"Life doesn't get easier or more forgiving, we get stronger and more resilient."-Steve Maraboli

The global health crisis caused by COVID-19 closed many businesses in 2020 and 2021. PRAHD, however, never closed. During the toughest times of the pandemic, PRAHD adapted and made sure it met our community's needs. We proved that PRAHD and its staff are strong and resilient.

The last two years were challenging to say the least. Despite the challenges, PRAHD's staff worked diligently to continue to provide services to the community in a safe manner. We also increased our services by offering virtual learning pods, emergency COVID-19 rental assistance, grocery deliveries from our food pantry, large scale food drives, supermarket gift certificate distributions to undocumented families, COVID-19 testing, and COVID-19 vaccinations.

While many agencies closed their doors and worked remotely, PRAHD's staff showed up every day ready to serve. Many fought the COVID-19 virus themselves and returned to work as soon as they were healthy enough to do so--eager to help every person that showed up at PRAHD seeking assistance. PRAHD's staff's resiliency and commitment to our community is unparalleled and deserving of recognition.

All our successes, however, would not have been possible without the support from you, our loyal donors, and funders. In our toughest days, you did not forget about PRAHD. In fact, you reached out to see how you could help PRAHD continue to help our community. Today, and every day, we thank you for your support!

ABOUT PRAHD

The Puerto Rican Association for Human Development, Inc. (PRAHD) was founded in Perth Amboy, New Jersey by a group of concerned community leaders/professionals who sought to provide supportive services to disadvantaged Perth Amboy youth. In May 1974, PRAHD was incorporated as a 501(c)(3) non-profit organization and began to operate state funded anti-delinquency programming within Perth Amboy. After the success of PRAHD's youth services, the organization expanded into more comprehensive activities and re-dedicated its efforts towards ensuring the success and advancement of individuals in need. Forty-six years later, PRAHD has grown into a thriving comprehensive human services agency that serves thousands of New Jersey residents throughout Middlesex, Union and Hudson counties.

PRAHD's mission is to develop human potential and promote self-sufficiency through programs designed to improve the social, economic, health and educational status of the community in a culturally sensitive environment. Complimentary to PRAHD's mission, the organizational vision is to empower the individual to reach his/her highest potential and to participate meaningfully in his/her community. PRAHD is an active community provider and steward that constantly campaigns for the rights, dignity and betterment of impoverished individuals and communities.

PRAHD operates 10 programs across a wide spectrum of unmet human service needs, which target education, housing, benefits access, youth development, preventative health, respite home care, and senior services. All agency programs integrate a variety of methodologies to maximize positive results and ensure sustainable social impact. Furthermore, all activities are designed to afford clients the opportunity to become self-sufficient allowing for the achievement of their personal, educational and financial goals.

Our Mission

“PRAHD is dedicated to developing human potential and promoting self-sufficiency through programs designed to improve the social, economic, health and educational status of the community in a culturally sensitive environment.”
