GULF COAST ULTRASOUND INSTITUTE

ECHOCARDIOGRAPHY REGISTRY REVIEW

Gulfcoast Ultrasound Institute's OB/GYN registry review study products and packages are designed to enhance and empower sonographers and physicians through established educational materials created by our expert faculty that we have assembled over three decades of education to guarantee your success. Make no mistake, the registry exams are very challenging and updated often. These exams need significant amount of review time. Whether you are new to ultrasound, or a seasoned professional our registry review options will help you achieve certification.

GULF COAST ULTRASOUND INSTITUTE OB/GYN ULTRASOUND TRAINING VIDEOS

Available in either DVD or online formats, GCUS offers abdominal ultrasound training videos on specialized topics for all modalities of abdominal ultrasound. Topics range from fundamentals to scan protocols, pathologies, and the latest in abdominal ultrasound procedures and interventions. Reinforce your knowledge on one specific topic by purchasing an individual video with lifetime access, or build a library on various topics for yourself, or your facility.

GULFCOAST ULTRASOUND INSTITUTE

POINT-OF-CARE ULTRASOUND

ONLINE COURSES

Gulfcoast Ultrasound Point-of-Care Ultrasound Online Courses are a perfect fit for a Medical Professional who either already has a source of hands-on training available to them, or just need a refresher course to stay on top of the most current ultrasound practices.

Online Course topics are structured off of the same curriculum and lectures as a GCUS Live Course, simply without the hands-on training.

Individuals who enroll in online Courses will have 12 months UNLIMITED access to the content which consists of video lectures, case studies, and post-module quizzes.

GULF COAST ULTRASOUND INSTITUTE

POINT-OF-CARE ULTRASOUND CME VITALS

In need of quick, affordable, quality, online CME Credit(s)? CME Vitals are the most efficient and cost-effective way of obtaining your CME Credit(s).

These online activities consist of a variety of micro-learning formats which include videos, images, case studies, quizzes and articles.

CME Vital activities are available to purchase as individual CME activities or as a "Volume". A Volume of CME Vitals are offered at a discounted price and offer a combined total of 10 AMA PRA Category 1™ Credits.

Price: \$150.00

Point-of-Care Ultrasound Series: CME Vital Volume 1

10.00 AMA PRA Category 1 Credits™

- *Ultrasound Evaluation of the Aorta*
- *The F.A.S.T. Exam*

POINT-OF-CARE ULTRASOUND TRAINING VIDEOS

Available in either DVD or online formats, GCUS offers Point-of-Care Ultrasound training videos on specialized topics for all modalities of Point-of-Care ultrasound. From fundamentals and anatomy to scan protocols, pathologies, and the latest in ultrasound-guided procedures and interventions. Reinforce your knowledge on one specific topic by purchasing an individual video with lifetime access, or build a library on various topics for yourself, or your facility.

GULFCOAST ULTRASOUND INSTITUTE POCUS REGISTRY REVIEW

Gulfcost Ultrasound Institute's POCUS registry review study products and packages are designed to enhance and empower sonographers and physicians through established educational materials created by our expert faculty that we have assembled over three decades of education to guarantee your success. Make no mistake, the registry exams are very challenging and updated often. These exams need significant amount of review time. Whether you are new to ultrasound, or a seasoned professional our registry review options will help you achieve certification.

GULFCOAST ULTRASOUND INSTITUTE

VASCULAR ULTRASOUND ONLINE COURSES

Gulfcoast Ultrasound Vascular Ultrasound Online Courses are a perfect fit for a Medical Professional who either already has a source of hands-on training available to them, or just need a refresher course to stay on top of the most current ultrasound practices.

Online Course topics are structured off of the same curriculum and lectures as a GCUS Live Course, simply without the hands-on training.

Individuals who enroll in online Courses will have 12 months UNLIMITED access to the content which consists of video lectures, case studies, and post-module quizzes.

GULF COAST ULTRASOUND INSTITUTE

VASCULAR TRAINING VIDEOS

Available in either DVD or online formats, GCUS offers vascular training videos on specialized topics for all modalities of vascular ultrasound. Topics range from fundamentals to scan protocols, pathologies, and the latest in echocardiography procedures and interventions. Reinforce your knowledge on one specific topic by purchasing an individual video with lifetime access, or build a library on various topics for yourself, or your facility.

VASCULAR REGISTRY REVIEW

Gulfcoast Ultrasound Institute's Vascular registry review study products and packages are designed to enhance and empower sonographers and physicians through established educational materials created by our expert faculty that we have assembled over three decades of education to guarantee your success. Make no mistake, the registry exams are very challenging and updated often. These exams need significant amount of review time. Whether you are new to ultrasound, or a seasoned professional our registry review options will help you achieve certification.

CME VITALS

In need of quick, affordable, quality, online CME Credit(s)? CME Vitals are the most efficient and cost-effective way of obtaining your CME Credit(s.)

These online activities consist of a variety of micro-learning formats which include videos, images, case studies, quizzes and articles.

CME Vital activities are available to purchase as individual CME activities or as a "Volume". A Volume of CME Vitals are offered at a discounted price and offer a combined total of 10 AMA PRA Category 1™ Credits.

Price: \$150.00

Vascular Ultrasound Series: CME Vital Volume 1

10.00 AMA PRA Category 1 Credits™

- *Ultrasound Evaluation of the Aorta*

GET YOUR SYSTEMS to the head of the class!

WHY IN-KIND SUPPORT?

Support Your Customers

Your customers are our customers too! Support their US education and training by having the systems they own and use here at our facility.

Showcase New Technology

Allow your customers and prospective customers to experience your cutting edge technology while expanding their clinical skills

Connect With New Users

Providing equipment support puts your systems in front of hundreds of new users each year. Follow up with those users who opt-in via our lead list, provided to all supporters after every live course we host.

CURRENT SYSTEM SUPPORTERS:

ABOUT GULFCOAST.

Since 1985, Gulfcoast Ultrasound Institute (GCUS) has offered accredited ultrasound education to 170,000+ medical professionals across multiple specialty practices. GCUS is recognized as the world-wide leader in CME within the ultrasound industry. All courses are taught by leading ultrasound experts. Our 3:1 participant to instructor ratio is the lowest in the industry offering the most hands-on skills training available.

WHY PARTNER WITH GULFCOAST?

- Network at multiple yearly Welcome Receptions (*No Exhibit Fee*)
- Receive lead list of participants who opt-in after live courses
- Trusted education provider since 1985
- In full compliance with ACCME commercial support guidelines
- GCUS is ACCME accredited with commendation providing AMA PRA Category 1 Credits.
- Be featured on the GCUS sponsored podcast, *The Sonography Lounge*, with over 13,000 subscribers
