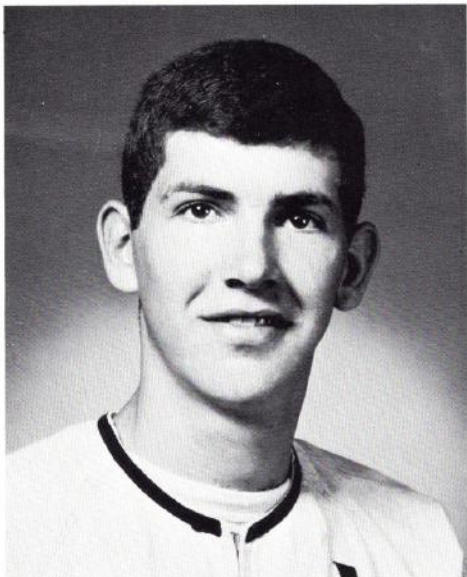

"Now look guys, this is the way to throw it!" says J. V. Coach, Coach Pitts.

Roy Smith, one of our best pitchers, kept the Scot baseball team right up there on top with his superb pitching.

With the air fanning pitching of Roy Smith and Ed May the McLain pitching staff kept the hits and runs against McLain very few. Also the unforgettable defensive plays of Ronnie Lee and Nelson Bewley the opposition had many base hits and runs taken away from them. Though McLain was beaten in the semi-finals of the Regionals it doesn't show the strength of the McLain team. Another year, another great season for the McLain "Fighting Scots!"

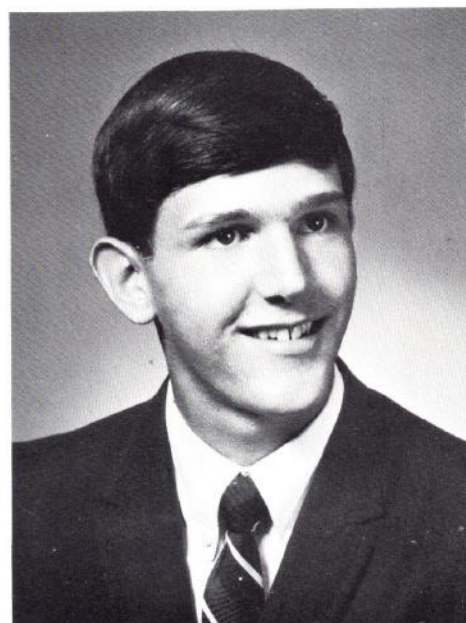

Mike Crenshaw McLain's #1 catcher, waits, in his usual position for the ball.

# CLASSES AND ADMINISTRATION

Mr. Joe Gibson, "Number 1 Scot!"

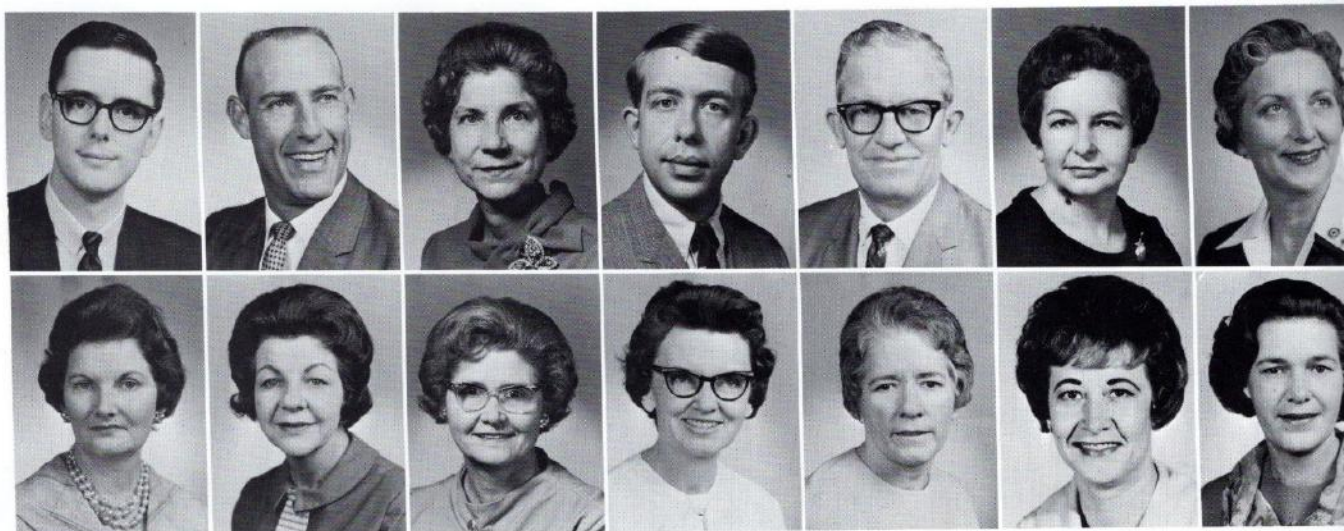

The Administration at McLain is made up of the finest people in the world. They are always fast, efficient and accurate, and every thing they do for you is done in a broad smile. Of course, the head of the administration is Mr. Gibson, our No. 1 Scot. Mr. Gibson has much responsibility resting on his shoulders and we owe him much attribute for being one of the best guys in the school. The staff of workers are made up of people ranging from Principal to business office worker. These people that work in the office and other parts of the building keep McLain the finest, and smoothest running school around the state. They indeed are helping the students at McLain prepare to meet the "CHALLENGES OF CHANGE" that lie before them.

The business classes of McLain have offered unlimited opportunities to many students. Not only have many students become efficient with a typewriter but shorthand as well. The knowledge of running the multilith, ditto, and the adding machine will profit many future secretaries and office workers meet the challenge of their work. The ability to keep track of money, legal office procedures and many other records will prepare many students for future employment after graduation.

Mrs. Lucille Calkins, Library Aid, works at one of the many book lists prepared for the teachers to use.

In General Office Education, there are many papers to grade and grades to record. Carol Franks, one of Mrs. Gray's student helpers, is being instructed by Mrs. Gray on how to grade these papers and then to record these grades in the chart.

## History

Preparing students to become well-informed citizens, the history department of McLain enables the students to understand their heritage and government. Mr. Barnum's and Greg Watkin's visit to Washington D.C. for the Freedoms Foundation, helped many of the students of McLain feel a greater pride of their heritage. Our history students have studied many changing periods of history and feel challenged to make our period of history a dynamic one.

## Home Economics

Students in the various Home Economics classes of McLain have met the change of clothes styles and recipes. Not only have they learned the basics of sewing and cooking but have developed important skills in child care and psychological behavior. These students will be prepared from their detailed instruction to meet the challenge of future homemaking.

These girls presented also a show of their own for the PTA. These were fashions the girls had co-ordinated and made themselves. Also Simplicity presented a fashion show for all 2nd hour home-making students.

## Heritage Stressed and Homemaking Skills Practiced.

Mr. Don Barnum heads history department. He also took a pilgrimage to Washington D.C. during Freedom Week.

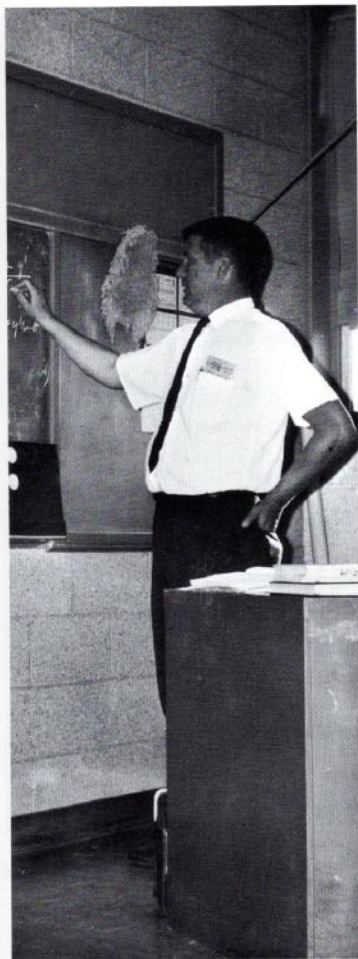

AHA!! We caught Mrs. Cahill up to her old, sneaky tricks.

## Exacting Standards of Math and Industrial Arts Met.

Mr. Beaty, one of our newly acquired machines teachers, demonstrates to the class how the motor works. He must know the how's, when's, what's and why's of automobiles and other machines to teach this course. Mr. Hale, a math teacher, explains an angle.

## Mathematics

The math department here at McLain has the best facilities to prepare each student to meet "THE CHALLENGE" in mathematics this year. Mathematics is designed to encourage the student to use his logic and ingenuity and at the same time give him an opportunity to demonstrate his ability to concentrate and come up with results. We are proud of our math courses ranging from general math to a complicated course in trigonometry, each one making students face the challenge of numbers.

## Industrial Arts

Meeting the "CHALLENGE OF CHANGE" are the many students in the industrial arts department. Each year new and different ideas are developed in electronics and students must meet these changes. These changes require skills of dexterity and mechanical inclination, which provide excellent vocational preparations, as well as further practice for hobbies begun outside the classroom. McLain offers training in electronics, automechanics, drafting, woodwork, machine operations, mechanical drawing and welding. These courses provide interesting work for many students.

# English

The English department, headed by Mr. Guy Scott, is a group of teachers who spend long hours into preparing lessons and teaching grammar and things pertaining to English to the students at McLain. This group of talented teachers prepare the students to meet the "CHALLENGE OF CHANGE" in our language barriers and all communicative processes. In preparing these students to meet these "CHALLENGES OF CHANGE" they read much literature, and learn the forms of penmanship, and the idiosyncrasies of the English language.

## Foreign Language

Foreign languages are very interesting and they take much time to learn. The foreign language teachers at McLain teach students to meet the "CHALLENGES OF CHANGE" in these foreign languages, and to be able to be very capable of talking somewhat in the language of their choice. McLain offers the languages of French 1-3, Latin 1-3, and Spanish 1-3.

## Fine Arts

Can you create scenery, props, and lighting for musicals and other productions? If you can't you want to take one of the Fine Arts classes next year at McLain. McLain with one of the finest groups of teachers in the country teaching the fine arts of stagecraft, art, band, and orchestra, and vocal music. The many "CHALLENGES OF CHANGE" intrigue McLain students to venture into the field of music or art of their choice.

The stagecraft group, the art classes, musical department, and the speech departments at McLain produced one of the most exhilarating musicals ever produced at McLain. "The Music Man."

## Physical Education

Basketball, baseball, swimming, handball and any other sport which you enjoy are offered through McLain's Physical Education classes.

McLain with the finest teachers in this field can boast of their great Physical Education classes, in as much that, McLain offers twice as many sports activities, and instruction with these sports, than any other school around the state.

The department is headed by Coach Joe Shoulders, who teaches P.E. besides being the basketball coach. Developing the strength and courage to meet the "CHALLENGES OF CHANGE" is what the P.E. classes are doing for McLain students.

Coach Shoulder urges the "Scots" on to victory with a few last-minute instructions.

## Science

Strive to meet the challenge of the future is McLains science department. The science department is one of the busiest and most interesting departments of McLain. Among the courses offered are: biology, advanced biology, chemistry and advanced chemistry, earth science, physics, physiology and psychology. Dissecting cats is the high point of the physiology class, while the biology classes attempt frogs and explore genetics. Lab work and experiments make the courses in physical science interesting also.

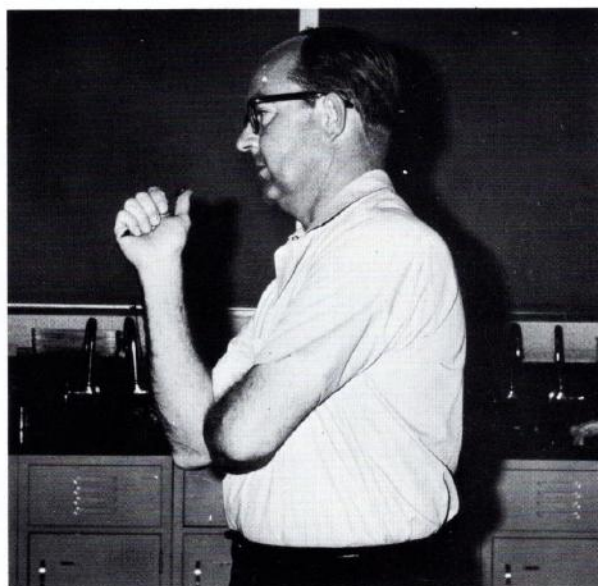

There's Mrs. Nelson with her evil, vic smile, and that means trouble. (You're not really that bad, Mrs. Nelson, are you??)

Mr. Smith, one of our finest biology and physics teachers, is giving one of his familiar lectures on physics.

Mr. Riley, a new teacher at McLain this year, says, "Now this is a formula for calcium!" (Huh?)

## McLain's Junior Class Presents:

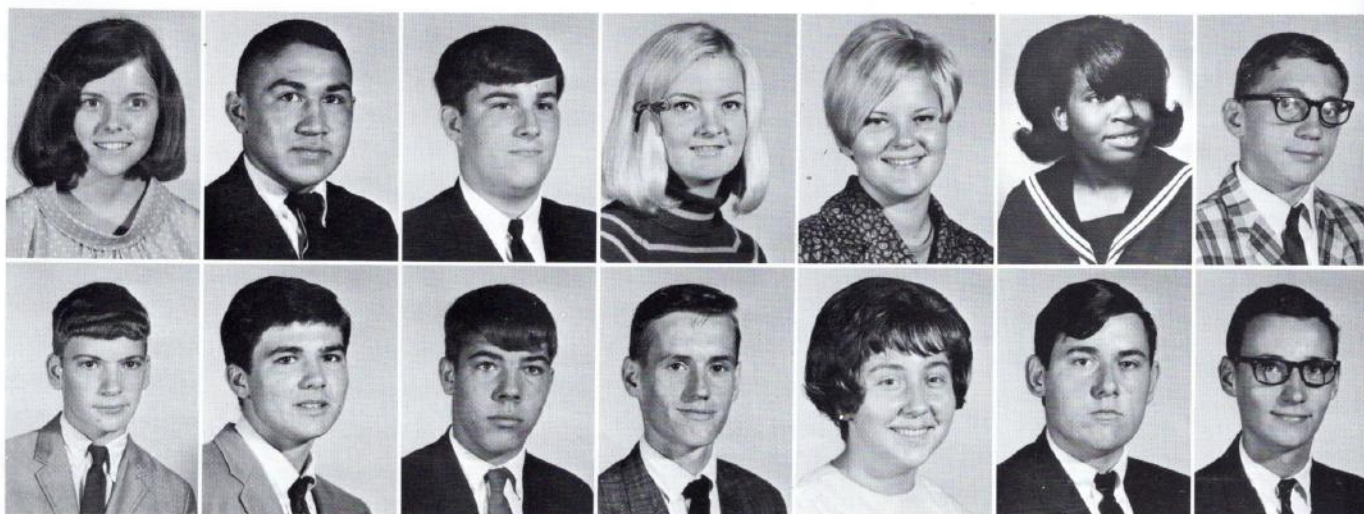

SABRINA FAIR, is a romantic comedy by Samuel Taylor, author of THE HAPPY TIME.

The story is a modern version of the Cinderella fable. Sabrina is the daughter of the family chauffeur for the Larrabees who are staggeringly rich and impeccable genteel. Fearfully brilliant and educated, she comes home from five years in Paris, where she has done a stunning job in a United States overseas branch. Sabrina has come home to discover if she is still in love with the elder son, Linus, a cynical tycoon who has taken control of the family fortune. Once at home, Sabrina is pursued by the younger son who is aided by his brother; and there's also a rich Frenchman who follows her from Paris to see if she will marry him.

Marsha Wright, (Julia McKinlock); Mike Watkins (David Lanabee) Joan Aery (Maude Larrabee), and Leona Clark (Sabrina Fairchild) try to get the bird, which Sabrina brought back from Paris, to sing a French lullabye.

# THE TEAHOUSE OF THE AUGUST MOON

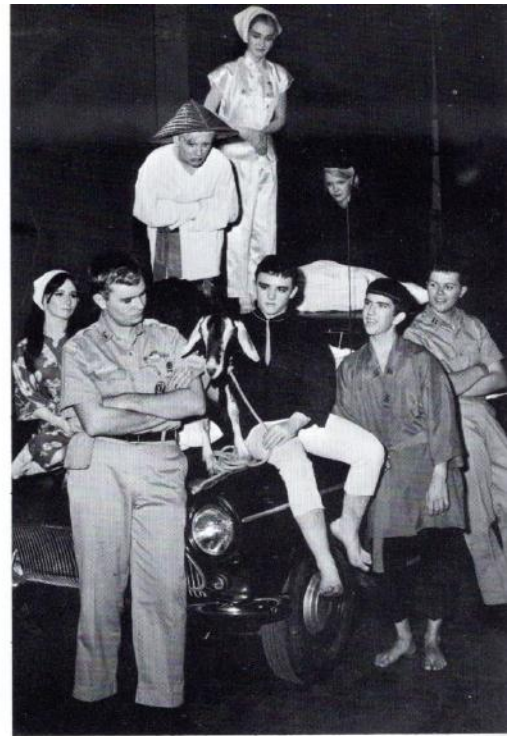

## Presented by Seniors

The American forces after World War II occupying Tobiki, a small village on Okinawa, tried to rehabilitate and civilize the villagers. They spent much money to buy lumber and materials to build a school for the children, but the people in the village felt differently. With the help of sergeant Fisby, the villagers built a teahouse instead of a school, and hired geisha girls to work there.

The peak of the performance was when the teahouse was completed and the curtain had risen. This was the first time in the school's history that a set design was applauded because of its beauty. This praise was well deserved for the long hours the stagecraft and sponsors put in on completing the scenery for this outstanding play.

David L'Roy portrays the lead role of Sakini, an Okinawan interpreter. He served as a guide for Captain Fisby, the commanding officer on Okinawa.

Colonel Purdy runs into trouble with carrying passengers into town. FRONT: Tom Broad (Col. Purdy), Max Moore (child), David L'Roy (Sakini), Duncan MacDonald (Captain Fisby). BEHIND: Shirley Smith (child) Robb Pethick (Ancient Man), Ann Hoffman (Old Woman's Daughter), Linda Sitzman (Old Woman).

People of Tobiki Village gather in the Tea House as soon as it has been completed. SEATED IN FRONT: Paul Mosier, Shirley Smith, Max Moore, David McCormick, David L'Roy. ON PLATFORM: Vienna Schuering, Steve Rutledge, Dennis Seawright, Loretta Slankard, Larry White, Vernecia Riff, Linda Sitzman, Robb Pethick, Mike Turpen, Steve Knight, Susan Pease, Ann Hoffman, Rodney Hargrave. STANDING: Terry Street, Tom Broad, Duncan MacDonald, Wanda Reed, Donnie Johnson, Glenn Fincher.

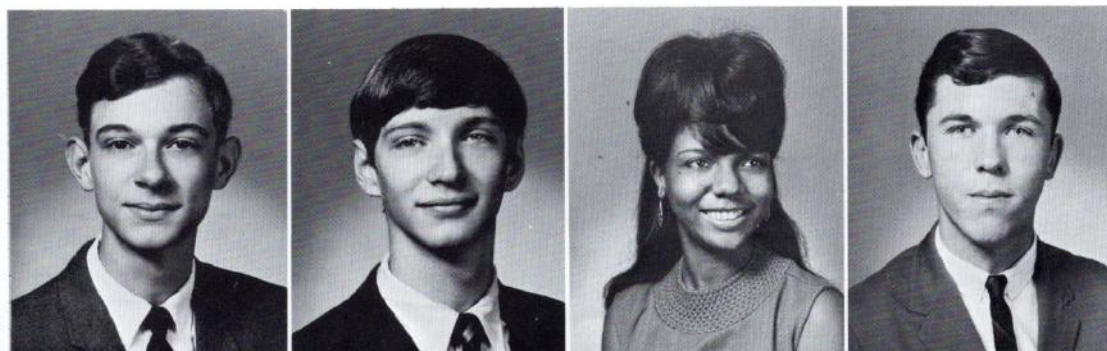

While supposedly destroying the sweet potato brandy stills, one of the soldiers seemed to have tested some. Tom Broad (Col. Purdy III), Glenn Fincher (Sergeant Gregovich, Duncan MacDonald (Captain Fisby), and Donnie Johnson (Captain McLean).

Villagers gather in front of Tobiki Village. SEATED: Paul Mosier, Vernecia Rife, Susan Pease, Vienna Schuering (Miss Higa Jiga). MIDDLE: Terry Street (Mr. Sumata's father), Steve Rutledge, Mike Turpen (Mr. Hokaido), Steve Knight (Mr. Keora). STANDING: David McCormick (Mr. Seiko), Dennis Seawright (Mr. Sumata), Rodney Hargrave (Mr. Omura), Larry White (Mr. Oshira), Loretta Slankard.

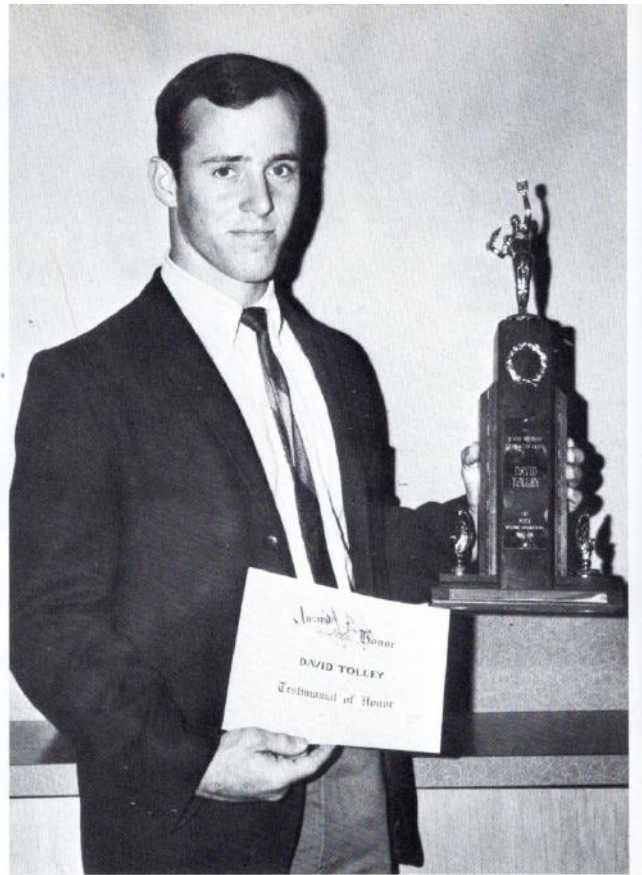

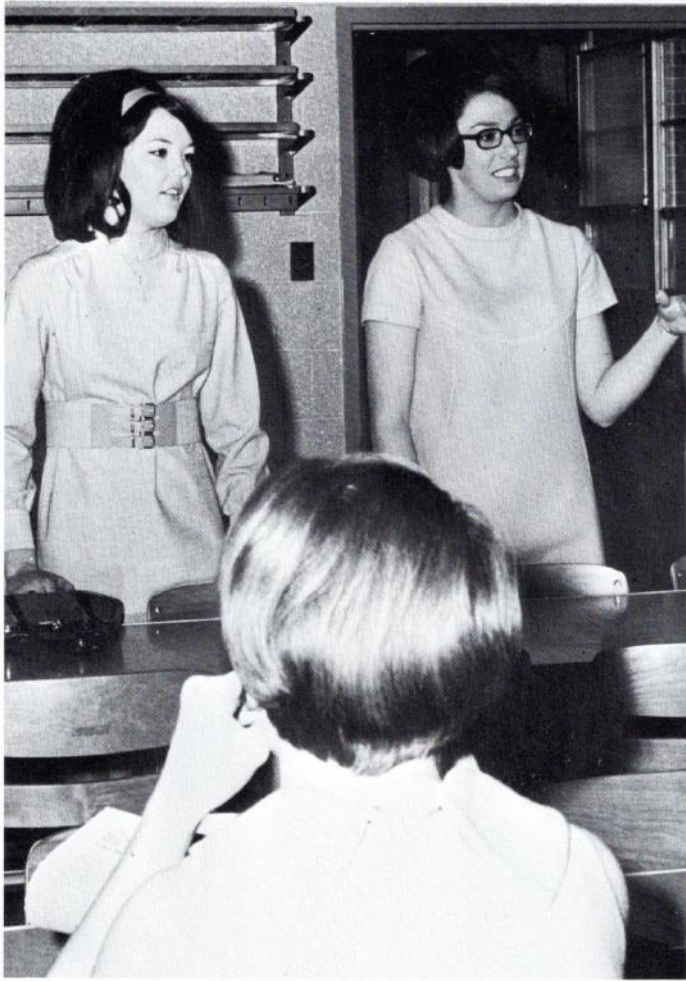

Lotus Blossom, a beautiful Okinawan Geisha Girl, is played by Wanda Reed. She was given as a gift to Captain Fisby when he took command of the island. Many people had the wrong opinion about Geisha girls before Lotus came to the village.

Seniors wait patiently for the line to move during commencement.

Linda Byrd, armed with cap and gown and coke, faces the cold cruel world.

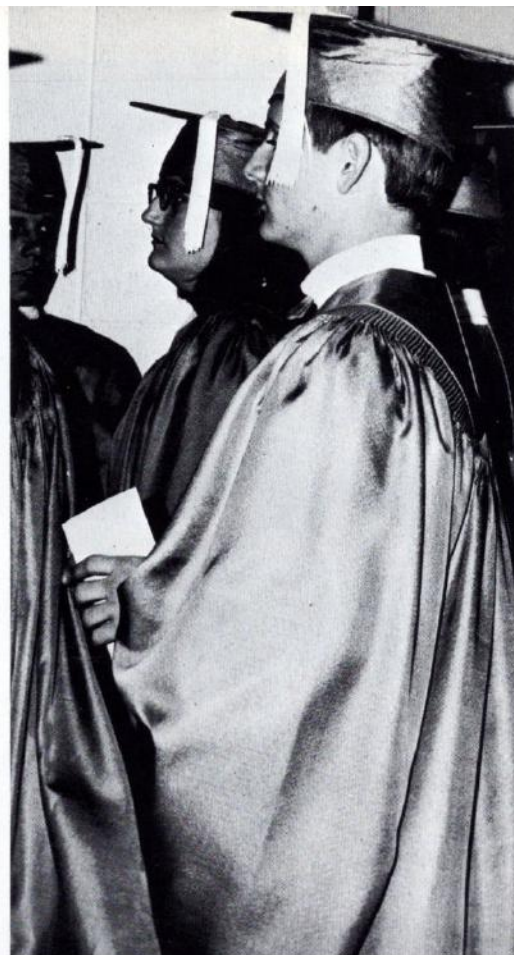

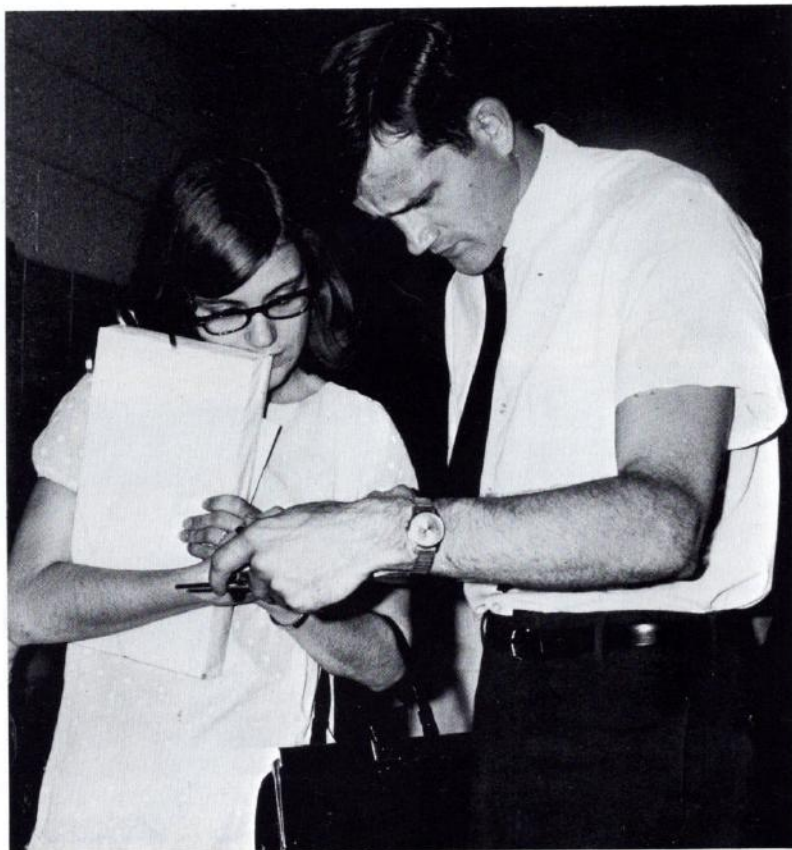

Somehow the distribution of caps and gowns didn't lift Bernadette Ward's spirits.

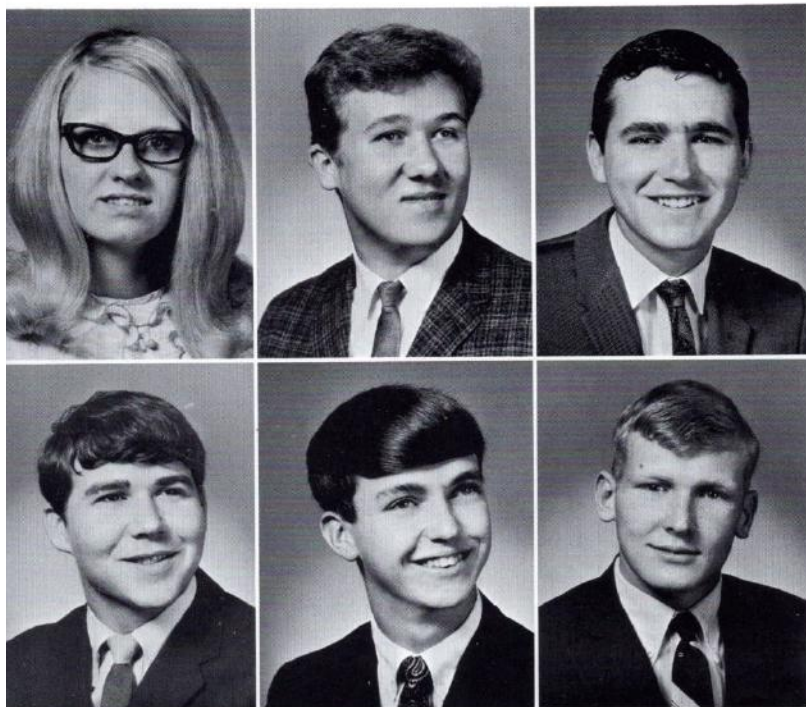

Locating the right place in line proves to be a difficult task for Carol Booth, Vivian Clark, John Croft, Janet Yoho and Mr. Schuler.

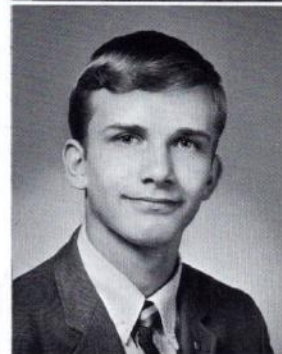

In the storage room of the Civic Center, lining up for the last time is a rather uncertain and sad occasion for Roy Dale, Edith Ferguson and Ole Nyquist.
