

Navratri Mahotsav 2024

October 3, 2024
to
October 12, 2024

The nine days of Sharad Navratri are considered as one of the most auspicious periods in the Hindu calendar for the worship of Durga Mata. It is traditional to offer special Pujas and Havens dedicated to all the Trishaktis, Parvati, Lakshmi and Saraswati during this period since Devi meditated in these three forms during this period. In many regions, the nine days are devoted to offering special prayers to the all nine manifestations of Devi as identified in Devi Mahatmyam or Chandi path or Devi Sapta Sati. The tenth day known as Vijaya Dasami is traditionally used for Vidyarambham. In many parts of India, it is also customary to celebrate the major victory of Rama immortalized in Ramayana, on this day.
