ANOTHER GENERAL

In the two years that Mr. Gibson has been principal at McLain, he has, through great effort, helped make McLain High School, a school to be proud of. He has received respect from students and faculty members. He has proven to be a man who will help others with their problems. We should show our appreciation by showing him we care.

SOMETHING TO SMILE ABOUT

We, the students at McLain High School, have SOMETHING TO SMILE ABOUT. We have demonstrated more school spirit, won recognition in our community, and established many new traditions that will be passed on throughout the years. We have achieved academic honors, participated in numerous activities, and excelled in all phases of athletics. Our accomplishments have helped us to establish pride in our student body. With all this going for us, why shouldn't we smile?

I believe in the future which I am planning for myself in the field of distribution, and in the opportunities which my vocation affords.

I believe in fulfilling the highest measure of service to my vocation, my fellow beings, my country and my God — that by so doing, I will be rewarded with personal satisfaction and material wealth.

I believe in the democratic philosophies of private enterprise and competition and in the freedoms of this nation — that these philosophies allow for the fullest development of my individual abilities.

I believe that by doing my best to live according to these high principles, I will be of greater service both to myself and to mankind.

So take that ball and push right through that line.
Loyal Scots lead the way.

SCOTS HAVE A GREAT SEASON

The fighting McLain Scots had a great season. The Scots had plenty of enthusiasm when we ran over Central in an All-City game 21-0. Our spirit was dampened a bit when Memorial beat us 7-6, but we came on strong against, and defeated O.C. Douglas 30-2. Our spirit and our string of victories continued to grow as we beat Guthrie 47-12 and Central 50-7. The biggest thrill of all came when we defeated the Washington Hornets 26-7, in a conference game, which is now being called the Northside Classic. We continued our winning ways by beating Rogers 18-0, Edison 21-7, and Muskogee 33-0. We ended the regular season play by losing to Hale 48-0.

Although we did not win the state playoffs, we won many honors. We won the Northside Classic, and a conference championship over such powers as Washington and Muskogee. We had ten players chosen for the All-Conference team, three players elected to the All-City squad, and two team members were chosen for the All-State team.

All-Conference players were: Ronnie Smith, Rod Dilday, Carlton Smith, Keith Cain, Aaron Washington, Versie Wallace, Jim Monday, Kenneth Long, Tommy Vermillion and Ronnie Hawkins.

All-City players were: Ronnie Smith, Keith Cain and Ronnie Hawkins.

All-State player was: Keith Cain.

Congratulations men!

It is with feelings of joy and sadness that the Seniors look back up on the past three years just one last time before graduation.

THE SPIRIT

Some said the Juniors couldn't do it — that they wouldn't even try. Nevertheless we accomplished new, exciting things. Not only did we become the Seniors of '77, but we helped establish spirit in the halls of McLain and put smiles on the faces of its students and faculty.

We sponsored a donkey-basketball game in November, for the enjoyment of all, and a super rock concert from Langston University in December. In the spring, we put on a super social event with games, dancing, and good food. Not bad for a Junior Class! We rounded out our year by giving a hayride for the Junior Cabinet and Board.

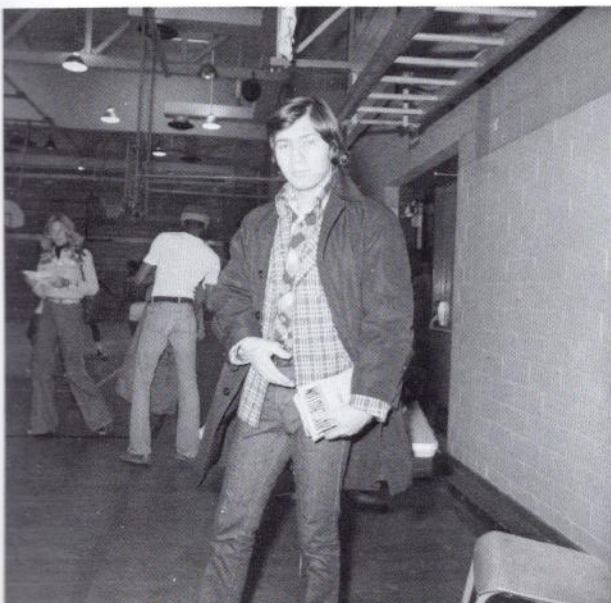

We are proud of our accomplishments and the Junior class does indeed have something to smile about!

Curtis Battle receives some helpful hints from Coach Rogers.

Sophomores can be kind to animals — unless they are the species known as Seniors.

These guys always work hard in gym class.

Fun with schedule cards!

Something to smile about!

Who me? Pose for a picture?

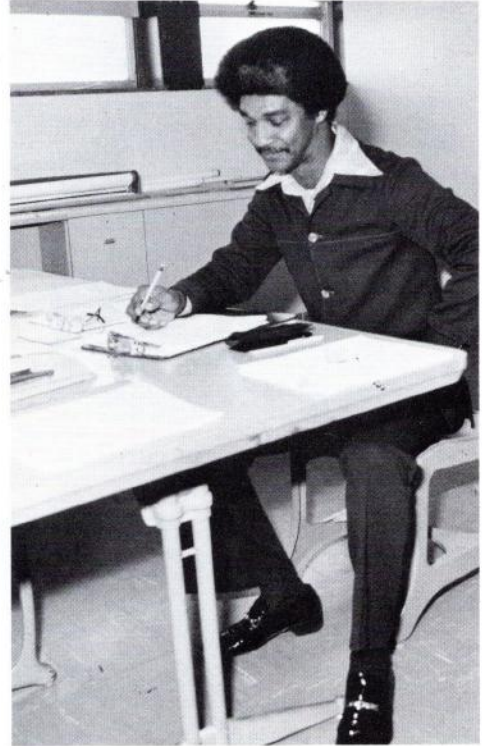

Counselor counseling counselor?

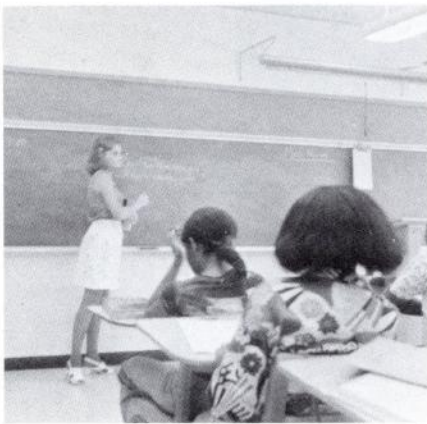

You wouldn't do that.

Tending to routine affairs.

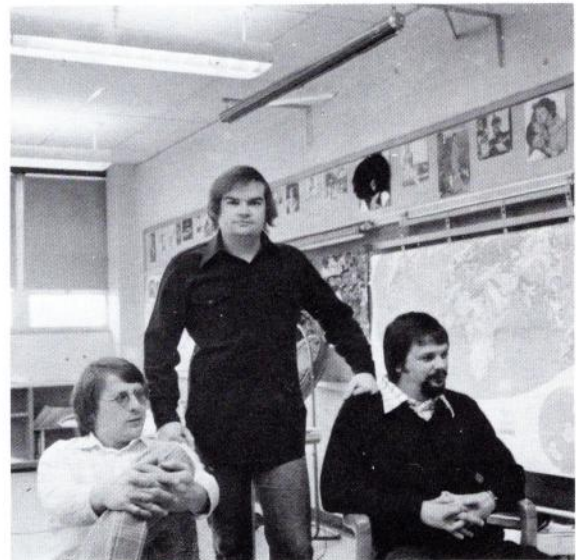

Ready and open for business.

Transitive or Intransitive?

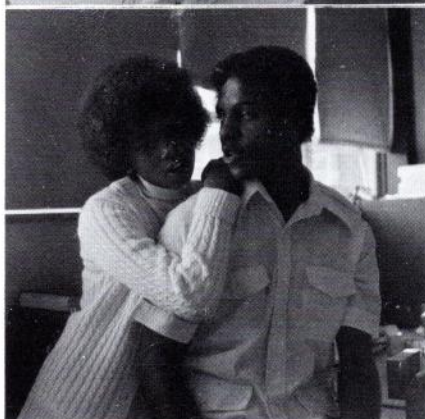

Basketball vs. Swimming.

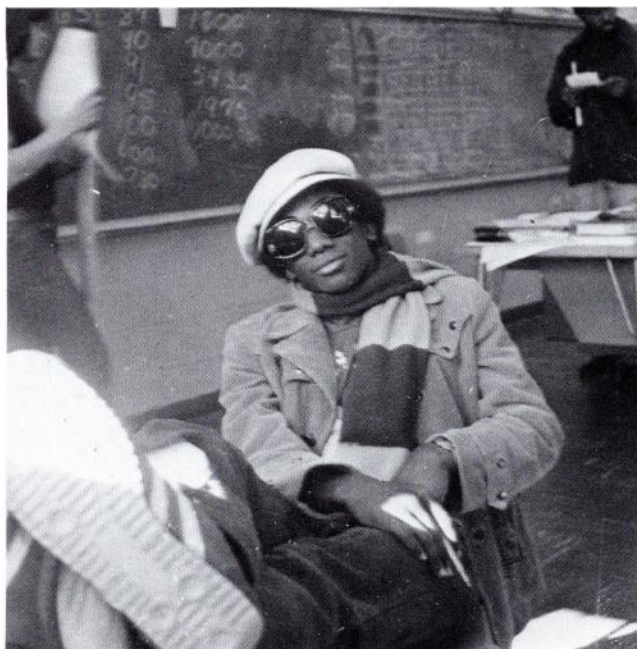

Who us? Cut class?

... GREAT
YEAR !!

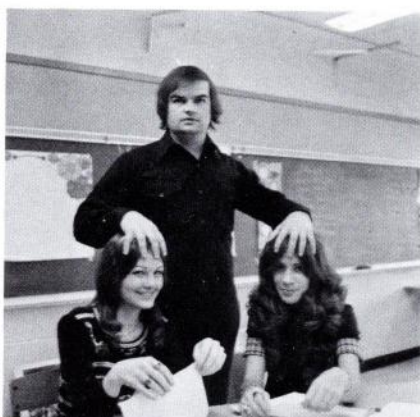

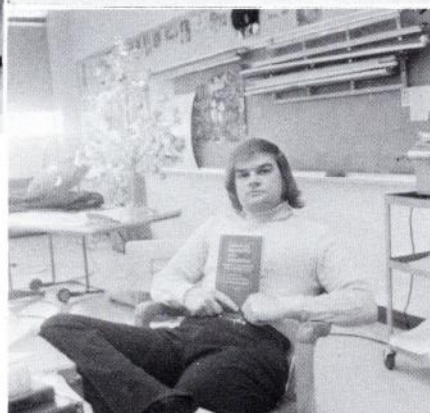

DUNEGAN — STRODE

As Junior Class sponsor, Gary Dunegan has shown great school spirit and a good attitude toward McLain.

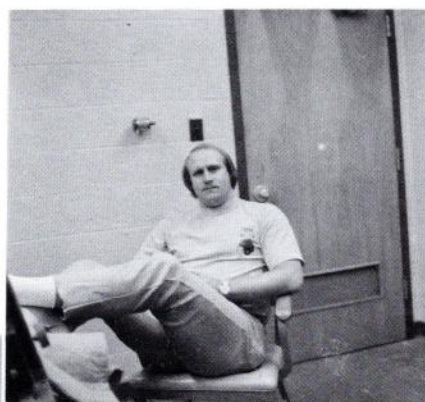

Spirit

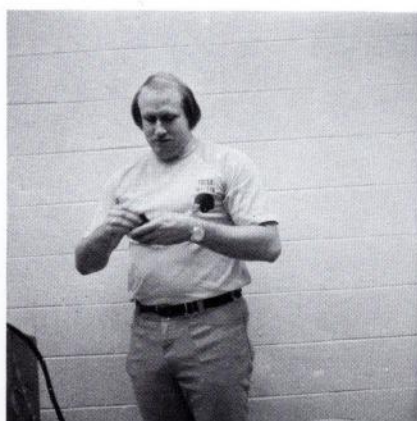

Not only does Dunegan have school spirit, but he has helped promote school spirit within the student body.

SHOW SPIRIT

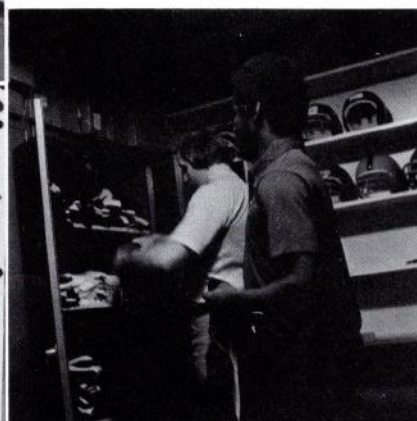

In Coach Tom Strode's first year as head football coach, he has shown determination in leading his Scots to an impressive 8-2 record and a Okla. Six Conference Championship.

Strode has developed standouts such as Keith Cain, Ronnie Smith, Aaron Washington, Ronnie Hawkins, Rod Dilday, Tom Vermillion, Versie Wallace, Carlton Smith, and Jim Monday. Now he should have something to smile about. Good-luck Coach!

SYLVESTER GIBSON

ANOTHER GENERAL

In the two years that Mr. Gibson has been principal at McLain, he has, through great effort, helped make McLain High School, a school to be proud of. He has received respect from students and faculty members. He has proven to be a man who will help others with their problems. We should show our appreciation by showing him the care we care.
