The aim of the SAIGA Annual Conference 2021 is to provide a platform for Accounting and Audit professionals in the public sector to engage on various topics that are impacting the industry.

"Citizens Come First"

Members of SAIGA are professionals who are well versed in driving accountability in the public sector. The Institute is built on the belief that good governance and quality service delivery leads to happy citizenry. At the SAIGA Annual Conference 2021 industry thought leaders will unpack and put forward solutions around public accountability, capacity building in the public sector and other topics in robust and insightful presentations/sessions.
