SIMPLICITY
MINDFULNESS
WELLNESS
SUSTAINABILITY

Yega is a lifestyle brand dedicated to inspiring mindful and sustainable living.

Rooted in simplicity and purpose, Yega creates thoughtfully designed products that align with the values of wellness, self-awareness, and sustainability.

Every product is crafted to enhance your everyday routines while fostering deeper connection with the environment and yourself. From reusable water bottles and flasks to unique coffee mugs, Yega brings balance to modern living, encouraging you to pause, breathe, and live with intention.

A photograph of three YEGA! water bottles in a woven basket. The bottles are orange, teal, and purple, each with a silver cap. They are surrounded by a light-colored towel and a pair of sunglasses. The background is a sandy beach.

www.yega.co.za

Osaka is a sustainable gifting brand inspired by the beauty and simplicity of nature. Rooted in eco-conscious values, Osaka offers a range of beautifully crafted products that bring the elegance of natural materials into everyday life.

From functional items to thoughtful gifts, every Osaka product is designed to evoke a sense of harmony, balance, and connection to the natural world.

With a focus on sustainability and eco-conscious living, Osaka embodies the philosophy that the greatest gifts come from nature itself. By choosing Osaka, you celebrate moments of giving while nurturing the planet for future generations.

The background is an abstract composition. On the right side, there is a dark gray vertical rectangle. The rest of the image is filled with a series of light gray lines that create a strong sense of perspective, resembling a long hallway or a series of steps receding into the distance. The lines are more densely packed on the right and spread out towards the left.

Bags that leave an impression.
