Chef Gavino

Chef Gavino arrived to the friendly city of Angeles after literally traveling the globe!... with a 28 year International career he has worked almost anywhere good food can be cooked... Singapore, India, Malaysia, Hong Kong, China, Dubai Egypt and Burma to name a few! As well as food promotions in Thailand, Phillipines and Indonesia and a hand full of others!

Signature dishes I don't have anything except a full arsenal of acumen and creativity to adapt to current location!..I use my food knowledge, classical training with many European Chefs in the early years, and food knowledge from all the countries I've worked in as well as "Sky is the Limit" approach and to network with clientele, train staff to build First Class F&B Operations!

We have big plans, for LGR, Sky Bar, and Zermatt... but we'd keep that a surprise for now!... but one thing we like to share is a long stay guest and unit owner appreciation cocktail to be announced soon!

Your GOOD WORDS mean a lot to US!

Hope to **WELCOME YOU BACK AGAIN...**

It's a beautiful place, really good value for money. We had amazing stay there. Pity Restaurant wasn't working at the time, we heard food there is phenomenal. But anyhow, there was a fully functional and nice kitchen. Staff is really helpful and nice, apartment was clean and tidy, swimming pools are clean and Infinity pool at the top is great with astonishing view, internet was good too. We will be back on the next opportunity. Thank you La Grande staff and owner(s).
