REQUESTING SPONSORSHIPS IN 2026

- We are trying to taper our investment in this category for two reasons:
 - We hope to help nonprofit partners become less dependent on event fundraising and find other sustainable ways to generate resources.
 - We need to preserve our discretionary resources for responsive grantmaking.
- If the event supports one of your programs, please apply for a grant to fund the program instead of an event sponsorship.
- Consideration will be given to whether MCCF has sponsored your event in the past AS WELL AS recognition opportunities available for our support.
- Ask as far in advance as possible. Above a certain threshold, sponsorship requests must be approved by the MCCF Finance Committee and/or Board of Directors.
- The preferred method of sponsorship will be in the form of matching dollars to your agency endowment, as a facet of your event fundraising.
