50TH ANNIVERSARY
Martinez Cardona

50 years elevating comfort.

The story behind Martinez Cardona talks about the artisanal process, careful design and the search for comfort. Since 1975 we have put our heart and soul into every sofa and piece of furniture we create and manufacture by hand. An artisanal journey that begins in our factory, where the magic takes place. We continually research new materials, styles and shapes so that each product becomes an icon.

A creative process that comes from the heart to your home.

Finding the perfect and most comfortable design, the innovative materials and the best fabrics to create our furniture is our daily obsession, in a constant search for innovation and quality, and the selection of the most innovative techniques and materials to create the most innovative sofas and furniture. comfortable and beautiful.

Our unique and personalized sofas are carefully and consciously handmade because we know what it means to each of us. And it's not just a beautiful piece of furniture, it's the place where we belong, where we feel at home.

La historia detrás de Martínez Cardona habla del proceso artesanal, el diseño cuidadoso y la búsqueda del confort. Durante casi 50 años hemos puesto todo nuestro corazón y alma en cada sofá y mueble que creamos y fabricamos a mano. Un viaje artesanal que comienza en nuestra fábrica, donde ocurre la magia. Investigamos continuamente nuevos materiales, estilos y formas para que cada producto se convierta en un icono.

Un proceso creativo que va del corazón a tu hogar.

Encontrar el diseño perfecto y más cómodo, los materiales innovadores y las mejores telas para crear nuestros muebles es nuestra obsesión diaria, en una constante búsqueda de innovación y calidad, seleccionando las técnicas y materiales más innovadores para crear los sofás y muebles más cómodos y hermosos.

Nuestros sofás únicos y personalizados son cuidadosamente hechos a mano de manera consciente, porque sabemos lo que significa para cada uno de nosotros. Y no es solo un mueble bonito, es el lugar al que pertenecemos, donde nos sentimos en casa.

JOHANSSON

The play of volumes of the arms and backrests added to a base create different elements capable of configuring a **sober and elegant aesthetic**. The seat cushions come in a single piece, combining with the back cushions.

A fine structure supports each back cushion. Constructed with a metal structure and covered with the same personalized and tailored fabric to provide a touch of design and visual impact.

The essence of the Johansson seating system is manifested in the extraordinary seat filling of **maximum softness**, the filling is characterized by a highly resistant foam covered by a feather-filled duvet. All the arm and backrest elements of the structure are covered with a fiber that provides a design and visual image of comfort, and the entire set of elements rests on a black lacquered wooden base.

El juego de volúmenes de los brazos y respaldos agregados a una base crean diferentes elementos capaces de configurar una estética sobria y elegante. Los cojines de asiento se presentan en una sola pieza combinando con los cojines de respaldo.

Una fina estructura soporta cada cojín de respaldo. Construida con una estructura de metal y recubierta con el mismo tejido personalizado y confeccionado para aportar un toque de diseño e impacto visual.

La esencia del sistema de asientos Johansson se manifiesta en el extraordinario relleno de asientos de máxima suavidad, el relleno se caracteriza por una espuma de alta resistencia recubierta mediante un edredón relleno de plumas. Todos los elementos de brazos y respaldos de la estructura son recubiertos con una fibra que aporta un diseño e imagen visual de confort, y todo el conjunto de elementos se apoya sobre una base de madera lacada en color negro.

DYLAN

With clean lines and maximum comfort thanks to its dimensions, together with a base that rests on a tubular structure providing a **distinctive appearance**. Its aesthetics provide sobriety and exclusivity to spaces that seek differentiation and elegance.

The Dylan model, which is characterized by the large and versatile seating system, is made up of different elements that allow creating compositions that are easily integrated into modern environments. An **innovative seat system**, developed and produced by combining different foam densities, gives it a high level of softness and comfort. Its elements, such as the functional headrest cushion, promote an ideal reading and relaxing posture.

De líneas depuradas y máximo confort gracias a sus dimensiones, junto a una base que se apoya sobre una estructura tubular aportando un aspecto distintivo. Su estética aporta sobriedad y exclusividad a los espacios que buscan la diferenciación y la elegancia.

El modelo Dylan que se caracteriza por el amplio y versátil sistema de asientos, está compuesto por diferentes elementos que permiten crear composiciones que se integran fácilmente en ambientes modernos. Un sistema innovador en los asientos, desarrollado y elaborado mediante la combinación de diferentes densidades de espuma, le dotan de un alto nivel de suavidad y confort. Sus elementos, como el cojín funcional reposacabezas, favorecen una postura idónea de lectura y relax.

ROLLEN

The strong character and perfection of the proportions as a whole highlight the construction details that are evident in each of its components. The Rollen system is composed of different elements that allow a set of large-dimensional configurations, characterized by **architectural geometry**.

The basis of its structure characterizes the company's own design, an element of technology and development that allows an easy assembly system using individual arm and backrest modules. The different heights of the backrest and armrest mark an interlocking of volumes with great **visual impact** that guarantee a high level of comfort.

The design of the legs is defined by its own anthracite gray color, its rounded and straight lines accompany the entire horizontality and depth of the base, keeping the elements elevated from the ground, thus transmitting a sensation of lightness to the suspended volumes.

El fuerte carácter y la perfección de las proporciones en su conjunto, remarcan los detalles constructivos que resultan evidentes en cada uno de sus componentes.El sistema Rollen está compuesto por diferentes elementos que permiten un juego de configuraciones de grandes dimensiones, caracterizada por la geometría arquitectónica.

La base de su estructura caracteriza el diseño propio de la compañía, un elemento de tecnología y desarrollo que permite un fácil sistema de ensamblaje mediante módulos de brazos y respaldo individuales. Las distintas alturas del respaldo y el brazo marcan un encastre de volúmenes de gran impacto visual que garantizan un elevado nivel de confort.

El diseño de las patas está definido por un color propio gris antracita, sus líneas redondeadas y rectas acompañan en toda la horizontalidad y profundidad de la base, manteniendo los elementos elevados desde el suelo, transmitiendo así una sensación de ligereza a los volúmenes suspendidos.

DOBERS

Its curved lines offer a classic design in its concept and **contemporary** in its proportions. The classic finishes contrast with its support base made of oval steel. The Dobers system is made up of different straight and curved elements with a single seat cushion.

The various modular elements allow a wide range of layouts, from fixed sofas to L-shaped configurations, which in turn allow combining curved and straight elements, giving a classic and contemporary interpretation in a single space. The oval-shaped steel base supports the entire structure of the sofa, raising it from the ground, a contrast that is reinforced by its combination of styles.

Sus líneas curvas ofrecen un diseño clásico en su concepto y contemporáneo en sus proporciones. Los acabados clásicos contrastan con su base de apoyo fabricado en acero ovalado. El sistema Dobers está compuesto por diferentes elementos rectos y curvos con un único cojín de asiento.

Los diversos elementos modulares permiten una amplia gama de disposiciones, desde sofás fijos como configuraciones en L, que a su vez permite combinar elementos curvos y rectos otorgando, una interpretación clásica y contemporánea en un único espacio. La base de acero con forma ovalada soporta toda la estructura del sofá, elevándolo del suelo, un contraste que se ve reforzada por su combinación de estilos.

WALSON

Large configurations characterized by perfect geometry, thanks to the **versatility** of the system, combinations of large dimensions are achieved, defining a majestic and pure finish. Each of the arm and backrest elements is independent, a system that offers a haute couture design, defining each seat with a seat cushion and backrest.

The basis of its structure characterizes the company's own design, an element of technology and development that allows an easy assembly system using modules of arms with backrests and individual backrests. The design of the legs is defined by its own anthracite gray color, its rounded and straight lines accompany the entire horizontality and depth of the base, keeping the elements elevated from the ground, thus transmitting a sensation of lightness to the suspended volumes.

Configuraciones de grandes dimensiones caracterizadas por la geometría perfecta, gracias a la versatilidad del sistema se consiguen combinaciones de grandes dimensiones, definiendo un acabado majestuoso y puro. Cada uno de los elementos de brazo y respaldo es independiente, un sistema que ofrece un diseño de alta costura, definiendo cada plaza mediante cojín de asiento y respaldo.

La base de su estructura caracteriza el diseño propio de la compañía, un elemento de tecnología y desarrollo que permite un fácil sistema de ensamblaje mediante módulos de brazos con respaldo y respaldos individuales. El diseño de las patas está definido por un color propio gris antracita, sus líneas redondeadas y rectas acompañan en toda la horizontalidad y profundidad de la base, manteniendo los elementos elevados desde el suelo, transmitiendo así una sensación de ligereza a los volúmenes suspendidos.

ARTIEGALE

MAXIM BAJO

A sofa capable of transmitting a comforting sensation of **warmth and enveloping softness**. The seat cushions have a central application of extra soft polyurethane, combined along the entire perimeter with hard polyurethane, provided with a memory foam filling and a delicate layer of feather.

The structure is covered in thermo-welded fiber that offers an overall appearance of extraordinary delicacy. The backrest cushions are provided with a headrest cushion that has been specifically designed to offer more vertical support and enhance **the feeling of comfort**. The low Maxim seating system allows you to create cozy areas of absolute relaxation. The rationality of the forms is contrasted with great compositional freedom, which offers the creation of absolutely original forms and projects.

Starting from a simple concept of aggregating the different elements that make up the system, the most **varied configurations** can be obtained, thanks to the possibility of incorporating poufs in different positions as a seat extension. All elements rest on a tubular profile adjusted to the width of the arm, with a polished chrome finish or anthracite gray.

Un sofá capaz de transmitir una reconfortante sensación de calidez y envolvente suavidad. Los cojines de los asientos poseen una aplicación central de poliuretano extra suave, combinado por todo el perímetro con poliuretano duro, dotado de un relleno de Memory foam y una delicada capa de pluma.

La estructura está revestida de fibra termo soldada que ofrece un aspecto en su conjunto de extraordinaria delicadeza. Los cojines de los respaldos están provistos de un cojín reposacabezas que ha sido diseñado específicamente para ofrecer un apoyo más vertical y potenciar la sensación de confort. El sistema de asientos Maxim bajo permite crear acogedoras áreas de absoluto relax. A la racionalidad de las formas se contrapone una gran libertad compositiva, que ofrece la creación de formas y proyectos absolutamente originales.

Partiendo de un simple concepto de agregación de los distintos elementos que componen el sistema, se pueden obtener las más variadas configuraciones, gracias a la posibilidad de incorporar pufs en diferentes posiciones como extensión de asiento. Todos los elementos se apoyan sobre un perfil tubular ajustado a la medida del ancho del brazo, con un acabado en cromado pulido o en color propio gris antracita.

ELVIS

Linear and with soft shapes, it stands out for its stylized details and refined structure. The base of this sofa is defined by an **elegant contrast** that supports all its elements, supported by distinctive oval legs. This design not only provides stability, but also adds a touch of sophistication to any space.

It allows large configurations, characterized by perfect geometry. Thanks to the versatility of its modular system, it is possible to create wide and varied combinations, adapting to **different needs** and lifestyles. Whether in a residential environment or a commercial space, the Elvis sofa integrates perfectly, offering an imposing presence and superior comfort.

Lineal y de formas suaves, destaca por sus detalles estilizados y su estructura refinada. La base de este sofá se define por un elegante contraste que soporta todos sus elementos, apoyados sobre unas distintivas patas ovaladas. Este diseño no solo proporciona estabilidad, sino que también añade un toque de sofisticación a cualquier espacio.

Permite configuraciones de grandes dimensiones, caracterizadas por una geometría perfecta. Gracias a la versatilidad de su sistema modular, es posible crear combinaciones amplias y variadas, adaptándose a diferentes necesidades y estilos de vida.
