

Art De
Noël

SOFITEL
KUALA LUMPUR DAMANSARA

A woman in a dark, elegant dress is shown from the side, leaning over and lighting a candle. The scene is filled with numerous lit candles of various sizes, creating a warm, golden glow. The background is dark, making the light from the candles stand out. The woman's face is partially visible as she focuses on the task.

Art de Noel embodies the artistry of celebrating the holiday season with refined French elegance and heartfelt, creating an unforgettable encounter with festive beauty.

At Sofitel Kuala Lumpur Damansara, prepare yourself for a truly enchanting, epicurean Christmas surrounded by the elegant ambience of French joie de vivre. We look forward to welcoming you to our magical festivity, where every detail reflects our passion for creating special moments.
