The annual Asian Packaging Excellence Awards was founded **25 Years Ago** to recognise outstanding achievement in the packaging industries across Asia. With more than half the world's population represented in this fast growing area, communication in the form of printed matter links Asia's diverse cultures. It is imperative that such print achievements do not go unrecognised, especially among the population base that Asia enjoys.

The Awards are judged on a wholly quality-oriented set of criteria to ensure that fair play is enacted at all times.

The **Independent Judging Panel** comprises highly qualified personnel from within Asia and around the world. The independent judging panel has no knowledge of the actual entrants details. ALL ENTRIES ARE NUMBER-CODED. Entries must be commercially produced work.

The Asian Packaging Excellence Awards is the **only regional print quality competition of its kind in Asia**. Supported by leading industry-supply companies, any progressive quality packaging print house should enter and prove that they are the best - by winning the Gold, Silver or Bronze award. Proving pride in quality awareness is what customers love to see. Win and you can prove it!
