Fun and development

Playing is not just fun, it is also very important. While playing children get familiar with the world by building, stacking, making music or imitating. Playing contributes to the development, insight, talent and motor skills. The toys of New Classic Toys help the development of all these skills while playing and having fun. We ensure that playing can be educational and valuable for any child.

Sustainable toys

New Classic Toys stands for quality and educational toys. Since the establishment in 1991 New Classic Toys has built up a wide collection of durable and attractive toys.

High quality

New Classic Toys wants to challenge, excite and enjoy children with high quality toys. All products from our brand comply with the strictest safety requirements conform the EN-71 standard. Plus, our collection is always up to date. The assortment is continuously extended, supplemented and improved. Our products last for generations. And we are very proud of this.

The wide product offer is classified on category. Would you like to know more, please do not hesitate to contact us. Our employees will gladly be of assistance.
