CONNECTING
OUR COMMUNITY
THROUGH ARTS

hello.

On behalf of the Board Of Directors and myself, I want to first say THANK YOU to the excellent artists and performers who filled our hearts with beautiful colors, sounds, performances and movement in 2021. Whether or not you had a chance to make it to The Palace in person this past year, we are truly humbled by your gracious support.

As a preview to this coming year, we've put together this "look-book" to share a quick glimpse into the work we are doing and what to expect in 2022!

These past few years have caused us to think deeply about our role as an arts organization and how we can best fulfill our artistic calling. From this deep work, our greatest revelation and value is the power of the arts to CONNECT!

Whether it was our Woman's Writers Group, our Street-By-Street Podcast, or the fantastic Pollinator Garden, we've realized creativity has the power to bring people together, inspire hope, and transform individuals.

It is this desire for impact that drives us. We sincerely hope that you will join us on this journey of Cultivating the Arts, Culture, and Community here in Hamilton, NY.

Thank you and we look forward to seeing you soon!
