AUTHENTIC, MEMORABLE AFRICAN SAFARIS
With Pioneers in the Hunting Industry

Coenraad Vermaak Safaris (CVS) aspires to "old school" values. We are known for our consistency in delivering what we promise - from every point of view. A safari with CVS offers you peace of mind and an assurance that your expectations and more will be met. It is common for clients who have hunted with us to say that we are guilty of underselling our product. We are proud yet humble, and we prefer to undersell and over-deliver! Since 1970, we've taken our clients to some of the continent's most amazing places and led them to Africa's most spectacular wildlife in areas which are unique and out of reach to most outfitters. Our safaris and hunting areas are a cut above the rest. What we offer and deliver is an authentic safari experience of the highest quality with the greatest team in Africa! We love what we do and we are passionate about sharing the great African outdoors with our discerning clients. This is why we take the details of your safari as seriously as you do. Consistency for over 50 years has resulted in our impeccable international reputation.

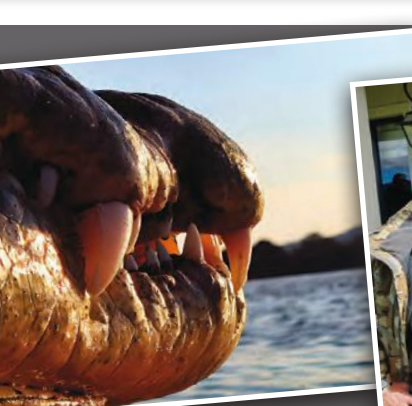

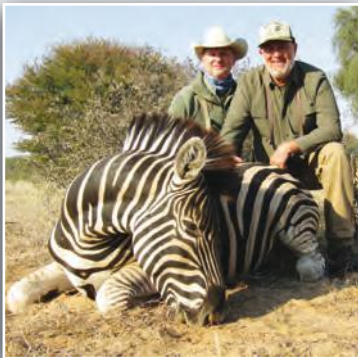

Join us for your next hunting adventure and experience the difference with our dedicated team! A safari is as much about the hunt as it is about the people that you are with. During these challenging times, consistency and attention to detail is what you should be banking on. A safari is not just a 10-day investment - it is an investment in a lifetime of memories! We are extremely grateful to all the hunters and their family members who entrusted us with their safaris this year! The 2021 season has been a resounding success and this is because of our loyal supporters - old and new! We thank each one of you most sincerely. We are humbled by the support we received this year and we do not take this for granted. Our team is looking forward to a busy and action packed 2022 season. We have safaris to suit every requirement and budget. Wishing you and your loved ones a wonderful year ahead and we look forward to seeing Africa through your eyes and making more memories in 2022!

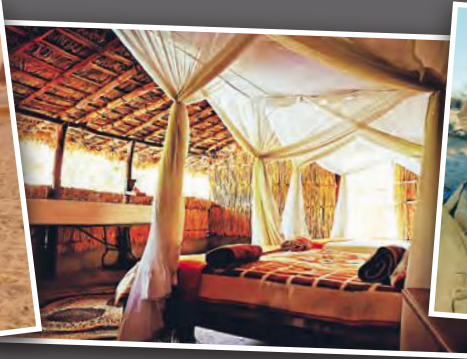

Yours sincerely,

Hans and the entire CVS Team
